

AYER'S Sarsaparilla

Is a highly concentrated extract of Sarsaparilla and other blood-purifying roots, combined with Iodide of Potassium and Iron, and is the safest, most reliable, and most economical blood-purifier that can be used. It invariably expels all blood poisons from the system, enriches and renews the blood, and restores its vitalizing power. It is the best known remedy for Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blisters, Sores, Boils, Tumors, and Eruptions of the Skin, as also for all disorders caused by a thin and impoverished, or corrupted, condition of the blood, such as Rheumatism, Neuralgia, Rheumatic Gout, General Debility, and Scrofulous Catarrh.

Inflammatory Rheumatism Cured.
"AYER'S SARSAPARILLA has cured me of the Inflammatory Rheumatism, with which I have suffered for many years."

AYER'S Ague Cure

contains an antidote for all malarial disorders which, so far as known, is used in no other remedy. It contains no Quinine, nor any mineral nor deleterious substance whatever, and consequently produces no injurious effect upon the constitution, but leaves the system as healthy as it was before the attack.

WE WARRANT AYER'S AGUE CURE to cure every case of Fever and Ague, Intermittent or Chill Fever, Remittent Fever, Malarial Ague, Bilious Fever, and Liver Complaints caused by malaria. In case of failure, after due trial, dealers are authorized, by our circular dated July 1st, 1882, to refund the money.

The Daily Review.

The Daily Review has the largest circulation of any newspaper published in the city of Wilmington.

SATURDAY, NOVEMBER 8, 1884.

**A Prosperous Country!
An United People!**

**THE UNION, NOW AND FOREVER,
ONE AND INSEPARABLE!**

The coinage of the United States Mint in October was \$1,411,000.

Now that poor Brignoli has gone, one of the chief things recalled of him is that he was an enormous eater. He believed that good feeling improved his voice and that a full stomach insured a full house.

Experiments are now being made in Switzerland with a new firearm that is said to surpass all others in present use. The bullet has scarcely any deflection in its transition, but goes almost straight to the mark.

The case of cadet Story, who died a few weeks ago at the Naval Academy at Annapolis, will not be allowed to rest. The relatives of the cadet propose to carry the matter before the grand jury, and hope to secure the indictment of those alleged to have been engaged in the hazing. It seems that not much confidence is felt in the court martial.

Probably Liberty may yet be enabled to enlighten the world from New York harbor. A plan, which is thought to be feasible, to raise the other \$125,000 necessary to complete the pedestal has been hit upon. The managers propose a series of concerts with 500 singers each from the schools of the city. The millionaires are still too much concerned in the perpetuation of Republican tyranny to give anything to help finish the standing-place of Liberty.

Very handsome toilets for evening wear are made with skirt of corded silk and a cuirasse corsage of velvet of a deeper shade to match. This corsage fits as closely as a Jersey, and the sleeves are eight-inch short or elbow length. The fabric below is made of the silk fabric. For a waist, a black velvet bodice richly embroidered with beads, with skirt and tunic of black satin trimmed to correspond, is very handsome, and so also is one of dark rose blue in the same style with velvet trimmings on the skirt. A lovely dress for a young girl is made of pale peach-blossom, pink-grounded Watteau brocade, figured with blue forget-me-not in raised velvet. The brocade forms the Louis XIV. tunic, and the plain gored skirt and the close bodice is of pale blue velvet. A tiny ruffle of the velvet shows from beneath the skirt around the foot.

A Panacea for Tonsorial Tick.
"No, sir," said the barber to a suspicious-looking customer, who affably remarked, as the latter was being laid out, that he supposed there were a good many men who failed to pay their shaving scores. "No, sir; I used to give credit, but I never do now—in fact nobody ever asks for tick any more." "How's that?" "Well, you see," said the barber, trying the edge of his razor on his thumb nail. "I had a set of stiff who used to ask me to chalk it down. I got tired of keeping books, and I adopted a new system. Whenever I shaved one of those old standbys I put a little nick in his nose with my razor, and kept tally in that way. They got so they didn't want to run bills." There was a tremor in the customer's voice as he asked from beneath the lather: "Do you object to being paid in advance?"—*Somerville Journal.*

For the cure of Colds, Coughs and lung difficulties, Ayer's Cherry Pectoral is unequalled.

For durable coloring the walls of rooms in beautiful tints, at little cost, nothing equals the MABLEINE sold at JACOBI'S Depot.

Trial proves that honesty is the best policy in medicine as well as in other things. Ayer's Sarsaparilla is a genuine preparation, and unequalled blood purifier, decidedly superior to all others.

DRUNKENNESS, OR THE LIQUOR HABIT, CAN BE CURED BY ADMINISTERING DR. HAINES' GOLDEN SPECIFIC.
It can be given in a cup of coffee or tea without the knowledge of the person taking it, effecting a speedy and permanent cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken the Golden Specific in their coffee without their knowledge, and to-day believe they quit drinking of their own free will. No harmful effects result from its administration. Cures guaranteed. Circulars and testimonials sent free. Address, GOLDEN SPECIFIC CO., 185 Race St., Cincinnati, O.

A Fair Suggestion!

OUR PATRONS KNOW BY THIS TIME THAT WE DO NOT COLOR our advertisements, that when we say a thing in the papers we are prepared to back it by our legal guaranty.

Take Goods Home, Examine them Critically
In all particular points, such as material, make up, style of garment, and above all, the price, which tells who sells the cheapest. We have been victorious in every instance where goods from competing houses have been sent home for comparison. We do it every day, and advise you to try it once to convince yourself. Only last week a prominent business man in this city had a suit sent to his home from different houses, with one from us among them; he kept our suit and remarked: "I do not know much about clothing, but it did not take me long to decide after I had them together at home, but if I had not had them together I might have paid from \$5 to \$8 more for my suit."
We handle all grades of goods, guaranteeing every article worth what you pay for it or money refunded. After one trial you will say, as thousands have said, it pays to trade with
