Liudge Albion W. Tourgee (our Tourgee) is reported seriously ill with pneumonia at his home in Mayville, Chau-

tangua county, N. Y.

James Madison Vandegriff, who died in New Orleans recently, in 1833 organized an association of gentlemen to that city pledged to the mutual assistance of its members in the event of sa epidemic. Out of this beginning erew the Howard Association.

An entomological and botanical ex ploration of the Amszon River in South America is to be undertaken by David Fulton, of Allegheny, Pa. He will leave on the 2d of March, and inby a peculiar people, of whom there is ! no record, which lie 120 miles from room, in the Court House Santarem up the Tapajos River.

It may be useful to recall what the position of parties in the House of Parlament is. The Liberals are 193 strong; the Parnellites, 86; the Conservatives 318, and the "Unionists" 73. It will thus be seen that the Convervatives fall short of an actual majority of the House by 35, but that the Conservaever the Giadstonians and Parpellites of 112. To place the Government in a uinority (in the full House) the detecion of 57 members-either Unionists r Tory malcontents -is necessary.

Heinrich von Treitschke, who sucreds Leopold von Ranke as Historios rapher of Prussia, is the fifth man apjointed to that post, and not one of hem has been a native of Prussia. The r-1 was Johannes von Muller, a Swiss the had long lived at Vienna. He was prointed in 1804, but after Jena be ecame so fulsome a flatterer of Napoon that he was asked to resign. Barhold George Niebbur succeeded him, a ane, who began his career as a finaner and left his best record as a student Roman literature and archæology. riedrich Wilken, the historian of the arger. Leopold von Ranke, the fourth as a Thuringian, and his successor as also not born in Prussia.

seful and Hurtful Medicines. There is a certain class of remedies for conpation absolutely useless. These are boluand potions made in great part of podoyllin, aloes, rhubarb, gamboge, and other rthless ingredients. The damage they do the stomachs of those who use them is in culable. They evacuate the bowels, it is e,but's lways do so violently and profusely, besides, gripe the bowels. Their effect is weaken b th them and the stomach. Betfar to use the agreeable and salutary ape at, Hostetter's Stomach Bitters, the laxaeffect of which is never preceded by pain, companied by a convalue, violent acof the bowels. On the contrary, it invig-tes those organs, the stomach and the en system. As a means of curing and preting malarial fevers, no medicine can come with it, and it remedies nervous debilirheumatism, kidner and bladder inactiviand other inorganic alimen's

The Verdict Unanimous.

W. D. Sult. Druggist, Bippus. Ind., estifies: "I can recommend Electric Bitters as the very best remedy. Every bottle has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing" Abraham Hare, druggist, Bell medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only half a dollar a bottle at W. H. Green & Co's.

Brace Up. You are leeling depressed, your appetite is poor, you are bothered with Headsche, you are fidgetty, pervous, and generally out of sorts, and want to brace up. Brace up, but not with stim which have for their basis very bad, cheap whiskey, and which stimulate you for an nour, then leave you in worse condition than before. What you want is an alterative to purity your bought a half fot of land blood, start healthy action of Liver and Kidneys, restore your yitality, and give renewed health and strength. Such Bitters, and only 50 cents a bottle at W. H. Green & Co's.

The Gas Works.

Since we visited these works August last, at which time important changes had just been commenced, there have been many and decided improvements made. The work is not ville, Ohio, affirms: "The best selling yet completed, nor does the company expect to have it all finished until about the first of August next; but enough has been already done to show what the works and their capacity will be when all the changes have been made. lished in this place at Heinsberger's. We paid a brief visit to the works yesterday afternoon, and toaday we give a snort account of the proposed improvements, some of which are already completed, while some are but just begun. The company has heretofore been much hampered for want of space; and to ulants, spring medicines, or buters, supply the large demands for gas they have made arrangemen's to very largely increase their producing capacity. To accomplish this object they have on medicine you will find in Electric running through to Surry street. On enbic feet of gas. This will give a to- will dispute. tal capacity of 96,000 cubic feet of gas. instead of 30 000 cubic feet, as heretofore. To build this large gas holding tank will reguire 200,600 bricks, 700 barrels cement and 300 tons of concre'e The latter article is brought here as GEO R FRENCH & Soxs-Best in the State ballast for vessels, and is composed of MILLER & Niestlie-Kennedy's Medical broken rocks and clay, and 200 tons of the material are now being landed at Moulding. Best in city, at Jacont's the wharf near the works, which came from Plymouth, Eng. Tre iron work for the tank was marufactured by the Messrs. Tanner & Delaney iron works

of Richmond, Va. A new stock of five retorts is being put in, and when these are completed there will be 18 retorts in operation, an increase of 50 per cent, over the previous arrangement The retorts were manufactured by Messrs.
