Death of Dr. Lacy; D. D.

It will, we are sure, give a shock of to go. pain and sorrow to many a heart here to know that Dr. Lacy is dead. A noble man, a true Christian, a shining 8.35 o'clock to-night. He will be met example of all the virtues which mark When the Tax on Cigarettes the perfect and upright man, has gone to his long home. residence of Mayor E. D. Hall, whose

Dr. Lacy was at Jonesboro, at the home of his son, Rev. William S. Lacy. Yesterday evening at 6 o'clock Dr. Lacy was walking about the yard, apparently in his usual health. At 70'clock some one went to his room to call him to supper and found him lying on the bed, with a fan in his hand, dead. Rev. W. S. Lacy was on the train on his way home, and at Sanford learned

of his father's death. Rev. Dr. Lacy was born in 1802, in called to the ministry of the Presbyterian church at Newbern about 1833, where he resided until 1836, when he was called to the pastorate of the Preshere until about 1852, when he resigned his charge here to take the presidency of Davidson college. There he remained for several years and finally returned to this city. Here, assisted by his accomplished wife, he opened a school which was conducted with great success. He was twice married, first to Miss Wilkinson, of Virginia, who died in this city in the year 1840. His second wife. Miss Mary Rice, daughter of Rev. Dr. Rice, of Union Theological Seminary, Virginia, died some tour years since, in Baltimore, where she had gone for medical treatment. Dr. Lacy punctured one of the nerves of his toot in 1844, from which injury he suffered greatly for many years, and tor the past few years had been a great sufferer from gout. He was unable to preach the past two years, but up to that time preached occasionally, with Fair at Goldsboro, the exhibits from great power and acceptance. There New Hanover and Pender were equal never lived a man in North Carolina who was more universally beloved and respected than was Dr. Drury Lacy. Truly a great and good man has fallen.

Even when we go to sleep, the complicated apparatus of the inner man is continually at work. Heart, lungs, liver, kidneys and all, keep at work from birth until death. How important it is that all these should be in perfect order! Let sny of them run down, or let the blood become impoyerished, and the result is disease and decay. But Brown's Iron Bitters is the sure restorative. Witness, for instance, the case of Mrs. Gillespie, of San Antonio, Texas, who was for a long time a great sufferer, She says, "I have used Brown's Iron Bitters for dyspepsia and general debility with great benefit,"

Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong.
