The Daily Review.

JOSH. T. JAMES. Editor & Prop WILMINGTON. N. C.

TUESDAY, JANUARY 13, 1865.

Entered at the Postoffice at Wilmington, N. as second-class matter.

Gen. Grant, in his paper on "Shiloh. written for the February Century. scouts the idea that his army was in a defenceless condition at the close of the first day of the battle. He says that before any of Buell's troops had taken position he bad given orders to his division commanders to attack at daycapture of Gen. Prentiss as certainly and in a milder climate, when he can after 4:30 o'c'ock in the afternoon, as take open air exercise." he bimself was with Prentiss at that bour, "when his division was standing up firmly, and the General was as cool as it he had been expecting victory."

Editor McClure telegraphs the Philadelphia Times as follows: "Two months hence the new President will ay the foundation for a practical, business-like revision of the tariff by the selection of his Cabinet, when the true theory of a revenue tariff with d scriminations in favor of all general productive industries, with reduced taxation as far as possible on all the necessaries of life, with enlarged free raw materials to cheapen our products, and with every monopoly feature of the tariff effaced from our revenue laws, will be presented to the people. I regard the prospect for a safe, business-like revision of the tariff by the next Congress is dead, -Blizzard. as better to-day than it has been at any time in the last ten years, and if the barber, as he shaved the upper lip of a new Administration shall meet the youthful customer. - Boston Transcript, pressing wants of the country by ar adjustment of the tariff that will reduce revenues to the standard of the neces sities of the Government, without shock to the great productive industries of the nation, it will be exceptional in modern political history in command

does not appear to be having a wholly erjoyable time of it. In the country complaint or similar ills. her houses have been wretched, and only on Sunday nights, when she has played in large cities, have her receipts amounted to much. The young woman is now under engagement to Harry Miner, who is talking about putting ber into comic opera, now that the concert scheme is about worked out. During these complications her husband is developing some singular to be the most juveterate joker in Contraits. The other night, in Springfield, Mass., which, in point of good hotel times before, the Arkansan sends him accommodations, is one of the best cities of New England, Mr. Schelling made a row of very large proportions because the best in the house was not good enough for him. The report is correspondence always use it. But directions the ex-coachman has begun tists do not like to figure before the to show a lordly and high-priced dis- lected that of Irving withou; a thought with him. The amusing part of it is that a man who has spent much of his life in stable quarters should find it difficult to see the advantages of firstclass hotels, and the only plausible explanation which presents itself is that tea without the knowledge of the person Mr. Morosini must have kept his coachman a good deal better than is the general custom.

The total amount of money appropriated by the Blair bill, as it passed out their knowledge, and to-day believe the Senate, is \$77,000,000, to be distributed over a period of eight years, its administration. Cures guaranteed. as follows: The first year \$7,000,000 Circulars and testimonials sent free. the second year \$10,000,000, the third year \$15,000,000, the fourth year \$13,-000,000, the fifth year \$11,000,000, the sixth year \$9,000,000, the seventh year \$7,000,000, the eighth year \$5,000,000. The sums so appropriated shall be paid out in the several States and Territo- hood, &c., I will send a recipe that will ries" in that proportion which the whole cure you, FREE OF CHARGE. This number of persons in each who, being great remedy was discovered by a misof the age of 10 years and over, cannot write, bears to the whole number of T. Inman, Station D, New York City. such persons in the United States." and the apportionment is required by the terms of the bili to be made "according to the census of 1880."

The total number of persons in all the States and Territories, "who, being of ELECTRIC APPLIANCES on trial, for the age of ten years and over, cannot thirty days, to men (young or old) afflicted with nervous debility, loss of write," is, according to that census. 6,-239,958. The amount to be distributed troubles. Also for rheumatism, neutherefore, in eight years, under the ralgia, paralysis, and many other disterms of the bill, is about \$12,33 for

class described in the Southern States, Alabama, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Missouri, North Carolina, South Caros oney by buying appropriated for all the States and Ter-

The Washington correspondent of be Philadelphia Times says: 'The family of Chief Justice Waite feel deeply the absurd rumor that Mr. Waite is paralyzed, and say that, while his conva'escence is tedious, he is daily gaining ground. It was decided two weeks before Christmas that a change of air and long rest from judicial cares were necessary. His wife and daughter have since awaited a sufficient return of strength and interest so as to decide on the journey. The destination is left entirely to Justice Waite. His eldest son in Ohio, who was here during the first serious phase of the illness, is telegraphed daily his condition. The fam. break on the second day. Of the close | ily are naturally anxious, as it is his first of the first he says; 'Gen. Lew Wal silment since coming here, eleven years lace arrived after firing had ceased, ago. Miss Waite, who spends the
