medicines do. BROWN'S IRON BITTERS cures Indigestion, Biliousness, Weakness, ninute. Like all other thorough medicines, it act slowly. When taken by men the first symptom of benesit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In women the effect is usually more rapid and marked. The eyes begin at once to brighten; the skin clows up; healthy color comes to the cheeks; nervousness disappears; functional derangements become regular, and if a nursing mother, abundant sustenance is supplied for the child. Remember Brown's from Eitters is the ONLY iron medicine that is not injurious. Physicians and Druggists recommend if The Genuine has Trade Mark and crossed red lines on wrapper TAKE NO OTHER.

Harper's Young People.

AN ILLUSTRATED WEEKLY.

HARPER'S YOUNG PEOPLE has been called "the model of what a periodical for young readers ought to be," and the justice of this commendation is amply sustained by the large circulation it has attained both at nome and in Great Britain. This success has been reached by methods that must commend themselves to the judgment of parents, no less than to the tastes of children-namely, by an earnest and we'l sustained effort to provide the best and meet attractive reading for young people at a low price. The illustrations are copious and of a conspicuously high standard of excellence.
