that island.

Of all the provinces of Spain only 14 are tree from the cholera, which visit ed eight new provinces during last week. The total of deaths is now over 25,000. Refugees are swarming over the Pyrenecs, dismaying the French, who are doing all that is possible to STANDARD prevent the invasion by enforcing quarantines and confiscating bagy gage by the wholesale. The suf-

fering in rural Spain is heart-rending. From Marseilles there is a report is the BEST constructed that it is the medical belief that numerous places are infected, but there is a grand conspiracy of suppression and silence. The physicians are' counting the hours now before the outbreak in
