Party of North Carolina.

We again congratulate the people of North Carolina on the career of peace prosperity and good government on which she entered after the inauguration of a Democratic State administration, and which has been unbroken for so many years since; upon the just and impartial enforcement of the laws; upon the efficiency of our common school system, and the great progress made in popular education; and upon the general improvement and enterprise manifested in every part of the State. And we again challenge a comparison be tween this state of things and the crimes, outrages and seandals which attended Republican ascendancy in our borders; and we pledge ourselves ito exert, in the future, as we have done in the past, our best efforts to promote the material interests of all sections of the Cokesbury Circuit, Oct. 20 21.
