is only a part of beauty; but it is a part. Every lady may have it; at least, what looks like it. Magnolia Balm both freshens and beautifies.

this marriage legitimatized the offspring. Sir James Maitland, a descendant of the fifth son of the sixth Earl of Lauderdale, contested the claim o

Major Maitland. In the hearing before the House of Lords United States Minister Phelps, Senator Edmunds and Messrs Fowler, Stephen Nash and Clarence Cary gave testimony concern-

Mr. E. S. Cramp, of the Philadelphia ship-building firm of William Cramp & Sons, is reported in the New York Evening Post as expressing himself as follows concerning Mr. John Roach's back" in any undertaking. business embarrassments: "I do not think that the condition of the shipbuilding trade in general warranted the assignment, nor do I think it would have been made had it not been for other reasons known only 'o Mr. Roach and his confidential friends. To be sure, the trade is not in the flourishing condition it was some years ago, but I do not think it is depressed any more than other manufacturing interests. The iron trade, which is closely asso-

for a long time, and, of course, that is in a measure reflected in the business of shipbuilding. Most concerns, however, when hard times, such as these, strike them are able to tide over the season of depression, having made money when trade was good. The

condition of affairs came about."

one of the richest in the country, and

Mrs. Parnell has written to Miss Ellen Ford, sister of Austin Ford, of the Liten Ford, sister of Austin Ford, or the CLOSE. Irish World, in relation to her finan-cial embarrassments, in which she said: "I have striven to sell and to pay to such an extent that at least I have nothing left of which I can easily dispose, nor if I could do so would I protably realize now enough to live on from such sales. Owing to some payments having stopped last year, I don't no income for myself to the amount of

His mother was an enthusiastic Meth odist, and believed in personal holiness 3 and the nearness of the second coming.

Among the portraits in George W. Childs' office is one of Gen. Grant and the Emperor of China, taken seated to-

For several years he owned a house in Philadeiphia, but he never occupied it. It was lost with all the rest of its effects, in the financial crash.

Until given over to the government, all the souvenirs of his European trip were at the office of George W. Childs, to whose custody he confided them.

The husband of Nellie Grant Sartoris, his daughter, is an Englishman, an only son, and a nephew of Fanny Kemthe American colonies in 1772. ble, the actress, who became Mrs. Pierre Bu'ler, of Philadelphia.

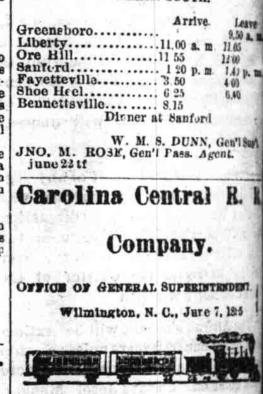

When a boy, if he ever went beyond a place, he never retraced his footsteps, but took a roundabout tour to reach the destination some other way. He often ML said he attributed his success to a resolution taken in youth, to 'never turn

Gen. Grant smoked his last cigar on the 20th of November, 1884. In a letter to a friend mentioning the circumstance, he said he had smoked many thousands of cigars, and they had been his greatest comfort through the last years of the war on the battlefield.

It is a curious coincidence that the fathers-in-law of Gen. Grant's sons al suffered financial reverses, like himself. Fred Grant married a daughter of Mr. Honore, of Chicago, once a millionaire. Buck Grant married a daughter of Senator Chaffee, of Colorado, who lost heavily. Jesse Grant married a daughciated with it, has been in a bad way ter of Mr. Chapman, a former California Cræsus.
