# THE DAILY REVIEW.

VOI. IX. WILMINGTON, N. C., TUESDAY, JANUARY 13, 1885. NO. 11.

The books printed in the South during the war are now in demand among collectors. One of these was a spelling book printed on common wall paper. Another, more ambitious, was illustrated with the old trade cuts found in newspaper offices, producing a comical effect. Upon the title page is the legend, "Printed in the fourth year of the war of independence."

Hiram Price, Commission of Indian Affairs, recently scored this point:—"There are 200,000 inhabitants in Washington, which is the capital of this great nation and the central point of its refinement and culture, and yet there is more drunkenness and crime here than among the 150,000 Indians, who are savages and have never felt the elevating influence of our modern civilization."

A week of this weather will start the buds on a bust.  
This is beautiful weather, it is rather previous.  
The receipts of cotton at this port today foot up 361 bales.

Nor. barque *Prudentia*, Hansen, from this port, arrived on the 11th inst. at London.  
Br. barque *Etiza Oulton*, Rooney, from this port, arrived at Hamburg on the 11th inst.

There were quite a number of flat loads of wood in the docks to-day and the prices asked were very reasonable.  
Mrs. S J. Baker advertises in this issue that she is closing out her stock of goods at prices far below cost. The ladies will make a note of this.

Br. barque *Arica*, Scurrell, cleared to-day for Hamburg with 3,167 barrels rosin, valued at \$4,258, shipped by Messrs. Paterson Downing & Co.  
There were no tramps lodged at the guard house last night. There were several in the city, however, yesterday, but they possibly left before night.

If you would like to receive a beautiful plaque representing a dude go to Dyer who will give one to every purchaser.  
The Spanish schooner *Nalividad*, mentioned by us yesterday as being in distress off Smithville, with a pilot on board, arrived at that place last evening and anchored off the town. She will be towed up to the city as soon as possible, where her cargo will be discharged and her damages repaired.

**Indications.**  
For the South Atlantic States, fair weather in the Southern section; partly cloudy weather and local rains in the Northern portion; colder North-easterly winds and higher barometer.  
**Personal.**  
We were glad to see Capt. W. M. Parker on our streets to-day after his protracted sickness.  
Mr. E. G. Yopp, of this city, will leave to-night for Rockingham, where he will open a grocery store. We wish him success.  
Mr. Will J. Duffie, agent of the Carrie Swain Comely Company, which is to appear here on the night of the 19th inst., arrived in the city last night and registered at the Purcell House.

**City Court.**  
One white and one colored man were brought before the Mayor this morning charged with disorderly conduct. They were fined \$5 each for their respective offenses.  
One white man was drunk and down last night and was taken to the guard house for safe keeping. He was discharged this morning.  
**The Supper To-Night.**  
The ladies connected with the First Baptist Church were busy this afternoon at the City Hall making preparation for the supper to-night. The good things began to come in quite early and when night approached the tables fairly groaned with delicate edibles. There will undoubtedly be a large attendance to-night as the weather is most propitious.

For durable coloring the walls of rooms in beautiful tints, at little cost nothing equals the MABLENE sold at JACOBI'S Depot.

**Homing Pigeons.**  
A carrier pigeon was liberated at the fishery of Messrs W. E. Davis & Son, 21 miles from the city, at 1 o'clock and 55 minutes; this afternoon and was found at the coop with a message at 2 o'clock and 45 minutes, making the distance against a hard wind in 50 minutes. A good flight.

**Fire at Rose Hill.**  
At about 1 o'clock yesterday afternoon the grist mill and cotton gin of Mr. D. T. Carr, at Rose Hill, Duplin county, caught fire accidentally and were totally destroyed. Fortunately the wind was in the right direction to blow the flames from other buildings, in consequence of which Mr. Carr's dwelling was saved. No other property was destroyed. We have been unable to gather particulars as to the amount of loss or whether the property was insured or not.

**First National Bank.**  
The 19th annual meeting of the stockholders of the First National Bank of Wilmington was held at their banking rooms in this city, at 11 o'clock to-day. The meeting was organized by calling Mr. H. A. Burr to the chair and requesting Messrs. M. J. Heyer and Wm. Larkins to act as Secretaries.  
The following gentlemen were elected as directors for the ensuing year, viz: Alfred Martin, D. G. Worth, James Sprunt, George Chadbourne, and E. E. Burruss, all reelections.

**Oakdale Cemetery.**  
The lot owners of Oakdale Cemetery, held their annual meeting for the election of officers to serve for the ensuing year at the office of the Secretary, last night. Mr. Wm. A. French was called to the chair and Mr. R. J. Jones acted as secretary. The minutes of the last meeting were read and approved, after which an election of officers was held, resulting in the re-election of the entire old board, as follows:  
President—Donald McRae.  
Directors—Edward Kidder, George R. French, W. J. Yopp, Dr. A. J. DeRosset, J. H. Chadbourne and W. H. Northrop.  
Secretary and Treasurer—R. J. Jones.  
Superintendent—T. Donlan.

**A Villainous Attempt.**  
A dastardly attempt was made to wreck the Atlantic Coast Line mail and passenger train as it neared Richmond last Sunday morning. The train is due in Richmond at about 6 o'clock and a few minutes before that time, as it was crossing the long bridge over the James river, between Manchester and Richmond, the engineer espied a heavy plant laid across the track, just about midway of the bridge. The engine struck the obstacle fairly and squarely and tore it into fragments, fortunately without leaving the track. There was considerable excitement but no danger was done. There was a number of Wilmingtonians on board at the time and it is from one of these, who has returned to the city, that we learn of these facts. At last accounts there was no clue as to the identity of the villain who attempted this outrage. It was a fortunate and providential escape as but few would probably have lived to tell the tale had the train left the bridge at that point.

**Wilmington Light Infantry.**  
The meeting of the Wilmington Light Infantry, held at their Armory under the City Hall building last night was very fully attended, nearly every member of the corps being present. The purpose of the meeting was to elect officers to serve for the ensuing year. Capt. R. H. Beery, who had served the company so faithfully for the past year, declined a re-election and he was made an honorary member and placed on the list of reserves. A ballot for Captain was then taken which resulted in the election of Col. J. T. Anthony to be Captain. When informed of his election Col. Anthony entered the Armory and expressed in fitting terms his appreciation of the honor conferred upon him by electing him to the command of a corps whose record had become historic. He stated that he had recently been elected Colonel of the fourth regiment of the North Carolina State Guard and that, if his resignation of that position would be accepted, he should be proud to take command of the corps which had honored him. Pending action upon his resignation of Colonel, he, as a detached officer, will take command of the Infantry.  
Second Lieutenant J. C. Morrison was promoted to be First Lieutenant, vice W. C. Jones, recently promoted to be Colonel. Ensign F. A. Lord was promoted to be Second Lieutenant, vice J. C. Morrison, promoted. Corporal R. L. Allen was promoted to be Ensign, vice F. A. Lord, promoted. Dr. W. E. Storm was elected Surgeon and Rev. J. Carmichael, D. D., was elected Chaplain.

**CIVIL OFFICERS.**  
The following civil officers were then elected to serve for the ensuing year:  
Chairman—W. E. Storm.  
Assistant Chairman—W. S. Briggs.  
Secretary and Treasurer—M. N. Harris.  
Finance Committee—Geo. D. Parsley, H. Cronenberg and D. T. Cronly.  
Committee on Applications—J. L. Cantwell, F. A. Lord and H. H. McIlhenny.  
Four members were admitted and the company is in a most flourishing condition.

**Not at Present.**  
It has been rumored upon the streets for several days that the Cornet Concert Club intended going to Charlotte to repeat the concert which was recently given here with so much success. The plan has been to have all those who participated in the concert here, both instrumentalists and vocalists, attend, but we learn that the idea has been found to be impracticable at present. They may possibly be able to go at some future day, and we hope that they may make it convenient to visit Charlotte and give her citizens an entertainment, showing what the musicians of Wilmington can do. The talent that was displayed at the last concert here was excellent, and we are confident that few cities in the South can furnish an amateur musical entertainment of superior merit. There is not a doubt that the good people of Charlotte would generously appreciate the efforts of the Club, and would give them a rousing house and a cordial reception.
