This was about 10 o'clock in the morning of that day, and about that time Gen. Wheeler's cavalry were pass-

Columbia was not burnt until that night, about seven hours after we left. Columbia was burnt by Gen. Sherman's troops, and they know it.

## A QUESTION ABOUT Brown's Iron

Bitters ANSWERED.

The question has probably been asked thousands of times. How can Brown's Iron Bitters cure everything?" Well, it doesn't. But it does cure any disease for which a reputable physician would proscribe IRON Physicians recognize Iron as the best restorative agent known to the profession, and inquiry of any eading chemical firm will substantiate the assertion that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important factor in successful medical practice. It is, nowever, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTER'S no perfectly satisfactory iron combination had ever been found. BROWN'S IRON BITTERS does not injure headache, or produce constipation-all other iron

medicines do. BROWN'S IRON BITTERS

cures Indigestion, Billousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Headache and Neuralgia-for all these ailments Iron is prescribed daily. BROWN'S IRON BITTERS, however, does niante. Like all other thorough medicines, it acts do vly. When caken by men the first symptom of conefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In momen the effect is usually more rapid and marked. The eyes begin at once to brighten; the skin clears up; healthy color comes to the chasks; nervousness disappears; functional derangements become regular, and if a nursing mother, abundant sustenance is applied for the child.
