

THIS PAPER published every evening, Sundays excepted by JOSH T. JAMES, EDITOR AND PROPRIETOR. SUBSCRIPTIONS POSTAGE PAID: One year \$4.00, Six months \$2.50, Three months \$1.50; One month, 35 cents. The paper will be delivered by carriers free of charge, in any part of the city, at the above rates, or 10 cents per week. Advertising rates low and liberal. Subscribers will report any and all failures to receive their paper regularly.

THE DAILY REVIEW.

VOL. IX. WILMINGTON, N. C. WEDNESDAY, MAY 6, 1885. NO. 104.

PLEASE NOTICE. We will be glad to receive communication from our friends on any and all subjects, general interest but The name of the writer must always be attached to the Editor. Communications must be written on one side of the paper. Personalities must be avoided. And it is especially and particularly understood that the Editor does not always endorse the views of correspondents unless so stated in the editorial columns.

The Daily Review has the largest circulation of any newspaper published in the city of Wilmington.

The first sign of the decadence of the roller-skating craze has come. The Niagara rink, of Massillon, O., has gone into the hands of a receiver.

At a recent meeting of the Statistical Society, in London, Sir R. Temple read a paper combating the statements as to the number of the population of China, and estimating it at 297,000,000.

The farmer king of Alabama is Bragg B. Comer of Barbour county. He raised 2,250 bales of cotton last year, besides a large amount of corn. He has from 8,000 to 10,000 acres in cotton and corn this year, and says crop prospects were never better.

Thirteen must be a lucky number. John Bennett, of West Fairfield, Pa., died of consumption at the age of 60, leaving a family of thirteen children. All are alive and well to-day, the oldest being 87 and the youngest 60. Sickness has never troubled the family.

The average strength of the European troops in India in 1853 was 55,525, among whom the death rate was but 10.88 per 1,000. The native army showed an average strength of 114,830, with a death rate of 14.31. The most diseases for the Indian troops were those of the respiratory organs.

The Indian Medical Gazette records the deaths of seven shepherds in the Belgaum district from being struck by hailstones of the size of coconuts. A large number of animals were killed by the storm, which, from the accounts, produced missiles quite as dangerous as the Russian cannon balls.

Washington is likely to get mixed about names. There are Dan Manning, of New York, and Van Manning, of Mississippi; Lamar, of the latter State, and Lamont, of New York; Viele (pronounced Vealy), a Representative from New York, and Vilas (pronounced Vil-as) the Postmaster General.

The Earl of Selkirk, whose title has become extinct by his death lately at St. Mary's Isle, Scotland, was son of the founder of the Selkirk Settlement in Canada. Paul Jones once dropped down on St. Mary's Isle and carried off the family plate while the Earl was away. It was recovered, and the family have it to-day.

A London paper points out that the strength of the British army lies largely in voluntary enlistment, which gives fighting men for fighting and leaves the rest for peaceful pursuits. In England it has always been found that a rumor of war brings any number of recruits needed, whereas the United States are full of men who have left their country to avoid the army.

The present Duke of Bedford, head of the house of Russell, who is held up in a rather unpleasant form just now by the London press, is a confirmed cynic. There is no member of London society who says so many good things, who is the author of so many biting quips, or who impresses one with a deeper notion of his disbelief in human nature generally.

At the recent sale of the cellars of the late Earl of Wilton, at Egerton Lodge, Melton Mowbray and Grosvenor square, London, the prices realized may seem rather startling to American eyes. Some Chateau Lafittes brought from \$1 to \$44 a dozen bottles, and the Perrier Jonet champagnes of the vintage of 1874 sold up 410 shillings. This is equivalent to \$102 a dozen, or \$8.50 per bottle.

Among the signers of the remonstrance sent to the Massachusetts Legislature against the further extension of suffrage to women are President Elliot and eleven professors of Harvard, Bishop Paddock, the Rev. Henry M. Dexter of the Congregationalist, and over fifty other clergymen, Thomas Bailey Aldrich, John Boyle O'Reilly, William Endicott, Jr., O. B. Frothingham, Alexander H. Rice and Henry Cabot Lodge.

Elias Bisharah Fawwaz, a Syrian, thirty-three years of age, and a subject of the Sultan of Turkey, has just put upon record in Philadelphia his intention of becoming an American citizen. The Record of that city says: "Mr. Fawwaz is the first one of the Sultan's subjects who has ever renounced his allegiance in the Courts of this country. His signature to this declaration was scarcely distinguishable from ordinary shorthand."

Among the present English Ministers there is only one ex-journalist, Sir William Harcourt Mr. Courtney, who only recently retired, was a leader writer on the London Times. Nearly every member of the French Ministry, on the other hand, has been a journalist.

One of the most splendid collections of armor is that of Mr. Stitter, an Englishman, at Florence. It is mounted with great taste in a vast hall. He estimates that for twenty-seven years he has spent at the rate of £23,000 a year on it. He means to leave it to the city of Florence.

The municipal elections in this State all passed off quietly enough on Monday last. Gadsboro, Raleigh, Durham, Greensboro, Statesville, Salisbury, Shelby, Concord, Winston and Hickory all elected Democratic administrations. In Charlotte, there was a bolting Democrat in the wood pile and hence Col. Wm. Johnston, Republican, was elected by 41 majority. It is said not to have been a party contest, however. The Board of Aldermen is Democratic. The following gentlemen were elected Mayor elsewhere: Benj. F. Long at Statesville; E. B. Neave at Salisbury; W. L. Dameron at Shelby; W. G. Means at Concord; Samuel H. Smith at Winston; J. G. Hall at Hickory;—Freland at Durham. Other towns and citizens elect the Mayor by the Board of Aldermen.

The Boy Clipper Plow has earned a reputation of being the best ever used and are pronounced perfect by the best farmers. Sold wholesale and retail at the factory agency, JACOB'S Hardware Depot.

The Atlantic Coast Line. On Saturday last we announced the fact that the Atlantic Coast Line had purchased a controlling interest in the Richmond, Fredericksburg & Potomac R. R., a link in their great system which they had long desired. The publication was made on the same day in the Baltimore Sun, the Richmond Dispatch and the Wilmington Review and in no other papers, North or South.—The following, clipped from the Sun, will give some of the preliminaries of the purchase: Yesterday the Richmond, Fredericksburg and Potomac Railroad was acquired by the purchase of a majority of the stock by the Atlantic Coast Line. The negotiations, which have been in progress for some time, were concluded in Philadelphia through Mr. Wm. T. Walters, of Baltimore. The entire controlling interest of Mr. Moncure Robinson and his friends (father of Mr. John M. Robinson, of the Seaboard and Roanoke and Bay Line Companies), was bought out. The road is eighty miles long, and formerly connected at Aquia Creek with the Potomac steamers. Since the building of the line from Alexandria to Quantico, ten or twelve years ago, however, the Potomac steamers have not been regularly used, and through travel and business went by rail via the Richmond and Fredericksburg Road. The acquisition of this important link, therefore, completes the Coast Line system unbroken from the South to Quantico, thirty miles South of Washington, where they connect with the Pennsylvania Railroad, with which they are in entire harmony and have the most intimate interchange of relations. The acquisition also completes the line from the great lakes and New York to Tampa, Florida, on the Gulf of Mexico, from which point the new line to Havana by steamers will depart, making its shortest possible line. To both the Pennsylvania Railroad Company and the Coast Line the control of the eighty miles link just acquired is an important consideration.

The Atlantic Coast Line is composed now of the Richmond, Fredericksburg and Potomac, the Richmond and Petersburg, the Petersburg, the Wilmington and Weldon, the Wilmington, Columbia and Augusta, and the North eastern railroads and connecting lines. Mr. Harry Walters, of Baltimore, is general manager of all these lines, and Messrs. W. T. Walters and B. F. Newcomer are among the leading directors. The Wilmington and Weldon Company will on June 1 formally lease the Wilmington, Columbia and Augusta Road, and the Wilmington and Weldon Company will also this month commence the construction of a line of seventy miles from Wilson to Fayetteville, N. C. It was stated on Thursday last that the Virginia and Carolina Railroad, which runs from Ridgeway, N. C., through Petersburg, Va., to Richmond, had been sold to the syndicate owning the Atlantic Coast Line railroads. The system is being extended and strengthened at different points, and is the most profitable and one of the most important in the South. Mr. H. B. Plant is a director in the Atlantic Coast Line companies, and that system is in affiliation with the roads of which Mr. Plant is president. These are the Charleston and Savannah, the Savannah, Florida and Western, and the South Florida railroads, which give a direct route into Florida.

The first game of the season of the series of games to be played by the North Carolina Base Ball League came off yesterday afternoon at the Seaside Grounds, in this city. The contestants were the Seasides, of Wilmington, and the Raleighs, of Raleigh. As it had been announced that ladies and children would be admitted to the grounds free, there was a large assemblage present, estimated by many at 1,500 people. The game was called at 4 o'clock, with Mr. H. M. Emerson as umpire, and was hotly contested from the beginning to the end. Both sides did excellent work, but from the first the odds were in favor of the Raleighs on account of the masterly pitching of Mr. Ryan, and they were the victors by a score of 4 to 1 for the Seasides. The Seasides did some fine fielding, but with the bat they found it next to impossible to hit Ryan's balls. Kurtz, the catcher of the Seasides, was sick, but will be all right in this afternoon's game. The best players seemed to be Ryan, Fitzsimmons and Separk, of the Raleighs, and Beery, Koochogoy and Carmichael, of the Seasides, although Waddell and Rosenthal, of the latter, did very fine fielding.

The following was the score by innings: Raleigh... 2 0 0 1 1 0 0 0—4 Sea-side... 0 0 0 0 0 0 0 1—1

Delegates were appointed by the Wilmington Light Infantry to attend the picnic of the Sumter (S. C.) Light Infantry, at Lake Waccamaw yesterday, but on account of the match game of base ball and other causes they did not go.

To every Housekeeper a good substantial cook stove is an important necessity and our readers will find the best at Factory prices at JACOB'S Hardware Depot.

Capt. Swift Galloway. On Friday night last, when the Superior Court of Pender county, in session at Burgaw, was nearing the close of its business, according to previous announcement there was a large and interesting meeting of the members of the bar in attendance upon the Court, ladies of Burgaw and citizens of the county. The object of the meeting was to bid a formal good-bye to Captain Swift Galloway, who has for several years been the able and faithful prosecuting officer of the Court as Solicitor for the district, and who, in future, under the recent law changing the judicial system of the State, will fill the same office in a different district.

On motion, Dr. W. T. Ennett was called to the chair and Mr. W. T. Bannerman was requested to act as Secretary. The object of the meeting having been explained, on motion the following committee was appointed to draft resolutions expressive of the feelings of the meeting, viz: Messrs. J. T. Bland, J. D. Murphy, J. D. Kerr, J. D. Powers and A. C. Ward, who after a short absence returned ready to report, whereupon a committee consisting of Dr. W. C. Murphy, W. M. Moore, R. J. Williams, R. M. Croom and John Smith was appointed to wait upon Capt. Galloway and escort him to the Court Room, and upon their return with Capt. Galloway the committee on resolutions, through their chairman, Mr. J. D. Kerr, reported the following: WHEREAS, In the recent Act of the General Assembly, reforming the judicial system of the State, it is provided that this county shall in future be a member of the sixth instead of the third judicial district, as heretofore, and whereas in the change thus made Capt. Swift Galloway, our present able and efficient solicitor, will no longer prosecute as such in our courts, therefore,

Resolved, 1st. That we, the members of the bar of Pender Superior Court and citizens of our county, take this occasion to express our regrets at the loss of so faithful, earnest, able and efficient a prosecuting officer; and at the same time the cordial and frequent meetings in his official capacity of a friend so generous, noble, warmhearted and true.

Resolved, 2nd. That we congratulate the people of the Third Judicial District as at present constituted upon the fortunate circumstances which have left to them a solicitor whose long experience and recognized ability classes him as one who has few equals and no superior in the State.

Resolved, 3rd. That we commend him heartily to the people and members of the bar in his district, and in bidding him farewell as our prosecuting officer, we assure him that our best wishes will ever attend him.

Resolved, 4th. That we recommend the appointment of a committee by whom these resolutions may be transmitted to the Judge presiding in open court with the request that the order there spread upon the minutes and also that the newspapers of the district be requested to publish the same.

Pending the motion to adopt the same short and feeling speeches were made by Messrs. J. T. Bland, E. W. Kerr, J. D. Murphy, G. A. Ramsay, J. D. Kerr, W. C. Murphy, J. D. Powers, W. C. Bannerman and R. W. Nixon, who on behalf of the ladies of Burgaw presented Capt. Galloway with a beautiful bouquet of rare flowers, in a neat and appropriate little speech.

Capt. Galloway responded in a short speech full of feeling and expressive of his appreciation of the kind remarks made, and the uniform good treatment received at the hands of our people.

The chairman of the meeting, Dr. Ennett, presented a copy of the resolutions to Capt. Galloway.

On motion Messrs G. A. Ramsay, E. W. Kerr and W. M. Hand were appointed a committee to present the resolutions in open Court and ask their enrollment, after which the meeting adjourned.

At the opening of the Court on Saturday morning Mr. G. A. Ramsay and Mr. E. W. Kerr, as instructed, presented the resolutions and requested their enrollment, which was cheerfully ordered by the Court.

Personal. Mr. J. W. S. Robinson, State Senator from Sampson county, arrived in the city yesterday. His wife accompanied him.

Col. N. M. McPhaul, of Whiteville, Columbus county, was in the city to-day in attendance upon the U. S. District Court.

Capt. W. H. Bixby, of the corps of U. S. Engineers, arrived in the city this morning.

Mr. George W. Middleton, a prominent citizen and one of the best farmers of Duplin county, was in the city to-day.

Mr. D. T. Adams, first baseman of the Raleigh Base Ball Club, arrived in the city last night, having been detained at home by sickness.

U. S. Court.

The cases disposed of by this tribunal this forenoon were unimportant. One case of retailing without license was found not guilty. In another case for the same offense the defendant submitted and judgment was suspended upon payment of costs. One party, charged with robbing the mails, was found not guilty. This constituted the work for the forenoon when the Court took a recess until half past 3 o'clock this afternoon.

The rain fell here up to 7 a. m. to-day, as reported by the signal office, was 29 of an inch and up to 3 p. m. it was 1 10 inches.

Good materials properly proportioned which are the essential requisites in Ready mixed Paints can be best attained by using the N. Y. Enamel Paint sold at JACOB'S Depot.

MARRIED.
