The storm signal was lying this morning.

There were no tramps at the guard house last night.

The receipts of cotton at this port to-day foot up 11 bales.

"Go to Dyer." "Get a suit" and save money. The best goods and a perfect fit.

The streets were quite dry this forenoon and the strong breeze carried the dust in every direction.

Steamboatmen report that there is just good, fair boating water, with nothing to spare, in the Cape Fear.

Very few of our country friends have been in the city this week. They are busy now putting in their biggest licks in the fields.

After two days hard struggle with sickness, we have succeeded in becoming "boss" of the situation and have returned to our accustomed place and work.

Some scamp broke into Mr. W. C. Farrow's junk shop last night by forcing an entrance through a rear window. His booty amounted to just four cents—enough to buy a short.

We welcome to our exchange list the Goldsboro Daily Argus, the first number of which is now before us. It is published by Mr. L. M. Nash, with Mr. Jos. E. Robinson as Editor, and seems to have opened the campaign auspiciously.

Indications.
For the South Atlantic States, local rains, generally colder weather, winds shifting to Northerly, higher, preceded on the coast by falling barometer.

Found.
The body of Neil Jessup, colored, who was one of the victims of the disaster to the steamer Wave, was found this morning floating in the Cape Fear at a place known as Mud Cut, a short distance above Point Peter. It was taken in charge by Coroner Jacobs. This was the last of the three who were lost by the bursting of the boiler of the Wave.

Grand Lodge of Odd Fellows
The Grand Lodge of North Carolina will meet this year in Wilson, on Wednesday, May 13th. Nath'l Jacobi, Esq., has been elected Representative of Cape Fear Lodge, No. 2, of this city, which is the oldest lodge in the State and formerly numbered on its membership the fathers of many of our citizens now prominent as merchants and in the professions.

Magistrate's Court.
George Lumsden, colored, was brought before Justice E. D. Hall this morning charged with the larceny of some clothing from one of the employes of the Carolina Central Railroad Co. As a part of the clothing was found upon his person and was fully identified, the defendant was required to give bond in the sum of \$100 for his appearance at the next term of the Criminal Court and was turned over to the custody of the Sheriff.

Easter Elections.
At the meeting of St. Mark's Episcopal Church, colored, held last night, the following were elected:
Vestrymen—H. D. Sampson, J. G. Norwood, J. O. Nixon, J. W. Holland, J. D. Sampson, Valentine Howe, J. D. Nixon.
Delegates to Convention—J. H. Davis, Valentine Howe, J. D. Sampson, J. O. Nixon. Alternates—W. J. Stewart, H. D. Sampson, C. W. Avant, Henry Francis Payne.

To Convention.
At a meeting of the vestry of St. James' Church, held last night, Dr. A. J. DeRosset and Mr. James Anderson were elected Senior and Junior Wardens, respectively, both reelections. The following gentlemen were chosen as delegates to the Diocesan Convention, which meets in Kingston May 13th, viz: Dr. A. J. DeRosset, Col. W. L. DeRosset, Col. Jno. W. Atkinson and Wm. Calder, with Col. James G. Burr, R. E. Calder, Clayton Giles and Capt. J. L. Boatwright as alternates.

We observe quite a fine display of new Revolvers for very reasonable prices, at Jacobi's Hardware Depot.

Special Tax in Pender

Following is the text of an act passed by the Legislature at its recent session providing for the levy of a special tax for the purpose of erecting necessary county buildings in Pender county, and for paying off the indebtedness of the county:

An Act to Levy a Special Tax:

SECTION 1. That for the purpose of building a county jail and buying a site and erecting the necessary buildings for a county poor house in the county of Pender, and to provide for paying the indebtedness of said county, the Commissioners of the county are hereby authorized to levy annually for a term not exceeding four years, a special tax on the property and the polls of said county of sixteen and two-thirds cents on the one hundred dollars' worth of property, and fifty cents on the polls, at the same time and in the same manner that other county taxes are levied. Provided, that the commissioners may apply the taxes collected under this act for the first two years to the erection of the buildings above mentioned.

Sec 2. That the taxes herein provided for shall be collected and accounted for by the sheriff, at the same time and under the same penalties and forfeitures as other county taxes.

Sec 3. That in order to ascertain the just debt of said county outstanding and due prior to the first day of January, one thousand eight hundred and eighty-five, and incurred for the necessary expenses of the county, E. A. Hayes, W. H. French, Edwin Fennell, Daniel Shaw and C. D. Sikes, be and they are hereby appointed a special board of audit on behalf of the taxpayers of said county, to audit, scrutinize and examine into all claims contracted before the first day of January, one thousand eight hundred and eighty-five, for the necessary expenses of the county. They shall elect one of their number chairman, and any vacancy occurring shall be filled by the remaining members. Said special board shall meet and organize within thirty days after the passage of this act, and shall post notice at two public places in each township, and at the court house door in said county, and if they deem necessary, advertise in some newspaper published in the city of Wilmington, notifying all persons holding claims against said county to present them, before the said board of audit. Said board shall meet monthly on the first Monday of each month, and shall continue in existence until the first Monday of July, one thousand eight hundred and eighty-five, and shall be allowed a compensation not exceeding two dollars per day and mileage. It will be their duty to compromise and settle, on such terms as they may think equitable and just, the claims aforesaid, by recommending the amount which should be allowed on each claim; and if the board of commissioners shall concur, they shall issue a warrant on the treasurer according to the provisions of this act. No warrant shall be issued without the concurrence of the special board of audit. Whenever a claim is presented to the board of audit, it shall be their duty to make inquiry concerning its origin and its consideration, and if in their judgment it ought not to be paid, they shall reject it, or they may recommend the payment of such part as they may think equitable and just; and if the creditor consents to receive a warrant for such claim, he shall surrender his claim in full, and the evidence of it whether in judgment, county warrant or otherwise, shall be cancelled or marked satisfied. No claim shall be allowed for more than its par value; and no interest shall be allowed on any claim. No creditor who shall refuse to receive warrants on the terms recommended by the special board of audit in liquidation of his claims shall be entitled to any part of any fund that may be raised by the special taxes provided for in this act.

Sec 4. The board of Commissioners shall have prepared a book of warrants on the treasurer of the county, with stub attached to each warrant, and shall cause to be written or printed in letters on each warrant and each stub the words "old debt." No warrant shall be issued for the said indebtedness except from the book specially prepared for this purpose; and the commissioners shall require their clerk to keep a correct record of every claim allowed and every claim rejected by the board, together with the amount of each claim so allowed or rejected. The record of such claims shall be kept in the office of the register of deeds, and shall be open to the inspection of any citizen as other public records of the county; and for this service the register shall receive such compensation as the board of commissioners shall deem equitable and just.

Sec 5. That if a majority of commissioners and magistrates of said county think it unnecessary, or for good cause, inexpedient, to levy the special tax provided for in this act, they may decline to make the levy for any one year.

Sec 6. That this act shall be in force from and after its ratification.

In the General Assembly read three times and ratified this the 21st day of February, A. D. 1885.

City Court.

Sam Patrick, colored, charged with committing an intolerable nuisance on North Water street, was brought before the Mayor this morning to answer to the complaint. The offense was proven and the defendant was required to pay a fine of \$50.

Adeline —, colored, was evidently insane and was sent below until the proper medical examination could be held before sending her to the asylum.

Memorial Marshal.

Capt. James I. Metts has been invited by the Ladies' Memorial Association to act as Chief Marshal on Memorial Day, and we are pleased to learn that he has signified his acceptance of the honor and duties. A list of his aids will be announced in a few days, after a conference with the ladies.

Religious Items.

There was a large congregation at the First Baptist Church last night and a good deal of fervor was manifested. Rev. H. W. Battle, of Wadesboro, preached an eloquent sermon, and the services throughout were of unusual interest. At the conclusion of the sermon about a dozen of the congregation desired prayers in their behalf. The meetings will be continued during the week and will be held at 4 o'clock each afternoon and at 8 o'clock each night.

Roller Skating.

As will be seen by advertisement elsewhere in this issue the prices of admission to the Opera House skating rink have been reduced to 15 cents for a single ticket, and 25 cents for a ticket admitting a lady and gentleman. Cheap enough! Mr. Willson, the manager, has been at considerable expense in making preparations for this kind of sport for our young people and we hope that he will have a patronage sufficient to remunerate him for the outlay.

Not Pleasant.

We suppose there are men who can maintain their equanimity of temper under any and all circumstances, and when we see a man's hat blow off and travel off on its brim, effectually evading the attempts of the owner to capture it, until he becomes tired, disgusted and gives up the chase, we cannot help thinking that he is angry. He may not indulge in broken and forbidden remarks, but he does not feel kindly and when the grinning small boy returns it to him he is hardly in a frame of mind to appear extremely thankful for the favor.

Personal.

Maj. C. M. McClannay was in the city today.

Lt. Gov. Stedman has returned to the city from a flying business trip to some of the Northern cities.

Maj. O. W. Sadler, Superintendent of Division of the Southern Express Company, was in the city yesterday.

Mr. D. A. Culbreth, one of the proprietors of the Clinton Caucasian, was in the city to-day and gave us the pleasure of a visit this afternoon.

Mr. J. R. Williams, of Raleigh, for some years past Cashier in the Southern Express Office in that city, has arrived here and taken charge of the office at this place, vice Mr. E. A. Brown, promoted. Mr. Williams comes to us with excellent endorsements and we welcome him to Wilmington.

Some Express Changes.

Some changes in the Southern Express business at this place have been inaugurated in the past few days. Mr. J. R. Williams, of Raleigh, has been appointed Agent at this place, vice Mr. E. A. Brown, who has been appointed to a higher position, that of Route Superintendent on the Atlantic Coast Line. This is the line recently held by that clever gentleman, Mr. Robert Mayo, who has been transferred to the same position on the Seaboard system, which embraces all of the Robinson roads, including the Carolina Central. Mr. Mayo's headquarters will be in Raleigh.

Mr. Brown enters at once upon the discharge of the duties of his new position and we are glad to know that his headquarters have been established in this city.

Accident to Mrs. Kennedy.

We regret to learn of a severe accident which betel that venerable and beloved lady, Mrs. C. G. Kennedy, at her residence in this city last evening. She was descending the staircase and had reached the bottom, with but one step more to pass, when thinking that there were no more to be passed she stepped forward, as though on the floor, and fell in a heap at the foot of the stairs. She was quickly raised when she said that her right shoulder-blade was broken, as she plainly heard the bone snap. On investigation this was found to be the case.

We are pleased to learn that Mrs. Kennedy's condition is now comfortable, so much so, indeed, that she came down as usual this morning and joined the family at breakfast. Her injuries are, however, very serious for one of her advanced age (she is over 80) but the physicians think that with perfect care and quiet the bone may heal.

Fire at the Sound.

About half-past 3 o'clock this morning Mr. H. M. Bowden's boat house, at Wrightsville Sound, was discovered to be on fire, and before assistance could be obtained it was consumed, together with two boats, one of which belonged to Mr. Bowden and the other to Mr. Owen Fennell. It is not known how the fire originated, but it is presumed to have caught through the carelessness of some oystermen who had fires on the beach, the sparks from which were carried by the wind to the building.

Death of a Venerable Lady.

Mrs. Mary Houston, widow of the late Mr. George Houston and mother of Mr. Robert M. Houston and Mrs. Samuel Northrop, of this city, died last night at the residence of her son, on the corner of Third and Ann streets, in the seventy-first year of her age. The deceased had been sick about ten days. She has led a good, pure and christian life and although she had lived out the years allotted for mortals, her death will cause a deep void in the hearts of many who knew and loved her. Her obsequies were held at 3 o'clock this afternoon at St. James' Church; thence her remains were taken to Oakdale Cemetery for interment.

A Pleasant Surprise.

There was quite a gathering last night at the residence of Mr. Charles H. Robinson, on the corner of Front and Nun streets, which had assembled to manifest their appreciation for, and take their leave of, Rev. Joseph R. Wilson, D. D., previous to his departure for his new sphere of usefulness. The meeting was entirely informal, but there was a pleasant episode on the occasion which took Dr. Wilson entirely by surprise and one which will undoubtedly make a lasting and tender impression upon his memory. This episode was the presentation to Dr. Wilson of a beautiful gold-headed cane by the ruling elders of the church over which he has for so many years been the beloved pastor. On one side of the head of the cane was inscribed, Rev. J. R. Wilson, D. D., and on the other was inscribed "From the Ruling Elders of the First Presbyterian Church, Wilmington, N. C." and on the end was the date "April, 1885." The presentation speech was made by Mr. George Chadbourne and was most happily and felicitously conceived. Dr. Wilson responded in appropriate terms in which he manifested much tender feeling at the agreeable and entirely unlooked for surprise which had been prepared for him.

The Governor of North Carolina said to the Governor of South Carolina: "Sir, the best remedy in the world is Dr. Bull's Cough Syrup" and the latter seconded the assent.

All in need of a Canary or Mocking Bird Cage, will do well to call at J.A. Cobb's Hardware Depot, and examine his large and fine stock.
