e of practical service to bush ess mgp. Its s, colal trade and todustrial r. ports; its week-United States and Canada, and the summaries of assets and liabilities, are alone worth the subscription price; its synopses of recent legal decisions are exceedingly valuable. As commercial transactives, in the wider sense, are coming to be more and more conducted on a statistical basis, the information contained in ERADSTREET'S is of the first importance toth to producers and middlemen.

The Trade and Agricultural Situation throughout the United states and Conada is reported by Telegraph to BRADSTREET'S up to the hour of publication

SINGLE COPIES, TEN CENTS.
