Only two weeks from now until Christmas.

The receipts of cotton at this port today foot up 616 bales.

The REVIEW JOB OFFICE is the place to get good work at moderate prices.

Two white tramps were accommodated with lodgings at the guard house last night.

The cold wave reached here last night with fair weather as a compensating accompaniment.

A full line of silver plated tea and table spoons, at prices to suit the times, at JACOB'S Hdw. Depot.

The hand organ and other music murdering instruments are in the land and they make the streets hideous with their unceasing sounds.

A great lot of Gent's heavy Canton Flannel Drawers, from 40c and upwards, at the Wilmington Shirt Factory, 27 Market st., J. ELSBACH, Prop.

It is reported that the Atlantic Coast Line has bought the Tarboro & Williamston Railroad. This road has been completed from Williamston to Tarboro, and a survey has been made from the latter place to Raleigh.

Schr. Edith R. Seward, hence at Philadelphia, sprang a leak after crossing the bar at Wilmington and continued to leak badly until within 30 miles of Delaware Capes, when she filled up, demolishing and flooding cabin, forecabin and galley, and lost part of deckload.

The candy manufactory of Messrs. E. J. Moore & Co. will be open on Monday next to allow the ladies the privilege of witnessing the process of candy making. The exhibition was announced to take place on Wednesday last, but owing to the inclemency of the weather it was postponed.

Benefit Paid.
The Presbyterian Mutual Assurance Fund, through Mr. Walker Taylor, the agent in this city, to day paid to the beneficiary \$2,000, the amount benefit upon the life of the late G. W. W. Davis.

Wrecked.
A dispatch was received by Messrs. George Harriss & Co. to-day stating that the Schr. John A. Griffin, whose safety we feared yesterday, had been towed into New York in a wrecked condition. There were no further particulars.

Business Change.
The New Scarborough House, 104 North Water street, recently conducted by Mr. W. E. Black, has been purchased by Messrs. W. H. M. Koch & Co., and will hereafter be conducted by Mr. T. E. Wallace, who is well and favorably known to our citizens.

Small Fire.
At Lyon's Landing, on the Cape Fear river, last Wednesday night, a lot of dross was burning when the flames spread to some resin and tar near by and 100 barrels of the former and 24 barrels of the latter, the property of Mr. C. W. Lyon, were destroyed. Loss about \$100.

Camilla Urso.
There will be a rare and refined treat at the Opera House next Monday night. The artists who accompany Camilla Urso are of the best, and with her wonderful violin playing will make an entertainment of the highest order, and one which we hope will be appreciated by an overflowing house.

From the Coast.
The last report from the schooner Rebecca H. Queen, ashore near New Inlet, was that she was fast settling in the sand and the tide at high water covers the vessel's hull, leaving nothing but her cat heads visible. Her sails and a portion of her cargo, in a damaged condition, have been saved. The vessel will probably be a total loss.

The Ball.
The friends of the Germania Cornet Band, notwithstanding the inclemency of the weather, had a fine time at their anniversary ball on Wednesday night. There was not a large party, but the best of order prevailed, the young people enjoyed the dancing, the band furnished some excellent music, showing that they had kept up their practice and were constantly improving; and there was a good time generally. The festivities were kept up until a late hour.

"The Danites."
Joaquim Miller's celebrated play of "The Danites," which was made famous by Mr. and Mrs. McKee Rankin was the attraction furnished by the Bella Moore Comedy Company at the Opera House last night. There was a small audience, but the play was quite well rendered and in some respects there was an improvement upon the performance of the previous night. Miss Moore fully maintained the good opinion which she gained in "A Mountain Pink" and appeared to good advantage. The company play to-night at Goldsboro.

Crazy Quilt.
Not only our city but the whole country is now being agitated over the craze of quilts. In New York, one of the features of the Hall entertainments is crazy quilt exhibitions, and the name is so prominent in this country that several persons have endeavored to present plays with the name of "Crazy Quilt." One musical comedy changed the name to "Crazy Patch," and another play to "The Two Tigers" but this play to be presented under the name of "The Crazy Quilt" is the only authorized version of a comedy by that name, and is copyrighted by the author. This comedy is the only and original "Crazy Quilt" and will be presented for the time on any stage, in this city some time this month.

The New Emerald, Zeb Vance and New Excelsior Penn. are the cook stoves that please all. You can now buy them at reduced prices from JACOB'S Hdw Depot.

Departed.
A lot of vagrants calling themselves Turks have been encamped for several days at Hilton, hoping that they might be permitted to come into the city and exhibit some tame bears which they have. The city very properly refused them permission to come, in consequence of which their income has been so small that they concluded it was best for them to leave, and this morning the crowd departed across the Cape Fear by the way of the Market street ferry. There were four two horse teams filled with fodder, cooking utensils, women, children and "sich like" bric-a-brac, in a highly cultivated and polished condition of dirt. There were several dirty looking men, a monkey, five dogs and five bears, all bearing about an equal appearance of cleanliness and intelligence, with the monkey slightly ahead. The city is well rid of them.

Nothing will please your wife better, for a Christmas present, than an Ohelco cook stove. They can be had at JACOB'S Hdw. Depot.

An Outrage.
Last Monday while a lady was riding alone in a buggy near Clear Run, in Sampson county, the mule, which was hitched to the vehicle, was stopped by one Sherman Hayes, colored, who made a desperate effort to drag the lady to the ground. She resisted with all her might and screamed loudly for assistance. In the struggle she proved herself quite equal to her assailant, although she was quite badly bruised in her desperate efforts with the monster. He drew a knife and threatened to kill her if she did not stop screaming, but notwithstanding the menace, she called loudly for help and fortunately her cries were heard by some colored people who were in a house near by and they ran out, when the would-be assassin fled to the woods. He was arrested last Wednesday night near Burgaw, and taken to Clinton jail for safe keeping. The scamp acknowledged the attempted crime, and the infuriated neighbors were with difficulty restrained from lynching him, but reason and a respect for law and order prevailed, and his punishment will probably be determined by a due course of law. The young lady is an accomplished and beautiful woman, highly respected by all who have the honor of her acquaintance and belongs to one of the most prominent families in Sampson county.

Trustees Elected.
A meeting of the lot owners of Pine Forest Cemetery was held on the 9th inst., at which the following were elected trustees for the ensuing year: John G. Norwood, J. K. Cutlar, J. J. Jones, John H. Howe, J. P. Green, Edward Dickson and Emanuel Nichols.
