The Daily Review.

JOSH. T. JAMES, Editor & Prop WILMINGTON, N. C.

WEDNESDAY, FEBRUARY 11, 1865. entered at the Postoffice at Wilmington, N. C. as second-class matter.

According to the Pharmaceutical Record, there is a turpentine farm near Live Oak, Florida, upon which five stills are operated, and work given to 250 hands. The farm includes 18,000 acres of land and produces annually 175,000 gallons of turpentine, and 14,

000 barrels of rosin.

The managers of the New Orleans Exposition have been forced to acknowledge finally that their load of debt is greater than they can carry. It is over \$3,000,000. The state Commissioners and exhibitors have, therefore, determined to apply to Congress for another appropriation.

Miss Mary Custis Lee, daughter of General Lee, visited the National Museum a few lays ago to look at the Washington relies there that she might identify those taken during the war from Arlington. The relics were in the Patent Office from 1861 to 1882, when they were removed to the National Museum. Miss Lee has a miniature of Martha Washington which was buried during how small my income is. Instead of the war. It is the one of which Mrs Washington spoke in a letter written the last year of her life.

against the occupation of Egyptian leaf. ports along the Red Sea by Italian forces. In reply Italy admits the claims of the Sultan to the sovereignty head does not materially injure the of the Red Sea, but declares that she has felt herself obliged to occupy certain ports in order to protect her Italsons. "Italy will," the reply concludes, refuge in a cellar. WILL CURE NERVOUS, PHYSICAL side with the Italian flag at every occu year and she tok a mathematical
