In Arizona no rain has fallen since December. The wells are so generally dried up that travelling is dangerous unless a full supply of water is taken along, and the thermometer for two or three weeks has ranged from 105 to 114 degrees in the shade.

The first day of the last Summer month.

We lose this month 59 minutes of daylight.

But one bale of cotton received at this port to-day.

Sunset to-morrow afternoon at 3 minutes past 7 o'clock.

This month has five Saturdays, five Sundays and five Mondays.

There was one interment—that of a child—in Oakdale Cemetery this week.

There was one interment—that of an adult—in Bellevue Cemetery this week.

We noticed quite a fine display of dog collars at JACOBI'S Hardware Depot.

The Register of Deeds issued two marriage licenses this week, both for white couples.

Farmers can save time and money by getting barbed wire for their fences, at JACOBI'S Hdw. Depot.

Steamboatmen report that there is about four feet of water at Fayetteville, with the river slowly falling.

There were six interments in Pine Forest Cemetery this week, three of which were adults and three were children.

Mr. Giles E. Wishart, of Rockingham, will run an excursion from that place to this city and Smithville on the 19th inst.

There will be no preaching or other services at the First Presbyterian Church to-morrow, neither in the morning nor at night.

The receipts of cotton at this port for the crop year to date foot up 93,922 bales, against 91,584 bales to same date last year, an increase this year of 2,338 bales.

Rev. W. H. Battle, of Wadesboro, will preach at the First Baptist Church to-morrow morning and again at night. His pulpit at Wadesboro will be supplied to-morrow by Rev. Dr. Pritchard, who is assisting in conducting a revival there.

**Soundings.**  
The last soundings taken at the mouth of the river give the depth of water as follows: Bald Head bar, 13 feet; Western bar, 10 feet, 6 inches.

**Our Boys in Grey.**  
A grand reception will be given the returning military to night. Blazing tar barrels will illuminate the line of march and there will also be a grand display of fireworks. Let everybody and especially the ladies turn out to greet them.

**Exports Foreign.**  
The following are the exports foreign, with their values, for the month ended July 31st, 1885, as taken from the books at the Custom House:  
Spirits turpentine, 333,696 gallons, valued at \$123,917; rosin, 15,322 barrels, valued at \$30,150; lumber, 752,000 feet, valued at \$11,726; shooks, 200 bundles, valued at \$160; making a total of exports foreign for the month amounting to \$155,952.

**It Beats All.**  
How trade does keep at Shrier's is the remark often made by visitors and frequently overheard. It is indeed a matter of great surprise while nearly every (we may say every) clothing house is complaining of dull business. This encourages us to do still better. Depend upon us always. Depend upon us always for the best of everything at the lowest price. Remember, it will pay you to trade with the Old Reliable, SHRIER, the Old Reliable Clothier, 114 Market st. Sign of the Golden Arm. †

**City Court.**  
Turner was brought before the Mayor this morning charged with disorderly conduct near the Front Street Market. He was adjudged guilty and a fine of \$5 was imposed.

A couple of young men charged with an affray were fined \$5 each and the costs of the court, and this concluded the docket.

**Oak Grove.**  
During the month ended July 31st, 1885, there were 19 interments in Oak Grove Cemetery. Of this number 4 were adults and 15 were children. There was one white person included in the number, all the others being colored.

During the year ended July 31st, 1885, there were 163 interments in this cemetery, of which 15 were whites.

**A Handy Work.**  
We have received through the courtesy of the publisher, Mr. I. Shrier, a copy of a neatly gotten up hand book of useful information which will prove very convenient for reference. Of course the book was gotten up in the interest of his trade as an advertising medium, but aside from that it is really valuable for the many crumbs of useful knowledge it contains. Persons desiring a copy will please address Mr. I. Shrier, No. 114 Market street sent free.

**They are Coming.**  
The Wilmington Light Infantry are expected to arrive here to night on the Wilmington & Weldon train at about 8 o'clock. They will be met at the depot by the members of the company in uniform who did not go to the encampment, and escorted to their armory in the basement of the City Hall. Sergeant W. N. Harris will have charge of the escorting detachment. It is desired that as many of the members as possible can, including honorary members, veterans and reserves, should turn out to do honor to the returning soldier boys and give them a cordial and hearty greeting and "Welcome Home."

**Monument Fund.**  
The Executive Committee of the Western Union Telegraph Company held a meeting at New York on the 29th ult., at which it was resolved to subscribe the sum of \$5,000 towards the fund for a monument to General Grant, and the managers of the several offices of the company throughout the country have been notified to be prepared to receive subscriptions for the fund and give receipts for the same.

In pursuance of these instructions, Mr. C. C. Brown, the manager of the telegraph office in this city, is prepared to receive subscriptions to the fund and receipt for the same. Those feeling disposed to do what they can to forward the desired object can leave their subscriptions with him and then will be promptly forwarded.

**Cleverly Caught.**  
Mr. F. A. Newbury, who does business on Mulberry street, between Front and North Water, yesterday received a letter which purported to come from Powell & Co., of Whiteville, Columbus county, in which he was requested to enclose ten dollars in a letter to be addressed to Frank Jones, Wilmington, N. C., drop the same in the city post-office, where the person named would call and get it. The style of the communication, the writing and lack of business ideas, aroused Mr. Newbury's suspicions and he wired to Powell & Co., who replied that the letter was a forgery. Mr. Newbury then had a conference with Col. Briek, the postmaster here, the result of which was that this morning the former mailed a letter to Frank Jones containing a ten dollar counterfeit note and a marked quarter of a dollar. A policeman in the meantime had been notified, and in a short time the letter for Frank Jones was called for by a colored youth, apparently about 18 years old. The letter was handed him through the general delivery window and as he started to leave he was arrested by the policeman and taken to police headquarters and thence to U. S. Commissioner Gardner, who committed the prisoner to jail to await his examination, which will be had at 10 o'clock next Monday morning.

**Harbor Master's Report.**

American—4 steamers, 3,380 tons; 1 brig, 319 tons; 5 schooners, 1,175 tons, making 10 vessels and 4,874 tons.

Foreign—6 barques, 2,528 tons; 1 brig, 230 tons, making 7 vessels and 2,758 tons; and a grand total of 17 vessels, aggregating 7,632 tons.

**An Accident.**  
A cart containing a man, his wife and a quantity of groceries, came in collision with an ice cart near the corner of Front and Dock streets this afternoon and the former was capsized and the man, woman and other contents were spilled unceremoniously upon the ground. The driver of the cart which was capsized lives at the Sound and was on his way home when the accident occurred. He was somewhat sprained, which was all the damage done further than the breaking of a jug of molasses and the spilling of the other groceries. We failed to learn his name or who was the most to blame in the matter.

**Personal.**  
Hon. R. T. Bennett, Representative to Congress from this District, arrived in the city last night.
