# Where the Shoe Pinches Them!

HAVE YOU NOTICED HOW THE Cloth ng Merchants in Wilmington have "WOKE UP" in the way of advertising, &c., since the establishment of Otterbourg's Men's Wear De pot in the city ? Well, it's a fact, even if you haven't noticed it, though we believe you have. Ecvrybody in town knows that we have drawn

to our Store two thirds of the patronage of the public; and we do not wonder that they make a great blow and bluster, for it is perfectly natural for them to feel badly over the idea of having lost such a good soft thing as they had for years previous to our advent. Here is where the shoe pinches them. The suits they ask you \$12.50, \$15, \$17.50 and \$20 for, we sell at \$10, \$12.50, \$15 and \$17.50. The clothing they sell you are, we admit, fairly well put together, but painfully lacking that style and finish that makes the perfect garment, and gives satisfaction to the wearer and a standard reputation to the seller.

Our stock of Ready-Made Clothing is enor-mous. We have hundreds of Suits for Men, ouths, Boys and Children, and about 700 Overcoats which we are bound to sell before Christmas AND RIGHT THERE IS WHERE THE SHOE PINCHES US. These Overcoats HAVE TO BE SOLD; the money MUST come out of them, even if we are forced to "BUST" the shoe wide open and sell them at ANY

Our splendid location and mammoth estab-lishment enable us to carry and display a larger stock than the average dealer, and we make it a rule to keep the BEST G ODS. We make no blow in advertising, but state plain, unvarnished facts. Therefore convince your-self by calling on or sending your orders to
