TERRIBLE DISASTER

The Steamer Algoma Wrecked in a Storm on Lake Superior. WINNIPEG, Nov. 9 .- A fearful disaster occurred on Lake Superior, off Port Arthur, on Saturday night. The magnificent ironclad steamer Algoma, of co. and a small number of them Canadian Pacific Railroad, was wrecked and thirty-seven lives lost. Only meagre particulars have been received tation at Tacoma and Seattle were not up to the present hour. They consist workingmen, but professional politimainly of telegrams to private persons cians of small calibre, who hoped to announcing the loss of triends. The make capital out of it. Since Saturday steamer was from Owen Sound and these leaders have suddenly awakened was wrecked off Isle Royal, just outside to a realization of the fact that they Thunder Bay.

Friday afternoon and night, and the which they will be held responsible. steamer lay to for a time. When the Possibly there may be secret agitation, weather cleared slightly the vessel but no one will have the hardthood to started again, but made slow progress. publicly order the Chinese away, as The next evening a dense tog prevailed, was done at Tacoma and towns in the and the steamer felt her way along. Vicinity. blowing fog horas. She struck a reet and went down.

points. John G. Brown, a bricklayer of this city, accompanied by his sister, is known to be on board. Capt. Moore Mackenzie, is purser.

She left Owen Sound last Thursday. and was wrecked on Saturday night. The first known of the disaster was when the steamer Arthabasca, of the same line, arrived at Port Arthur late this evening with the crew of the illfated steamer, consisting of thirteen sailors and two passengers, who were the only ones saved. The Arthabasca, which left Owen Sound two days after the Algoma, came upon the wreck at Isie Boyle, and found the crew and two passengers in a perishing condition on

The wreck had been dashed by the beaten against the shores of the island The crew and two passengers saved themselves by taking to the life boat. shore was reached. The boat was proclamation, issued on Saturday. washed over several times by wares, but righted again, while the men clung Failure of Mahone's Newspaper closely to its sides. They succeeded in reaching land almost dead from exposure and exhaustion. The storm continued to rage furiously. All night long the rescued remained on the beach watching the wreck beat against the rock-bound island, and seeing the dead bodies dashed in the surt against the shores. The Athabasca cane along about noon to-day, and, as the channel is narrow, could not avoid seeing the

A boat was sent ashore and brought the rescued to the Athabasca, which set sail for Port Arthur, where it arrived about 7 o'clock this evening .-There is intense excitement in the city to-night, as many had friends on board The list of cabin passengers can be had at Toronto or Sault Ste. Marie, where the manifests of passengers is given to

The Algona is a thoroughly built and splendidly equipped Clyde built steamer, lighted by electricity. Her gross tonnage is 1,780; length, 270 feet; breadth, 38 feet. She was complete in every detail. The furnishing was luxurious, equal to the finest ocean steam- in the South was that between John ers. The vessel cost \$450 000 and is understood to have been insured for \$300,000. She was one of three steam ers-Alberta, Athabasca, and Algoma -purchased two years ago by the Canadian Pacific Railroad for lake traffic, and since that time she has been plying between Owen Sound and Port Arthur, doing a large business.

The Insult to Alexander. telegraph, has forwarded a letter after the expiration of his term in describing the situation at the Rus January, run it as an independent sian capital. He says that the paper, but the rumor lacks confirma-action of the Czar in striking off the tion. Mahone has been a great name of Prince Alexander of Bulgaria sufferer from dyspepsia for many years from the honorary list of the Russian and the fact that he has surrendered army was taken not only without the ad- his organ leads to the belief that he will vice of his Ministers but in opposition join his wife and daughter in Europe. to the earnest entreaties of M. de Giers, the Russian Foreign Minister. M. de Giers was necessarily informed of the Czar's intention, as the latter desired that timely notice of his comtemplated action should be sent to the Austrian and German Emperors, in the hope that they would also revoke the Prince's gruffly told the Foreign Minister that oct 20

his only duty was to obey. This is not by any means the only rebuff of the same kind that M. de Giers has received from his imperial master within the past twelve months and the war party is delighted over his new discomfiture. By most persons in St. Petersburg the Cz ir's insult to Prince Alexander is regarded as a lamentable incident, especially as Austria and Germany have not followed suit, as the Czar evidently believed they would. In view of this occurrence few political observers at the Russian capital new hope for peace. The Russian Government certainly entertains no such hope. Everything is subordinated to feverish gency. It looks now as though Russia F M Johnston, Farmington. Eighth would be compelled to fight, and to district, W A Graham, Iron Station; fight practically alone, to maintain her J F Finlay. Wilkesboro. Bulgarian frontier, fired on the Bulga rian commander in the Kustendil district. The commander was not injured

The Chinese May Stay.

PORTLAND, Oregon. Nov. 9 .- The anti-Chinese agitation in the Northwest is probably at an end. There may be a few more meetings, but no more outrages will be perpetrated. Nine-tenths of those who have engaged in the demonstrations are of the same class as the notorious "sand lotter" of San Franciswere members of the sand-lot mob four years ago The leaders of the agihave committed a crime against the A beavy rain storm prevailed all United States and Cerritorial laws, for

The outrages have been confined exclusively to Seattle and Tacoma, and The steamer was bound for Port small towns within twenty miles of Arthur with passengers for Western those places. There have been no demonstrations at Olympia or Port Townsend The alleged Labor Congiess which met at Seattle about a is master of the vessel, and Mr. Mac- month ago was called some days ago to kenzie, nephew of the Hon. Alexander meet at Olympia on Nov. 24. A telegram from Olymphia says the citizens of that city will use every endeavor to prevent the meeting being held there. The has been no agitation in Eastern Washington and none in Oregon out side of this city. The attempt to arouse feeling here was started by B. P. Pentingial, a stranger from Vermont. who was soon ridiculed out of his self-appointed position of leader. A few meetings have been held. At the last one a resolution was adopted censuring the action of the mob at Tacoma and pleading obedience to law and order.

WASHINGTON, Nov. 9 .- Secretary Endicatt has sent instructions to miliwaves against the rocks, and had finally tary commanders who are stationed in Smithville. Master the neighborhood in which uprisings against the Chinese are apt to occur to have their troops in readiness to inand battling with the waves until the force the provisions of the President's

RICHMOND, Nov. 9 .- In the Chancery Court of this city to day a general ereditors' bill of Henry L. Pelouse against the Richmond Whig Publishng Company was filed and the appointment of a receiver asked for. Judge Hollady granted an injunction restrainng that corporation from further pubication of the Richmond Whig, and appointing Charles C. Clark receiver, with a bond of \$10 000. The receiver is ordered to continue the publication of the paper and manage the business of the corporation. Mr. Clark has been the business manager of the Whig for several years. Pelouse's bill amounts to nearly a thousand dollars for rent and printing material.

The Whig is in its fifty-second year. That it is allowed to go into the hands of a receiver is considered a certain indication that Mahone has decided to Cotton-5,200; spirits, 40; rosin, 7,294 permanently retire from politics. The paper has had a varied career. In its earlier days it was the leader of Southern opinion, and was the organ of the Whig party all over the country. One of the most noted political duels fought of the most noted political duels for the most noted pol Hampden Pleasants, its editor, and William Richie, the editor of the EuWilliam Richie, the editor of the EuSwe Vulcan, 373 tons, Lenader, Heide & Co Soon after the war the paper was for a short time Republican, but soon went into Democratic hands, and was constinued as a Democratic paper until Maquirer, in which the former was killed. Ger Marie, 681 tons, Dillwitz, hone declared himself a Republican. It began to be his organ about ten years ago Next to Pleasants Alexan Ger Charlotte & Anne, 431 tons Krieger, der Mosely was its most distinguished Ger Meleor. 6'4 tons, Voss, LONDON, Nov. 9.—The St. Peters- editor.
