The sweet gum, as gathered from a tree of the same name, growing along the small streams in the Southern States, contains a stimulating expectorant principle that loosens the phlegm producing the early morning cough, and stimulates the child to throw of the false membrane in croup and whooping-cough. When combined with the healing muchlaginous principle in the mullein plant of the old fields, presents in TAYLOR'S CHEROKEE REMEDY OF SWEET GUM AND MULLEIN the finest known remedy for Coughs, Croup, Whooping-cough and consumption; and so pala-WALTER A.
