The Japanese in "christening" a ve-sel break a cage and liberate birds over her side, instead of breaking a bo le of wine over her bow.

Amber digging in East Prussia has greatly increased during the past wenty years. In 1864 the revenue was in \$8,500, against \$125,000 in 1883.

.The exact expense of the funeral of Vicus Hugo has only just been added us and given to the world. It amounts 10 101.532 francs. \$20,306.40. The Chamber voted 20,000 francs toward it.

The Paris municipal council has been discussing a motion in favor of a free pardon for all political prisoners. The annesty would, it is expected, include Prince Krapotkine and Louise Michel.

Dr. Hingle lately demonstrated before the British Society of Arts that in the Himalayan portion of India Inoculation against small-pox "had been practiced from what might be termed time immemorial."

At the first performance of Massenet's Le Cid in Paris, on Monday evening. Gounod was present, and was so affected by the music that he wept. He afterwards embraced Massenet and congratulated him on his great achieve-

purchased forty sewing machines-of American make, of course-and set seamstresses at work on them in the palace at Belgrade making garments for the troops which she cut out with her own fair hands.

ly is responsible for the statement that pointed cabinet of the Queen Regent of John A. Ripley was ordered remitted. a certificate of death was presented in Spain. The document is written in the Chicago not long ago, on which the attending physician had written his name, perhaps inadvertently, in the space left for "cause of death."

ened out, and she said she knew by the July coupons. relief that followed the exact moment the act was performed.

The municipal council of Paris has been endeavoring to dismiss from the hospitals the Sisters of Mercy and to appoint in their places secular nurses. On Thursday all the physicians and surgeons of the various hospitals sent a petition to the Government to retain of the house and is supposed to have the Sisters, on the ground that it would be for the best physical, to say nothing of the religious, interests of the patients.

The craze for family crests has bro- Northrop & Hodges. ken out in Philadelphia, where the authorities, "Burke's Peerage" and the rest, are being hunted up in order to have crests perfectly accurate. The crests, some of which are elaborate, are put on in colors, and the finest work has to be done by regular artists, though much of it is done by skilful and trained girls. Even monograms are again in style, and the decoration incident to epistolary correspondence is very elaborate indeed.

Thomas Stevens, the bicycler, in the story of his ride through the Balkan mountains, gives a description of a the shape of a square stone structure in popularity with each act. erected some forty years ago near Nisch. The whole exterior was faced with grinning rows of Servian skulls partially embedded in mortar. Servians have since removed the skulls of their dead comrades and buried them, but the rows of indentations in the mortared surface yet remain to tell the story.

W. Tompkins. M. D., 177 Clinton Place, New York, writes June 2, 1883: "In many of those insidious Diseases of the Brain and Spinal Cord. where local stimulation must be oband various applications fail, marked reliet from pain can be obtained, and the patient greatly benefited, by placing strips of Allcock's Porous Plasters over the spinal cord, from base of brain to end of spine. In all cases of Spinal Irritation, Weakness or Ner-Yous Prostration, I recommend Allcock's Porous Plasters." tu th sat.
