

Secretary Whitney, who now informs him that the board recently appointed to examine the Dolphin is ready to witness another trial. Mr. Reach has accepted the terms. He knew that other\_ wise there was a probability that the Secretary would pay no more money on her.

000.

Senator Stanford, of California, denies that he will start Gen. Grant's sons in business. Of his proposed California university, he says he has invited a prominent educator of New England to visit the Pacific coast this summer and aid him in perfecting his plans, but he declined to give at present the name of the educator referred to.

There is a terrible disease prevailing at Langworthy, Jones County, Iowa, which causes death in a few minutes The patient is taken with a slight sore throat, the soreness then goes to the lungs and from there to the spine, when death follows. It entirely baffles the physicians, some calling it a sort of "ship" fever, caused by impure water.

"John A. Logan, Senator from Illinois, will be the Republican candidate for the Presidency four years hence," when he heard of the victory of the Reaffectedly delighted at the news of year. Logan's success.

The pay of a Russian army officer is very small. A full general gets from \$1,500 to \$2,000 a year in our money. according to length of service; a lieutenant-general from \$1,172 to \$1,750; a major-general from \$780 to \$1,390, and a colonel-commanding a three battalion regiment, 2,400 strong, gets \$594.

The Madagascar Government has ture or sale of rum in the district of temperature. Imerina, under a penalty for each otfense of ten oxen and \$10. Any person tound drunk with rum will be fined seven oxen and \$6; and the introducoxen and \$5.
