Ayer's Hair Vigor

Has been used in my household for three seasons:— 1st. To prevent falling out of the hair. 2d. To prevent too rapid change of color. 3d. As a dressing.

It has given entire satisfaction in every instance. Yours respectfully, WM. CAREY CRANE.

AYER'S HAIR VIGOR is entirely free from uncleanly, dangerous, or injurious substances. It prevents the hair from turning gray, restores gray hair to its original color, prevents baldness, preserves the hair and promotes its growth, cures dandruff and all diseases of the hair and scalp, and is, at the same time, a very superior and desirable dressing.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.

AYER'S Ague Cure

contains an antidote for all malarial disorders which, so far as known, is used in no other remedy. It contains no Quinine, nor any mineral nor deleterious substance whatever, and consequently produces no injurious effect upon the constitution, but leaves the system as healthy as it was before the attack.

WE WARRANT AYER'S AGUE CURE to cure every case of Fever and Ague, Intermittent or Chill Fever, Remittent Fever, Dumb Ague, Bilious Fever, and Liver Complaint caused by malaria. In case of failure, after due trial, dealers are authorized, by our circular dated July 1st, 1882, to refund the money.

STATE NEWS.

Durham Plant: Rev. Luke Webb, colored, of the Primitive Baptist church, died suddenly at the Brick House plantation, Monday last, of paralysis. We had known him from our childhood, and always found him conscientious in the performance of every duty.

Albermarle Observer: We challenge the State on Irish potatoes. Last Monday Rev. J. R. Littleton, of this town, had dug from his potato patch an Irish potato weighing 3 1/2 pounds. This seems incredible, but it can be proved by a number of reliable witnesses, and we are one of them. From this patch he realized 50 bushels for 2 1/2 bushels planted.

Raleigh Visitor: Just as we were going to press information reached us in regard to the sudden and unexpected death of Mr. Horace P. Tucker, one of our oldest and most highly esteemed citizens, which occurred at the residence of Mrs. Thaddeus Metcalf on west Hillsboro street, while sitting at the dinner table. He was about 87 years of age and was held in high esteem by everybody who knew him.

Lincolnton Press: William Anthony, a former citizen of this county, had his leg cut off by a train on the A. & C. Air Line, near Black's Station, S. C., last Tuesday. It was a work train and Anthony attempted to jump on board as it ran by. The 54th annual camp meeting at Rock Spring commenced last Friday and closed Tuesday night. On Sunday, we were told by old tent-holders who had attended camp meeting there for 40 years, that the crowd numbered between 7,000 and 8,000.

Newbern Journal: Mr. Greer, who keeps Clairmont bridge aided by his son, killed this week a water moccasin which measured five feet in length, and his immense size led them to perform an autopsy, which revealed the fact that he contained a cat fish 18 inches in length with a "head on him" two inches in breadth, besides fifty-two living snakes, measuring from one to two feet in length and still appeared to have enjoyed good health, up to the time of his unexpected demise.

News and Observer: Yesterday a reporter was shown by Mr. F. W. Clark, of Wilmington, a leaf of tobacco from Moore county, a mile from Keyser. The leaf was 37x23 inches, and attracted much attention. A negro woman living at Falls of Neuse a few days since gave birth to twins of the male sex. She promptly named them Cleveland and Hendricks. Here are two "straws" showing how the wind blows.

Rockingham Spirit: Mr. John Norton, who resides in Laurel Hill township, whilst out fishing some days ago, slipped and fell on a log, severely and perhaps fatally snagging himself. A Mr. Mastin, of Forsyth county, succeeds the late William C. Thomas as Deputy Collector of Internal Revenue for this collection division, which is composed of the counties of Richmond, Montgomery, Stanley and Anson. We understand that Mr. Mastin will make this town his headquarters.

Greenville Reflector: On last Thursday a very sad accident occurred at the Cotton Plant factory of Mr. John C. Cox, about nine miles from Greenville. While the machinery of the factory was in motion one of the bands became entangled, and Johnnie, a little 12 year old son of Mr. Cox, tried to unjam it. His hand caught in the band, he was dragged over one of the pulleys and was terribly mangled. Both his legs and arms were broken, he was almost scalped and sustained other fearful injuries. He died in about two hours after his accident.

Winston Sentinel: On Tuesday afternoon a number of relatives and friends assembled in the Moravian Church to witness the marriage ceremony of W. A. Lemly, Esq., President of the Wachovia National Bank of this city, to Miss Emmie DeSchweinitz, a highly accomplished lady, of Salem, and a daughter of the late Rt. Rev. E. A. DeSchweinitz, of the Moravian Church. Dr. Edward Rondthaler performed the ceremony and the happy couple, amidst the congratulations and best wishes of all, took the evening train for a tour through Northern cities.

BLACKWELLS

Mr. J. S. Carr, Pres. DEAR SIR:—I have used your smoking tobacco. However, the very little use that I make of the article in this shape may not entitle me to be a good judge, but I must pronounce it of excellent quality and flavor. Respectfully, J. S. Carr, Senator from Illinois.

ALFRED TENYSON. Thackeray's gifted daughter, Anne, in her sketch of Alfred Tenyson, in Harper's Monthly, tells of her visit to the great poet. She found him smoking Blackwell's Bull Durham Tobacco, sent him by Hon. James Russell Lowell, American Minister to the Court of St. James.

U. S. SENATOR, WASHINGTON, D. C., April 8, 1884. DEAR SIR:—For five years past I have used constantly the Blackwell Durham Smoking Tobacco. I regard it as the best and most satisfactory smoking tobacco I have ever used, and take great pleasure in recommending it to all who, like myself, are fond of the pipe. S. C. Craft, Senator from Texas.

WASHINGTON, May 13th, 1884. Mr. J. S. Carr, Pres. DEAR SIR:—I take great pleasure in recommending your celebrated Smoking Tobacco as free from impurities, of excellent flavor, and should be a favorite with all tobacco smokers. Very respectfully, W. C. Butler, Senator from South Carolina.

I have been for over twenty years a constant smoker. I find in Blackwell's Durham, that true excellence found in no other brand—uniformity; every package being the same. I can smoke it at all times, day and night, with impunity; it acts as a mild and pleasant stimulant, always quiets my nerves, and in no way disagrees with me. It is a great comforter, a pure, sweet and mild smoke. H. S. Smith, Ex-Governor of Georgia.

U. S. SENATOR, WASHINGTON, D. C., April 9, 1884. DEAR SIR:—In reply to your favor, it gives me pleasure to say that I have used the Blackwell Durham Smoking Tobacco, manufactured by your company, and have found it A No. 1, in quality and flavor. Yours truly, J. H. Rockwell, Senator from Missouri.

WASHINGTON, D. C., April 8th, 1884. Mr. J. S. Carr, Pres. Sir:—I am now smoking your most excellent Durham Tobacco, and can most heartily recommend it to all smokers of the weed. It is free from all impurities, imparts a pleasant aroma, and is preferable to all other brands of tobacco that I have smoked. J. H. Millburn, Senator from Kentucky.

[From Rev. W. H. Milburn, the famous Blind Preacher] Since 1858, April 22, 1884. For ten or twelve years I have used Blackwell's Durham Smoking Tobacco, and find it the most satisfactory of all I have tried. I gave Thomas Carlyle a pound of it, as we often smoked together, and he warmly praised it. I have found no tobacco on either continent that compares with it. W. H. Millburn.

U. S. SENATOR, WASHINGTON, D. C., April 16, 1884. J. S. Carr, Esq., Pres. DEAR SIR:—In answer to yours of yesterday I have to say that I have for many years used the Blackwell's Durham Smoking Tobacco and prefer it to any other that I have tried. Respectfully, John H. Harris, Senator from Tennessee.
