

THE LEGISLATURE.

Continuation of Thursday's Senate proceedings.

Bill to secure the right of appeal to the people of the State, repealing the law requiring the printing of transcripts to be sent up to the Supreme Court, after some discussion was referred to the committee on the judiciary.

Messrs White and Taylor, (both colored Republicans) addressed the Senate in earnest advocacy of the resolutions endorsing Gov. Jarvis for a Cabinet position.

Messrs Guder, Alexander, Gatling, Pool and Means also spoke to the resolution.

Mr. King moved that the ayes and nays be recorded on the passage of the resolution, in order to get a full expression of the Senate, which motion prevailed, and the resolution was adopted by a unanimous vote—ayes 41, nays none.

On motion of Mr. Means it was ordered to be sent to the House without being engrossed, and the clerk was instructed to send an accompanying message stating that the resolution passed the Senate without a dissenting vote.

HOUSE OF REPRESENTATIVES.

THURSDAY.

Senate resolution endorsing Mr. Thos. J. Jarvis for a cabinet position, was, on motion of Mr. Womack, put on the calendar.

Mr. Loeckey, (Rep) was the first to favor the bill. He spoke emphatically for it, and was cheered heartily. He endorsed it by reason of State pride. Mr. Bulla (Rep) followed in the same hearty way, not regarding politics but looking at it as a North Carolinian.

Mr. Henderson (Rep.) said that Mr. Jarvis had made one of the best governors North Carolina ever had; he endorsed it. Mr. Thorpe (col. Rep.) followed to the same purpose. Mr. Cale (col. Rep.) followed with the same spirit.

Mr. Robinson, of Macon, said in favoring the resolution that he had been perhaps more intimately associated with Mr. Jarvis than any other man.

The following bills were introduced by consent.

Mr. Aycock, to incorporate the Goldsboro Banking and Loan Association. Mr. Norris, to amend section 2834 of the Code, regulating time of killing birds.

Bill to prohibit selling liquors within two miles of Lebanon church, Sampson county—passed its second, third readings.

SENATE.

FRIDAY.

Lieut-Gov. Stedman in the chair.

Mr. Simmons, to provide for cleaning out certain canals in Hyde and adjoining counties with convict labor; Mr. Guder, to amend an act in reference to protection of schools and temperance societies by same bill to amend certain sections of the Code relating to local option; by same, bill relating to the practice of medicine in this State.

Resolution to raise a joint committee to consider propriety of appointing a Rail Road Commissioner failed to pass.

Bill to amend Constitution of the State was tabled.

Bill to amend section 2058 in relation to gates across highways, passed its several readings.

HOUSE OF REPRESENTATIVES.

Mr. Tate—for relief of sheriffs and tax collectors; Mr. Womack—to amend sec. 1789 of Code, in reference to change of time with in which action may be brought by creditor of deceased person after personal notice; Mr. Mayo—to incorporate Grand Lodge, Knights of Eden, of North Carolina; Mr. Jones, of Buncombe—to amend public school law; Mr. Chappell—to amend sec. 2799 of Code, relating to sufficient fences; Mr. Tate, by request—bill in relation to civil actions before justices of the peace.

Relief of indigent disabled soldiers, by special order. Mr. Thompson offered a new sec. 2 to make unmarried indigent widows eligible to benefits of bill.

When the amendment came to a vote—were recorded: Adams, Allen, Bell, Bellamy, Brim, Brown, Burton, Busbee, it was carried by a large majority.

Most who voted against (as Mr. Jones, of Buncombe, and Mr. Robinson of Macon.) explained that they would heartily support separate bill for widows.

IN CONGRESS YESTERDAY.

SENATE.

WASHINGTON, Jan. 23—Mr. Garland, from the committee on the Judiciary, reported favorably, and the Senate passed, a bill removing the political disabilities of Gabriel H. Hill and J. Pembroke Jones, both of Virginia.

The Chair laid before the Senate Mr. Vest's resolution, heretofore offered, to authorize the Secretary of the Interior to ascertain upon what terms the Creek and Seminole Indians would surrender their remaining interests in the Oklahoma lands.

Mr. Vest amended the resolution so as to include the Cherokee nation in the inquiry.

Mr. Plumb offered a substitute for Mr. Vest's resolution.

A general debate upon questions of Indian policy followed, principally between Messrs. Vest, Plumb, Conger and Ingalls. Finally the resolutions of Mr. Vest and Mr. Plumb were referred to the committee on Indian Affairs.

HOUSE OF REPRESENTATIVES.

Mr. Hurd, as a privileged question, offered a preamble and resolution, reciting that certain bills appropriating money from the Treasury, originating in the Senate, are now on the Speaker's table, to wit: the Blair Educational bill and many others; and that it is asserted that these bills are in violation of the privileges of the House to exclusively originate bills for raising revenue, and directing the Judiciary com-

mittee to inquire into the power of the Senate to originate bills appropriating revenue, and report to the House at any time.

Mr. Cox, of N. C., while maintaining the right of the Senate to originate appropriation bills, spoke a good word for the Blair Educational bill. Mr. Hurd's inquiry resolution was unusual and an extraordinary one. The aim it had in view was to call in question the constitutionality of the Educational bill. The point would have been better made against some bill less worthy than this. From month to month he had been trying to get action on this bill, which under the infamous system of House rules was buried on the Speaker's table.

Mr. Willis moved to lay the motion on the table. Agreed to—yeas 127, nays 123.

Before the announcement of the vote Mr. Warner, of Ohio, changed his vote from the negative to the affirmative, for the purpose of moving a reconsideration. The motion to reconsider was tabled—yeas 141, nays 113.

Mr. McMillan, of Tenn., moved that the House go into committee of the Whole on the private calendar. He was antagonized by Mr. Townsend, of Ill., with the Mexican Pension bill, and the motion was lost.

The House then took a recess until 8 o'clock, the evening session to be for the consideration of pension bills.

STATE NEWS.

Tarboro Southern: Mr. J. K. Harper killed this winter from one sow 2,007 pounds of meat. From the same sow he now has for next season (or barbecues) 10 30-pound pigs, outside of his expectations.

Chadbourne Times: Mr. J. H. Chadbourne has contracted to deliver at the State line, where his road will reach very soon, 200 tons of guano this spring. This looks like business. This road will get the shipping of that whole section hereafter. The turpentine business in Horry county is exhausted and the people are turning their attention to agricultural pursuits, which will be greatly increased by the railroad facilities. If the people of that section will make the proper effort, (which they will, we think,) the road will be at Conway at no distant day.

Chatham Record: The number of sudden deaths that have lately occurred in this county is quite remarkable, and we may say alarming. This week we regret to announce the death of Mr. F. F. Ellington, of New Hope township, which occurred last Monday morning. He appeared to be in his usual health and was preparing to come here to attend court. He had put the saddle and bridle on his mule, and had gone into the house and was standing before the fire pinning on a shawl when suddenly he dropped dead. The deceased was about 70 years old and was much esteemed by all who knew him.

Asheville Advance: Intelligence was received here yesterday evening of the sad death of Dr. James Craigmiles, of Marshall, which occurred yesterday morning about 4 o'clock, caused from taking a dose of carbolic acid through mistake. From the information we have received the facts are as follows: Dr. Craigmiles went to his room on Tuesday morning, and intending to take a dose of Jamaica ginger, which with other drugs was on the mantelpiece, took a heavy dose of carbolic acid. Discovering his mistake he endeavored to go down the stairs when he fell, which attracted the attention of others in the house who came to his relief. As soon as the situation was understood, a physician was sent for but the unfortunate young man, after suffering the most excruciating pain, died yesterday morning about 4 o'clock. He has many friends and relatives in this city, with whom we deeply sympathize in their sorrow and bereavement.

News and Observer: An attempt was made Tuesday to burn the bank at Greensboro; kerosene being used by the incendiary. It is reported that work on the Spartanburg & Asheville railroad, that "missing link," will be resumed in a few days.—The friends of Mrs. Margaret Mordcaid will be glad to learn that she has returned to the city, with her eyesight fully restored.—Yesterday Governor Seales had many callers. He was in his office nearly all day. He made, of course, a most pleasant impression upon all callers.—Lt. Governor Stedman presided with easy grace and dignity over the Senate yesterday. He at once impressed the Senators as being an admirable officer.—The visitors to the inauguration yesterday left by the hundreds. To show how large the crowd was, Mr. Raney said to a reporter that Wednesday night there were over 400 persons at the Yarboro.—Yesterday morning the officers and employees of the A. & N. C. railroad, through Col. John D. Whitford, its president, presented Governor Jarvis with a magnificent watch, chain and seal, the former of North Carolina gold; the latter a North Carolina gem.

At noon in the treasurer's office Gov. Jarvis presented treasurer Worth with a very handsome gold-headed cane. The cane was given by Messrs. D. W. Bain and H. M. Cowan, so long clerks in the treasurer's office. The presentation was an impromptu affair; and treasurer Worth was taken by surprise. Governor Jarvis' speech was full of feeling, and that of Dr. Worth in accepting the handsome gift, though short, was equally so.

Popular! Popular!

Of course. The word comes from every direction. Any political candidate who has done as much good as Brown's Iron Bitters has, will be so popular that he will be sure to run in with an immense majority. Dr. H. L. Battle of Wadley, Ga., says: "Brown's Iron Bitters is very popular in this section." Nobody finds this valuable tonic anything short of crowning success. It cures dyspepsia, indigestion, weakness, etc.

Itching Piles—Symptoms and Cure.—The symptoms are moisture, like perspiration, intense itching, increased by scratching; very distressing, particularly at night; seems as if tiny worms were crawling in and about the rectum; the private parts are sometimes affected. It allowed to continue very serious results may follow.

"SWAYNE'S OINTMENT" is a pleasant, sure cure. Also, for Hemorrhoids, Sore Head, Erysipelas, Barber's Itch, Blisters, all scaly, crusty skin diseases. Box by mail, 50c; 3 for \$1.50. Address, DR. SWAYNE & SON, Philadelphia. Sold by Druggists.

Mr. Hurd, as a privileged question, offered a preamble and resolution, reciting that certain bills appropriating money from the Treasury, originating in the Senate, are now on the Speaker's table, to wit: the Blair Educational bill and many others; and that it is asserted that these bills are in violation of the privileges of the House to exclusively originate bills for raising revenue, and directing the Judiciary com-

1,500 ACRES OF LAND! IN THE long leaf pine region. For sale on easy terms in lots to suit purchasers. Four acres for \$25. Larger tracts \$5 per acre. In monthly payments of \$10. This land adjoins the "Southern Pine," a recently established health resort (or sanitarium), and is especially adapted for Fruit Culture, as well as all the cereals. A number of New England people have bought lots in the town of "Southern Pine," and it is the desire of the owners of this land to induce small farmers, mechanics and others from the New England and Middle States, as well as elsewhere, to locate here. No State in the Union offers greater inducements to settlers than North Carolina. Nowhere can a better farming country or as fine a climate be found. This is the opinion of Northern men who have settled in North Carolina. This is a bona fide offer, and is limited.
