Harper's Young People. AN ILLUST BATED WEEKLY.

inree The serial and short stories in Harper's The serial and short stories in Harper's Young People have all the dramatic interest that juvenile fiction can possess, while they are wholly free from what is pernicious or vulgarly sensational. The humorous stories and pictures are full of innocent fun, and the papers on natural history and science, travel, and the facts of life, are by writers whose names give the best assurance of accuracy and value. Illustrated papers on athletic sports, games, and pastimes give full information on these subjects. There is nothing cheap about it but its price. ford-November 2, two weeks. on-August 3. two weeks; No-
