Victor Hugo denies a report that he  
is to visit America.

The Duke of Argyll says the world is  
ten million years old.

The late Senator Anthony's estate  
proves to be worth about \$600,000.

Mr. Bennett, the owner of the New  
York Herald, has gone to San Francisco  
to confer with Mr. Mackey.

Mrs. Emma Johnson, wife of Presi-  
dent Johnson of Liberia, died at  
Monrovia last month.

The just-probated will of the late  
Baroness Nathan Rothschild leaves  
\$100,000 to charitable objects.

Roscoe Conkling is reported to have  
said that as he is not engaged in crimi-  
nal practice, he cannot take the stump  
in defense of Mr. Blaine.

The University of Heidelberg has re-  
fused a gift of 100,000 marks, because  
its acceptance was conditioned on wo-  
men being allowed to study there.

Miss Florence Field, the pretty  
daughter of Charles W. Field, of Louis-  
ville, is the latest Kentucky candidate  
for a share of the dramatic honors  
which have fallen to the lot of Mary  
Anderson and Virginia Dreher.

Since the Franco-German war the  
number of Germans settled in Holland  
has largely increased. The total is es-  
timated now to be 60,000. Amsterdam  
and Rotterdam contain about 10,000  
each. Haarlem and The Hague have  
scarcely any Germans.

The Hillier Guards, of Hartford,  
Conn., have voted to go to Mobile,  
Ala., next Spring, where a competitive  
drill between Northern and Southern  
companies will take place. The Hart-  
ford company has a good record, and  
is working hard to improve it by con-  
stant drill.

Gen. Grant, the retired financier,  
called upon Mr. Blaine at the Avenue  
Hotel and paid his respects. Mr.  
Grant's business partner, Ferdinand  
Ward, who is a great admirer of Mr.  
Blaine, did not call, owing to circum-  
stances over which he has no control.  
He is to some extent beyond the reach  
of "magnetism" at present.

will set a bottle of Dr. Bull's Cough  
Syrup in some handy place you will

and croup, when your children are troubled  
with them.

# THE DAILY REVIEW.

VOL. VIII. WILMINGTON, N. C., FRIDAY, SEPTEMBER 26, 1884. NO. 230

Capt. Eads is trying to secure the  
Great Eastern, now in British waters,  
to send to the New Orleans Exhibition.  
He is interested personally because he  
wants to show people that even the  
Great Eastern can pass through the  
jetties at the mouth of the Mississippi.

An English banker, possessed of pecu-  
liar advantages for forming an opin-  
ion on the subject, estimates that the  
amount of letters of credit issued this  
season in England for foreign travelers  
falls short of the usual sum by about  
\$20,000,000. The cholera is responsible  
for this falling off.

Father Bilimek, confessor to the Em-  
peror Maximilian, died a few days ago  
at the Miramar Castle, near Trieste,  
Austria. Bilimek accompanied Maxi-  
milian on his expedition to Mexico,  
shared his fortunes and has finally died  
in Maximilian's castle. He was a dis-  
tinguished naturalist.

An immense dog, a cross between a  
mastiff and a St. Bernard, savagely at-  
tacked a young man at Edmonton,  
England, and would have killed him  
had not his sister come to the rescue.  
The girl fought the beast courageously  
and desperately, and was badly bitten,  
but she conquered him.

Leopold Baron, the well-known  
Spanish tragedian, has arrived in New  
York, on his way to Havana. He will  
remain there about three months,  
and in the Spring will play an  
engagement in New York with an  
American support. As he speaks only  
Spanish, his part will be in that tongue.

The late Duke of Wellington used to  
say: "I'm all right. If they abolish  
the House of Lords, I shall go over to  
Belgium. I'm Prince of Waterloo there.  
When the Great Powers swallow up  
Belgium I can still live in Spain, where  
I am Duke Ciudad Rodrigo. And if  
Spain collapses, I shall retire to Portu-  
gal, where I shall end my days as Mar-  
quis of Torres Vedras and Count of  
Vimiero."

At the bicycle tournament at Spring-  
field, Mass., last week, ten miles were  
covered by Howell, an Englishman, in  
thirty minutes and thirty-nine seconds  
—time which some of our fastest horses  
could not beat some years ago. It is  
not unlikely that wheelmen, with the  
aid of the improvements that inventors  
are constantly making in their vehicles,  
will in a few years be able to distance  
our fastest horses.

The ex-minister to Portugal, Mr. Her-  
vey, who was private secretary of Mr.  
David Davis while the latter was Presi-  
dent of the Senate, thinks that Gov-  
ernor Cleveland will be elected by the large  
majority ever given to a President.  
The States of New York, Connecticut,  
New Jersey, Indian, Wisconsin, Michi-  
gan, Kansas, Colorado and Nevada,  
he claim, will go Democratic, and the  
chances in Ohio and Illinois, he says,  
are excellent.

A few late peaches are to be found in  
market yet.

Hon. George Davis, of this city, was  
in Raleigh on Monday.

We have had a few fine and refresh-  
ing showers during the day.

The receipts of cotton at this port to-  
day foot up 684 bales.

Clarendon Council, No. 67, A. L. of  
Honor, will meet to-night, at 8 o'clock.

We have received, thus far, but two  
numbers of the Raleigh Daily Chronicle.

Everybody in want of Paints, White  
Lead, Glass &c., should go to JACOBI'S.

Rev. E. S. Alderman will preach at  
Brooklyn Hall to-night, services com-  
mencing at 8 o'clock.

There is no steamer here to-day from  
Fayetteville. The bottom of the river  
is probably on top now.

Rev. W. S. Lacy has declined the  
call extended him by the Second Pres-  
byterian Church of this city.

The steamer *D. Murchison*, which  
has been on the railway for repairs,  
came off to-day, and after being repainted  
will resume her regular trips on the  
Cape Fear.

German brig *Alice Starrett*, Captain  
Hasenbusch, cleared yesterday after-  
noon for Antwerp, with 3,138 barrels  
rosin, valued at \$3,254, shipped by  
Messrs. Paterson, Downing & Co.

*News and Observer:* Capt. Guilford  
L. Dudley, who has been at Round  
Knob for a fortnight, is back again.  
We regret that he is not specially im-  
proved by his trip and is very weak in-  
deed.

Great works are performed, not by  
strength, but perseverance; but Dyer  
& Son, by taste and science fit the most  
awkward form with a fashionable suit of  
clothes.

Mrs. W. F. Williams, who for several  
years filled the position of organist in  
the Charlotte Baptist church, has been  
elected to a like position in the First  
Baptist church of this city, and entered  
upon her duties last Sunday.

Thanks to Mr. Geo. M. Crapon for a  
can of "Boston Brown Bread," from  
an invoice just received by him and  
which he offers for sale. It is intended,  
we believe, to accompany baked beans  
although we suppose there would be no  
objection to taking it straight.

We invite the attention of our citizens  
to the fact that first quality shirts are  
being made to order at one dollar at the  
Wilmington Shirt Factory. ti.

### City Court.

Sylvester Artis and Susan Hill, both  
colored, were brought before the Mayor  
this morning charged with disorderly  
conduct. The former was fined \$5  
and the latter was fined \$5 or 20 days in  
the city prison.

### Home Again.

Messrs. J. W. Gerds and H. Brun-  
hild and family returned to the city last  
night, having just arrived from Europe  
where they had been for two months.  
They came home from their European  
trip on the North German Lloyd  
steamship *Werra*.

### Hurry Up!

The time allowed for the shipment of  
exhibits to the Raleigh Exposition will  
expire to-morrow, the 27th inst., so that  
it would be well to hurry up and not  
wait until the very last moment. The  
Exposition will open October 1st (next  
Wednesday) and there is no time to  
spare.

### Yom Kipur.

The holiest day of the year among  
Israelites is the day of Atonement. It  
will begin next Sunday at sundown and  
continue twenty-four hours. Stores  
will be closed. Monday will be passed  
by the Israelites in fasting and contin-  
uous prayer. Services will be held all  
day Monday in the Temple.

### Personal.

Mrs. John F. Tienken, Mrs. F. C.  
Miller, Mrs. John Haar, Jr., and Mrs.  
J. F. Stalter, with their families, who  
have been passing the hot months of  
the Summer at Shelby, Cleveland  
county, have returned to the city.  
Rev. Dr. Pritchard left this noon on  
the steamer *John Dawson* for Piont  
Caswell, where he will preach to-night.

### For Burgaw.

Let it be borne in mind that our dis-  
tinguished fellow citizen and candidate  
for Lieut. Governor, Major Chas. M.  
Stedman, will speak at Burgaw on  
Monday, the 29th inst. There will un-  
doubtedly be a large crowd in atten-  
dance and we are glad to know that the  
railroad company will sell round trip  
tickets from this city to those who may  
desire to go. We hope there will be a  
full delegation from here to do honor to  
our distinguished townsman.

### Brunswick Items.

Sheriff Taylor, of Brunswick, who  
has recently travelled through the coun-  
ty, has kindly furnished us with some  
interesting items. He says that early  
corn is fair and that late corn is poor.  
Cotton is very poor and the average  
will not be one-half of a crop. On the  
other hand the rice crops are very fine  
—never better.

The Superior Court adjourned on  
Tuesday last at 12 o'clock. The docket  
was light and this fact speaks well for  
the county. Judge Shepherd was much  
admired by the people.

As for political matters in the county  
Sheriff Taylor, to use his own language,  
says: "Politics are below par. Blaine  
and Cleveland could scarcely get up a  
dog-fight in Brunswick."

### The Opera House.

The Opera House presented a very  
handsome and attractive appearance  
last evening. Capt. Pennypacker, the  
lessee, has made some appreciable im-  
provements there during the Summer  
months. We notice that the paint  
brush has been liberally used, that some  
of the walls have been papered, that  
the cornices and gas burners have been  
renovated and that new matting has  
been laid.

### Humpty Dumpty.

Our beautiful and cozy little Opera  
House was opened last night for the  
first time this season, with Tony Den-  
nier's Humpty Dumpty Troupe as the  
attraction. The house was well filled  
with an appreciative audience, among  
whom, it seemed to us, the juvenile  
element predominated. The perform-  
ance, as a whole was very good, but  
not quite as good as we expected to find  
it. Some of the specialties, though,  
were excellent, notably the acrobatic  
performances and the exhibition of the  
trick dogs, these being among the best  
we have ever seen on our stage.

### Pompey Sneed Again.

This notorious individual had a dual  
examination in the Court House this  
morning before Justices Millis and  
Hill. The first case was before Justice  
Millis for assault and battery with a  
deadly weapon upon Henry Moore,  
colored. The testimony went to show  
that Pompey beat Moore on the head and  
arm with a pistol, inflicting quite severe  
wounds. He was required to give bond  
in the sum of \$100 for his appearance  
at the next term of the Criminal Court.

Justice Hill then appeared with a  
warrant charging Pompey with break-  
ing and entering the store of—  
Stinedolf and stealing a watch and  
other property. On account of the ab-  
sence of an important witness for the  
State this case was continued to the  
first Wednesday in October and the  
prisoner was committed to jail in de-  
fault of \$100 bond for his appearance  
when wanted.

### A Valuable Publication.

Ayer's "American Newspaper An-  
nual" for 1884 has been received. It  
is exceedingly well prepared and of  
special value. It contains a carefully  
prepared list of all newspapers and pe-  
riodicals in the United States and Can-  
ada, arranged by States in geographical  
sections, and by towns in alphabetical  
order. Also, complete lists of all the  
religious or agricultural periodicals, of  
medical, commercial, scientific, educa-  
tional or any other of the class publica-  
tions. In it is given the population of  
every State, territory, county and  
county-seat; of all the large cities and  
towns, and of almost every place in  
which a newspaper is published; also  
the colored population, by counties, in the Southern and South-  
western States, and the Chinese popu-  
lation on the Pacific slope. It has a list  
of the cities, towns and villages of the  
United States having a population of  
5,000 and upward, arranged in alphabetic-  
al order. It is unequalled for full-  
ness, correctness, compactness of state-  
ment, of statement, variety and value  
of contents, and freedom from favor-  
itism or prejudice. The price is \$3,  
carriage paid. It is published by  
Messrs. N. W. Ayer & Son, Philadel-  
phia, Pa.

### Joint Discussions.

The people of Wilmington are liable  
to be misjudged in some things which  
have been published in regard to the  
effect of a joint discussion between  
Scales and York here. It may be  
that the prevailing opinion is  
against a joint discussion, but if so  
it is not based upon any apprehension  
of a riot or bloodshed, or any distur-  
bance of the public peace. This is as  
peaceable and orderly a community as  
any other in or out of North Carolina,  
and as there have been no riots conse-  
quent upon the joint discussions of  
Messrs. Scales and York in other places,  
so also there would be none here.

The opposition to such discussion  
arises from a different source: viz: an  
indisposition to furnish an audience to  
Mr. York which he would not other-  
wise get, and a desire to avoid the con-  
sequent danger of a wider dissemina-  
tion of his demagogic appeals. From all  
accounts Gen. Scales is superior to  
York on the stump, but that fact alone  
is not considered by some as a sufficient  
compensation for the possible loss  
which might arise from stirring up a  
more active opposition than now exists,  
or is otherwise likely to exist, in this  
part of the State. The danger of a riot  
is not apprehended, and it is putting  
the people of Wilmington in a false po-  
sition to so intimate.

### The Beef Question.

Complaint has been made to us that  
our few remarks yesterday relative to  
the scarcity of good beef in this market  
were somewhat erroneous. This view  
of the question is borne out by the fact  
that Messrs. J. R. Melton and Geo. F.  
Tilley both advertise in this issue the ar-  
rival here of carloads of superb  
mountain beef which will stock this  
market for a week to come. We have  
not seen these cattle but understand  
from those who have that it is about the  
finest brought here in years.

### Military.

The Wilmington Light Infantry had  
a drill, inspection and dress parade at  
the City Hall last night, which was an  
excellent display of real soldiery quali-  
ties. There were 40 members in uni-  
form and their evolutions were pro-  
nounced by entirely competent judges  
as excellent. The corps will leave for  
Raleigh on Tuesday morning next to  
be present at the opening of the State  
Exposition, and we feel assured that  
the members will reflect credit upon  
themselves, the corps and the State  
Guard by their soldiery appearance and  
conduct.

There has been considerable promise  
of rain to-day, although the result  
has been confined to a few light show-  
ers.

Every Farmer ought to get a "Boy  
Clipper Plow," greatest invention of the  
age. JACOBI is the Agent.
