Herr Falbe, the wise Austrian who says he predicted the recent earthquakes, predicts more for April and perhaps a lew for May.

Dr. Kovaleffski, a very wise Russian doctor, tells trightful stories of the number of lunatics in his country .-There is room for only 10,000 in the saylums, and they are brutally treated. About 90,000 resm about at large without any care. They are to be met on all the country roads, and they avenge ill usage by ma:ming little children.

The board of managers of the Penn sylvania Colonization Society report that fifty emigrants, mostly agriculturists, commended for sobriety, industry and integrity, were sent out to Liberia last week. Also that a party from ladian Territory had sailed, who not only paid their fares to New York, but paid the society in part for their passage, and took out with them a considerable amount in goods, tools and

The people of London are whirled from one part of the British metropolis to another by underground railway trains, on which the fare varies from 2 in 4 cents. The greater proportion of the tickets are sold for 2 cents. The trains are run at intervals of from a minute to a minute and a half. Nobody bas ever been killed on this underground road, although more than 20,-

Writers in Paris are distinguishing themselves now with merciless attacks upon Victor Hugo, so recently worship- next. ped. Henri Taine speaks harehly of the bard who wrote the "Legende des Siecles." and calls him a writer of epileptic verses. Jules Lemartre, one of the best literary critics in France. declares that the dramas of the great American who, ignorant of the French p m., as heretolore. anguage, has gone to sleep to the words of "Hernani" at the Theatre Français.

la addition to the names of Dr. Joseph Parker, of London, and the Revs. A. J. F. Bebrends and Hugh stional Church, of Boston, has been mentioned as a possible successor to Mr. Beecher. Dr. Duryen went to bis present charge from Brooklyn, and is regarded as one of the most liberal minded men among the Congregational ciergy. The Rev. Dr. Edward Eggles ton, who retired from the Church of the Caristian Endeavor some time ago. and has been busy with literary work ever since, has also been brought up in the present discussion.

Mr. Rufus Magee; United States minister of Sweden, is in Washington city. Mr. Mages is delighted with his residence in that country. He describes he people as being the most polite and courteous in their social intercourse of by in the world. The most cordial good feeling exists between the King nd his subjects. The King walks hout the streets of Stockholm as dem. cratically and as safely as Gen. Grant, habed in this place at Heinsberger's.

> A Tribute to Our City. Mr. H. A. L. ndon, of the Chatham

writes thus pleasantly of Wilmington

in this week's issue of his paper: Wilmington is the largest city in the State and yet very little is known about it by the bulk of our citizens. This is It North Carolinians were better acquainted with their chief city it would that the people of North Carolina patr nize to a greater extent and do more MILLER & NIESTLIE-Kenredy's Medical to build up the sea ports of other States for North Carolina than Wilmington Day's length 12 hours and 6 minutes.

We much enjoyed recently a visit of a visited only a year ago with probably the most destructive fire ever known in North Carolina, yet now there are scarcely any vestiges of it to be seen .larger and more costly buildings are erected in the place of those burnt, and the great fire has thus proved a blessing in disguise, as usually is the case with conflagrations in cities where prudent mea keep their property insured. All over the city we saw many handsome residences recently erected, and others in progress of construction, increase in Pender county in face of the If Wilmington is a "dead city" as prevailing low prices for the last two or last Lot-Begins at the northeast corner of asserted by some, it is certainly a very lively corpse! It has done during the past season the largest cotton business ever before done, the receips of cotton being nearly 40.000 and local farmers' clubs in the various work by sending your clothes for repairs | bales more than during any previous year. In its harbor may be seen many vessels loading for ports in all parts of The Register of Deeds issued six mar- Europe, and its foreign trade is yearly peanuts and more corn, small grain, riage licences this week-two for white increasing. This is due to the improve ments yearly made by the national government at the mouth of the Cape Fear river. The deptn of water has the hog raisers and producers of the been so increased that yessels of almost North and West. Home production is pastor of the Baptist Church at Chapel the largest tonnage can now cross the booming in the new county. Less bar and come up the river to Wilming. ton. The proximity of this ity to the New Hanover Criminal Court, Judge Gulf stream renders its clin ate delight ful nearly the entire winter, and should among our best larmers. make it a pleasant winter resort for and the citizens of our up country will find pleasant summer resorts at the Connor takes well in the county. Owing several Sounds near Wilmington, to the hard times, or some other cause, which are easily reached by one of the smoothest shell roads to America. The journey from this section to Wilming. ton was formerly very fatiguing, but is tried were old chronic ones. The grand now a pleasure trip. It is only a night's ride from here in a comfortable bed in a sleeper on the R & A. A. L. and C man sleepers, and in them travelling is foreman. The greater part of one day Ger. barque Pil'au, Gerlach, cleared rendered a pleasure ride it lead of a the time when three or four ays were indictment against Andrew Sloan, excepting, however, from said description ist to Wilmington, and it was quite a contents of Dr. S.
