Days' length 14 hours and 23 minutes.

There was no City Court this morning.

New moon to night at 9 minutes past 12 o'clock.

Sunset to-morrow afternoon at 17 minutes 7 o'clock.

The receipts of cotton at this port today foot up 9 bales.

There was one interment in Bellevue Cemetery this week, a child.

The weather has become somewhat cooler in consequence of the rains.

There were two interments in Oakdale Cemetery this week, both children.

The Register of Deeds issued one marriage licence this week; for a white couple.

People don't go away from Wilmington to find cool weather; they just go for the pleasure of the ride.

There were seven interments in Pine Forest Cemetery last week, two of whom were adults and five were children.

Rev. George S. Best, of Duplin county, was in the city to-day en route for Masonboro, where he will preach to-morrow.

The services to-morrow morning at St. Paul's Lutheran Church will be in German and at night they will be in English.

It is a remarkable fact that there is comparatively very little sickness in the city. The physicians are having but little to do.

Attention! W. L. I.—Go and buy your shirts, collars, cuffs and underwear from DYER and be equipped for the encampment.

Now is the season for painting your houses. Go to JACOBI'S Hardware Depot and buy your paints, if you want to save money.

Our city was visited with several heavy showers this afternoon. Appearances indicated that they were heavier in the direction of Smithville than they were here.

Rev. Dr. Yates will preach at Scott's Hill to-morrow and his pulpit in the Front Street M. E. Church will be supplied at the morning service by Rev. J. W. Craig and at night by Rev. D. H. Tuttle.

**Indications.**  
For the South Atlantic States, fair weather with stationary temperature, except in Northeastern portion, where there will be lower temperature, variable winds, preceded in the Northern portion by Northeastly winds.

**Cotton.**  
There was no cotton received at this port from the 1st to 11th of July, 1885, as against 28 bales for the corresponding period last year. The receipts of the crop year to date foot up 93,911 bales as against 91,541 bales for the corresponding period last year; an increase this year of 2,370 bales.

**Steamer Sunk.**  
The steamer *Susie*, Capt. Snell, left here yesterday morning for Philadelphia, but went some distance up Town Creek in order to procure a supply of fuel for the passage. After obtaining the wood she returned to proceed down the river and after coming out of the creek she ran against the jetties and partially sunk, and had not been raised at the last account we had from her.

**Elegant Prizes.**  
In the window of Mr. George Honnet's jewelry store, on Market street, are two elegant prizes to be awarded to the successful competitors in the test to be made by the white fire engines of the city and the Newbern engine at the trial to be made on Wednesday next. The first premium consists of a beautiful silver ice pitcher and goblet, to be awarded to the company whose engine and members show the greatest efficiency and do the best work. The second premium is an elegant bronze clock with a cathedral gong, to be awarded to the next best company.

The Ladies of the Fifth Street M. E. Church will give an excursion on the *Passport* next Thursday, the 16th inst., to Smithville and the Forts. They are noted for the splendid excursions gotten up under their management and that of the 16th will be equal to any of its predecessors.

**Joint Services.**  
Commencing on the 19th inst., the Seventh Sunday after Trinity, the congregation of St. James' Church will worship in St. John's until the repairs on the former Church are completed. The Rectors of these two Churches will alternate in the conduct of the sermons, that of St. James' officiating on the 19th inst.

**A Watery Fire.**  
At about quarter past 4 o'clock this afternoon a fire was discovered under the wharf at the foot of Market street, and it soon spread to a considerable distance out into the river furnishing a novel sight. The fire was caused by burning kerosene oil under the wharf, but how it came there and how it ignited was more than we could ascertain. The flames were soon extinguished and no damage was done.

**Seaside vs. Raleigh.**  
Our home team has not been so fortunate while in Charlotte as many were led to expect that they would be from the recent splendid record which they made upon their own grounds in this city. On Thursday they were beaten by a score of 5 to 10 for the Raleighs. It was thought that this disaster would be repaired in the game yesterday, but such was not the fact. The score in yesterday's game stood 14 for the Raleighs and 9 for the Seaside. They play again at Mt. Holly to-day where it is hoped that our boys will show a better record.

Those Blind Doors have arrived. Parties in want of them can now be supplied at JACOBI'S Hdw. Depot.

**Personal.**  
Mr. J. W. S. Robinson, Representative to the General Assembly of North Carolina from Sampson county, was in the city to-day and gave us the pleasure of a call.

We are glad to learn that Mr. A. M. Waddell, Jr., who was badly hurt at the baseball grounds on Wednesday last, is very much better and will soon be as well as ever.

Capt. R. M. Houston, of the Mayo House at the "Rocks," was in the city to-day. He tells us that the weather has been delightfully pleasant down there during the week, and that the fishing has been remarkably fine.

Rev. Charles E. Taylor, D. D., President of Wake Forest College, will arrive in the city to-night and will be the guest of Mr. George R. French, Sr., during his stay in Wilmington. His business here will be in the interest of the college over which he presides.

He has been a student for the last eight years in active preparation for the Catholic priesthood, and has already been ordained deacon in that church. He will pass one more year in scholastic life when he will be given priestly orders and will enter upon his sacred calling.

We will sell all wool white flannel shirts FOR THIS WEEK ONLY at \$1.50 at the Wilmington Shirt Factory, No. 27 Market st., J. ELSBACH, Prop. If

**Cayenne Pepper**  
Comes from the neighborhood of Cayenne, in British Guiana. It is a stimulant without being in any respect a strengthener. Some medicines have a good deal of Cayenne pepper in them in connection with other articles, and the folks who take them think they are receiving strength while they are really being only stimulated. The effect of the stimulus is soon over, and then the patient feels worse than before. Brown's Iron Bitters is free from Cayenne pepper, and contains the best ingredients, together with the only reliable preparation of iron known to medical science. The druggist all sell it.

Call at JACOBI'S Hardware Depot and examine his fine assortment of fishing poles and lines.
