The position of HARPER'S YOUNG PEOPLE as the leading weekly periodical for young readers is well established. The publishers spare no pains to provide the best and most attractive reading and illustrationr. The se rial and short stories have strong dramatic in terest, while they are wholly free from what is pernicious or vulgarly sensational; the papers on natural history and science, travel, and the facts of life, are by writers whose names give the best assurance of accuracy and value. Illustrated papers on athletic sports, games, and pastimes give full information on these subjects. There is nothing cheap about it but its price.
