on record as evidence in the divorce
suit against her by Mr. Harry Braham.

Queen Victoria, says London Truth,
is as keenly interested in all the Stuart
relics as was Sir Walter Scott himself.

President Cleveland has purchased a
span of horses and returned, with
thanks, the span loaned him by Mr.
Arthur.

Sarah Bernhardt is again in very
poor health, and her speedy and per-
manent retirement from the stage is
predicted.

bonds to appear for trial for assault, has
been discharged from his \$2,200 sure-
ty in the Senate.

One of the smallest Congressmen,
physically, is Senator Spooner, of Wis-
consin, who weighs less than one hun-

More iron, steel, lumber, building
material and coal have been manufac-
tured or produced during the first three
months of 1885 than for the first quarter

Cardinal Newman has just celebrated

some little time ago were anxious
about his health.

Hon. Samuel J. Randall is quoted
thus: "The President has displayed
excellent judgment. He is carrying
out his well-known policy of avoiding
the persistent office seekers. They are

The N. C. Medical Journal.

The March number of this valuable
magazine has been received and is
fully up in excellence to any of its pre-
decessors. Among the many impor-
tant things contained in the number be-
fore us is the recently amended law
concerning the North Carolina Board of
Health and the law regulating the prac-
tice of medicine in this State. These
laws are works of legislation which
should be generally read and under-
stood, not only by the medical profes-
sion, but by those in non-professional
life as well. The law regulating the
practice of medicine in the State forms
the subject of a well considered editorial
article. The law itself is a wholesome
enactment, and one which will receive
the hearty approval of the faculty.

deceased. An inquest will be held on

Joint Meeting.

Pursuant to call a joint meeting of
the Board of Commissioners and Board
of Magistrates of New Hanover county
was held in the City Court Room, at
the City Hall, at 11 o'clock this fore-
noon, with W. W. Harris, J. P., in
the Chair. All of the commissioners
and twenty-five of the magistrates were
present.

The Chairman, upon calling the as-
sembly to order, stated the object of the
meeting and called upon Mr. H. A.
Bagg, Chairman of the Board of Com-
missioners, to make a statement to
those present of the matter of the con-
templated bridge across Smith's Creek.
Mr. Bagg, who is entirely familiar with
the necessity and plans of such a struc-
ture, made the necessary explanation,
after which quite a number of commu-
nications from parties from various sec-
tions of the county desiring to put in
estimates for the construction of the
bridge were read and discussed pro and
con.

The following resolution was then
offered and unanimously adopted:
Resolved, That the Justices of the
Peace, a majority being present, con-
cur with the recommendation of the County
Commissioners in the necessity of
construction of an iron bridge across
Smith's Creek, and hereby give to the
County Commissioners all the authority
vested in the Justices of Peace by law
for that purpose.

The Chairman of the Board of Com-
missioners stated to the meeting that
the County Commissioners had made a
levy for the county under schedules B
and C, and asked that the Board of Jus-
tices confirm the levy made, the same
being in accordance with the require-
ments of law.

By request the levy was read when
upon motion of Mr. H. A. Bagg, Chair-
man of the Board of Commissioners,
the tax levy made by the Board on the
23d of March, 1885, under the Revenue
Act, was confirmed.

On motion the meeting adjourned.

I CURE FITS!

When I say cure I do not mean merely to stop them
for a time and then have them return again. I mean a
medical cure. I have made the disease of FITS, EPI-
LEPSY OR FALLING SICKNESS a life-long study.
I warrant my remedy to cure the worst cases. Because
others have failed is no reason for not now receiving a
cure. Send at once for a Treatise and a Free Bottle of
my infallible remedy. Give Name and Postoffice. It
costs you nothing for a trial, and I will cure you.
