There was no City Court this morning.

There were no tramps at the guard house last night.

Only 3 bales of cotton were received at this port to-day.

The sound of the saw and the hammer is still heard in the land.

Rev. L. C. Vass will preach at the Second Presbyterian Church to-night.

The Suits made by Dyer at \$25 surpass any other in this city. Go and see them.

The weather to-day has somewhat resembled the Spring-time, Gentle Annie.

Spring lamb is the delicacy now in the market. Green peas are plentiful in Florida.

We yesterday saw figs on a tree in this city which are as large as the end of your thumb.

Severe colds are quite prevalent, and we are having just such weather as to encourage them.

Vegetation, notwithstanding the unfavorable weather, is coming forward wonderfully well.

Real estate seems to be looking up slightly hereabouts. It has been "down in the mouth" for a long time.

May Day falls this year on Friday, a good thing for the juveniles, as it will give them two holidays together.

The ice men would probably be willing to pool profits with the coal dealers for the months of March, April and May of this year.

According to Turner's Almanac we are not to have any warm weather yet—while. It predicts "cold, with showers" for May 8th.

Wizard Oil cured you. Wizard Oil is sold from the carriage under an absolute guarantee. "All it costs is a dollar a bottle."

The best white shirt on the market. A very large lot to select from at 75c, at the Wilmington Shirt Factory, No. 27 Market street, J. ELSBACH, Prop. tf

Prof. Sanders, who has been organist with Dr. Gardner, Manager of one of the Wizard Oil Concert Companies, for several years, will join the Company here to-night.

The complaint from the farmers is that they are fearfully behind with all kinds of crops, owing the late season. But they are pushing ahead with vim and energy to recover lost ground.

May Day celebrations this year will have to be postponed until later in the month, unless there is a revival of business in the flower interest within the next ten days.

Rev. W. H. Battle preached a sermon last night of much power at the First Baptist Church. There was a large congregation present and the impression produced by the discourse was profound. The meetings will be continued during the week with services at 4 p. m. and at 8 p. m.

**Knights of Honor.**  
Carolina Lodge No. 434. Regular meeting this evening at 8 o'clock. Fall attendance desired.

A druggist in New Richmond, O., Mr. E. J. Donham, writes us the following: "I consider Dr. Bull's Cough Syrup one of the very best things made. I use it altogether in my own family and can therefore recommend it."

The Passport will make her Summer schedule just as soon after May 1st as the state of the weather will justify. It will not take long to get her good clothes on.

Now is the season for painting your houses. Go to JACOB'S Hardware Depot and buy your paints, if you want to save money.

Wizard Oil cured Dyspepsia! Do not continue to suffer when one dollar, invested in Wizard Oil, will provide you with a certain remedy.

**Musical.**  
Mr. John Egan, representing the organ building establishment of Messrs. Hook & Hastings, of Boston, Mass., was at work to-day upon the organ of St. James' Church, taking it partially to pieces in order to make some additions and improvements of which it is in need.

**Decorated.**  
The Nor. barque *Naja*, Henriksen which lies on the West side of the river, just opposite the Custom House, was gaily festooned with flags to-day. It was with considerable difficulty that we learned the occasion of the display of bunting, but finally ascertained that it was in honor of the birthday of one of the stevedores.

**Corporators' Meeting.**  
A meeting of the corporators of the Wilmington, Onslow & East Carolina Railroad will be held to-morrow, Tuesday, morning at the City Hall at 11 o'clock.

The presence of all the corporators is desired, as this meeting will put the ball in motion and secure the early building of the road. Citizens are invited to attend.

### A FAIR TEST!

We have a standing offer to donate \$1,000 to any charitable institution in this city; if \$100 worth of goods selected from our various departments, viz:

Clothing for Men, Boys and Children, Gents' Furnishing Goods, Hats and Caps,

are not sold from TEN TO TWENTY PER CT. LESS than than the identical goods can be had elsewhere.

We have saved our customers many dollars when they have taken the time and trouble to compare our goods and prices with those of our competitors. It is very gratifying to know that our trade has increased, which goes to show that, notwithstanding the new competitors we had to contend with, the people prefer rather to buy where the best goods can be had for the least money. The secret of our success is the good and honest quality of our goods and fair and upright dealing with our customers. Every garment exactly as represented or the money refunded.
