Raleigh Visitor: The revival at Inwood Baptist church, located three miles southwest of the city, closed yesterday afternoon. The revival at Macedonia Methodist church, located about five miles southwest of the city, continues with unabated interest.

Elizabeth City Falcon: While we are talking about big yields of corn, it is well to mention that a portion of Mr. Wiley G. Ferebee's farm in Camden has of late years produced 22 barrels to the acre.

Durham Reporter: We were informed this morning that a watermelon was cut at the residence of Capt. Wm. Mangum, of this city, yesterday, and in the center of the melon the initials of Mr. Mangum's name, "W. M.," were perfectly distinct.

Kinston Journal: The mail on Friday night brought us two dollars from a colored subscriber at Seven Springs to renew his subscription to the Journal, and the news also came along that he would probably vote the Democratic ticket this year.

Hickory Press: A lively fight took place at Little's Mills, Taylorsville township, on Thursday of last week, in which Mr. Joseph Boston was perhaps fatally wounded. This difficulty was caused by a dispute in regard to the stock law election which was held that day.

News and Observer special from Asheville: The largest convention in the history of the country met here to-day.

Jurors.

EDITORIAL REVIEW:—One may commit a crime and yet by the laws of the land he is deemed innocent until proven guilty and no punishment for the crime can be inflicted until conviction.

Take for example the recent jury in the Ransom Jones case. The jury was completed about dinner time Tuesday whereupon the court takes a recess but the poor jurymen are left in the box to get dinner as best they could while it is pre-empted by others who do as it is to be supposed in a jury of that description there were men not only from the country but also men from the city whose homes lie scattered from Hilton to Kidder's mill from which it was almost impossible to obtain a meal in the time allowed for recess.

Our stock is all fresh goods, are guaranteed, and they can be returned at our expense if not satisfactory. We are daily in receipt of EGGS and CHICKENS, which we sell at the very lowest market prices.

received from the authorities but three meals, and one of them necessarily a very sorry one in consequence of its being ordered and furnished at such a late hour. Now, I contend there should be some law relieving jurors or, in other words, making them more comfortable while in the service of the State and some law by which a case shall be decided by a majority of jurors and not allow one ignorant, unqualified juror to keep eleven men confined because they will not decide to suit his peculiar views or feelings, as is frequently done here.

FROM THE PRESIDENT OF BAYLOR UNIVERSITY.

"Independence, Texas, Sept. 25, 1882. Gentlemen: Ayer's Hair Vigor

Has been used in my household for three reasons:— 1st. To prevent falling out of the hair.

2d. To prevent too rapid change of color. 3d. As a dressing. It has given entire satisfaction in every instance. Yours respectfully, WM. CAREY CRANE."

AYER'S HAIR VIGOR is entirely free from uncleanly, dangerous, or injurious substances. It prevents the hair from turning gray, restores gray hair to its original color, prevents baldness, preserves the hair and promotes its growth, cures dandruff and all diseases of the hair and scalp, and is, at the same time, a very superior and desirable dressing.
