JACKSON & BELL.

JOSH, T. JAMES, Editor & Prop WILMINGTON, N. C.

TUESDAY, JANUARY 27, 1885. Intered at the Postoffice at Wilmington, N. C. as second-class matter.

Bradstreet's gives a very interesting

Indianapolis emphasize this point. which we may profoundly sympathize. At New Orleans the course of general of the year; Pittsburgh admits a somewhat better demand for groceries and dry goods. Detroit's commerce at this time compares favorably with last year at the corresponding period. while trade at Philadelphia is said to be improving with the influx of small orders. At Boston no branch of business is re-ported to be specially active except that his mother that if he would dry his reports of an improvement in the iron have a tooth extracted. trade appear to be confined to the West,

and sheet orders are mentioned. At a new and improved plan." Pittsburg the iron trade is the reverse of encouraging, and east of Ohio and north ures and all Urinary diseases. Nervous and of Maryland two-thirds of the entire the ribbon counter, but the landlady Physical Debility, Genital Weakness and all output of crude iron is being made at looked sternly at him, remarking: those untold miseries caused by Indiscretion present. The only change in the iron market reported is an advance at Pittsand body, Sore Throat and Nose, Scrofula, Old burgh in the price of nails of 10c. per Sores, Eczema, Tetter and all Blood and Skin keg. The condition of the anthracite diseases. Urinary diseases cured in 3 days. Coal trade is about what has been fore-Price \$3. Enc ose the money to FRANK STEVENS & CO., Baltimore, Md., and it will shadowed in these columns. The Pennbe sent by mail sealed. For sale by all drug-gists; sent by mail. For sale by all drug-july 7 d&wly join. Coal has been selling at \$3 alongjoin. Coal has been selling at \$3 alongside at New York (steam sizes) against Dr. Dodd's Nervine No. 2. an average of \$3.60 in 1884, and there WILL CURE NERVOUS, PHYSICAL wards of 50,000 tons of coal at auction, as in 1876 and in 1879. The New York Price \$1. mission houses report the demand from "Yes, sir." "Well, do you consider it wholesale buyers to be steady and to just the thing to announce that his fresh have extended over a wide range. Cot- eggs can't be beat; his cheese goes off ma, Itching sensation, Salt Bheum and all ton continued to decline during the earBlood and Skin Diseases, Urinary Diseases and ly portion of the week, but the decreas strictures speedily cured Price \$2

DR. HU-T'S FEM LE FRIEND ing receipts finally stiffened prices.— public?"

of its own accord, and his butter occupies a strong place in the regard of the public?" Kentucky tobacco is strong and active. Petroleum is dragging along at figures which are generally admitted to be low when all the features of the situation are considered. The interior demand for grocery staples has sustained a slight improvement, but is still behand the expectations of dealers. Sugar what it now is. Because experience is higher, and closes firm for raws.—
Coffee closes lower, and is weak. The consumptive demond for wool has been quers dyspepsia and a whole lot of a little more active, and the market generally is firm at unchanged prices. Cash wheat closes where it did a week ago at 95 c., after having lost 1 c. per bushel. The principal cause of the decline was falling away in the export and speculative demands. Cash corn loses 34c., closing at 53c. against 564c. a week ago. Indian corn has been in much better demand within a day or two, and visible supplies are small. The forward movement of wheat and corn from the northwest and west is heavier and promises to continue so. Provisions and hog products are weaker. The latter have declined in sympathy with grain and a light home and foreign demand. Hog receipts west have been smaller and prices therefore higher. There were 386 failures in the United Sta'es during the past week reported to Bradstreet's, as compared with 445 in the preceding week, and with 310, 289

> Canada had 30, a decrease of 7. The New York Herald is very positive and very emphatic in its denunciation of the miserable wretches, who under cover of the protection afforded them in this country, hatch their schemes to destroy innocent people. We copy here a portion of its article on

> and 205 respectively in the correspond-

ing weeks of 1884, 1883 and 1882 About

85 per cent were those of small traders

whose capital was less than \$5,000.

the subject: America has the utmost contempt for the dynamiters It knows them to be scoundrels. It knows them to be

ernment. If the Saxon cannot live with the Celt, we mark their ethnologi cal differences. If a law of repression is passed, we show where it might have been mitigated by an absence of prejudice. But when it comes to murder.

we take another point of view. Murder? Ay, the murder of inno cent travellers The murder of Americans enjoying their holiday abroad. The murder of tourists who have read of the Tower and of the Houses of Parliament, and who, on a Saturday, visit those monuments of English history. The murder of men who, taking their pleasure, become the victims of vile schemers making a pecuniary profit out of the ignorance of the lowest class

Do not let us mince matters. Let us admit right here that the brawl in Chambers street shows clearly enough where the headquarters of these base

The Daily Review. people of New York and of the United States in hoping that such cowardly scoundrels may be brought to justice It is no question of Irish independ-

ence. On that theme we are never wearied of giving our views. It is a question of dastardly assassination, and miasmatic situation, and it a moral law exists, if society is bound together by any other code than that of accident, we declare that this leprosy must be stamped out, now and for-

Socialism and anarchy have been the week which ended with last Saturday. It says:

The severity of the weather during the past week has exercised an unfavorable influence on general trade, as shown by special telegrams from centers West and Northwest. Bradstreet's shall not take as their reason of existing the week which ended with last Saturday and shall not take as their reason of existing the week which ended with last Saturday continues. From czars to ministers of police, from rulers on the throne to the meanest spies their. Before her time, from "Malarial vapors, though she made the Drawings of The Louisiana State Lottery Company, and in person manage and continuence on general trade, as shell not take as their reason of existing the monthly day of the Monthly and Semi-Annual Drawings of The Louisiana State Lottery Company, and in person manage and continuence on general trade, as shell not take as their reason of existing the monthly and Semi-Annual Drawings of The Louisiana State Lottery Company, and in person manage and continuence on particular complaint, not being of an anarchists shall live and thrive and batch their plots among us; and they shall not take as their reason of existing the monthly and Semi-Annual Drawings of The Louisiana State Lottery Company, and in person manage and continuence on general trade, as shall not take as their reason of existing the monthly that Monthly and Semi-Annual Drawings of The Louisiana State Lottery Company, and in person manage and continuence of the monthly and Semi-Annual Drawings of The Louisiana State Lottery Company, and in person manage and continuence of the monthly that Monthly and Semi-Annual Drawings of The Louisiana State Lottery Company, and in person manage and continuence of the monthly that Monthly the Monthly and Semi-Annual Drawings of The Louisiana State Lottery Company, and in person manage and continuence of the monthly that Louisiana State Lottery Company, and in person manage and continuence of the monthly that Monthly the Monthly that Louisiana State Lottery Company, an rampant abroad. The news of every advices from Cincinnatti, Omaha, and tence the troubles of any nation with

Let this be understood.
