Speedy Justice.

The parties who rocked a train about ten days since on the Carolina Central Railroad, between Beaver Dam and Pokton, were caught and taken before a Magistrate of Union County, who sent them before the Superior Court of the County, which is in session. The steamer Excelsior, Capt. J. T. Dicksey, sunk at about 3 o'clock this morning in the Northeast river, about 12 miles from this city. It seems that the crew made the steamer fast to the

### Rare Entertainment.

As will be seen by advertisement in this issue, our citizens will be treated to an amusing and otherwise pleasant entertainment at the City Hall, Thursday night, March 3rd. The marriage ceremony of the Japanese will be exhibited, after which refreshments Japanese and American, will be served. The ladies who are to exhibit and manage the affair, we are very sure, will do everything in their power to please and ontertain. As the object is to help the building land of the New Methodist Church, let them have a crowded house.

Pianos and organs can be bought cheaper at Heinsberger's than at any other house in the State.

"The Little Gleaners." The entertainment to be given by 'The Little Gleaners" of the First Presbyterian Church, to night, at Concordia IIall, will be a pleasant affair. Fine music will enliven the occasion, while tables will be arranged upon which refreshments, articles of fancy work and flowers will be for sale. Our young triends, "The Gleaners," have worked earnestly and faithfully to ensure a successful ent rtainment and we trust that their endeavors may he liberally rewarded by a zenerous patronage.
