The new explosive which the Amerian elergyman the Rev. P. M. Donoing, has invented and passed over for heuse of the French Government, is saled carnonated glycerine. It is laimed to be a more destructive agent han melinite, and it is a matter of re mark that a minister should devote his

alenis to the art of shedding blood.

Henry Ward Beecher's death makes ome difference to Brooklyn. On the big bridge, for instance, it is said that bout 1,000 churchgoers crossed to Brooklyn at about 10 o'clock every anday morning, presumably bound or Beecher's and Talmage's. The bridge traffic now amounts to \$75,000 on week days and \$50,000 on Sundays.

Another of the well-known beauties of the Landon social world is about to lorsake the drawing room-though not or the stage-Mrs. Wheeler, so well known as the contemporary of the Jersey Lily, both in heavily and popu arity, being about to enter a dressmaker's establishment as one of the working partners.

The President and his wife were acusly trozen out of Red Top The March winds whistled through the cracks in the house with a persistence which was both impudent and annoylag Oply one ro m in the house can be kept comfortably warm at this sesson. It will cost the President near-\$ \$3 000 to put the place in condition for a winter residence.

Tue secretary of State for Massachusetts has issued a report showing to what extent women have taken advan age of the law passed in 1880 permit ing them to vote at school board elections. In 1881, 1,574 tadies voted, and in 1886, 1,911. The largest possible emale vote in the State is 340,000 and bence it would appear that after six years less than sixtwomen out of every thousand take the trouble to record their votes.

The total number of retail liquor licenses issued in Alabama last year. exclusive of those in Mobile, was 538. In six counties only one was issued in our counties two were issues. in three counties three were issued and in ten mies four were issued. In 7 counties n which 70 licenses were last year pro saloons in the State, outside of Mo-

A writer in the Pall Mull Gazette realls the story of the late Philip Boorke arston's love tragedy. Blind from oyhood, when be was still a young an he became engaged to a beautiful oung lady, and the time of their weding was near at hand. They were gether in the parlor one day. Sudenly he noticed that she no longer oke to him. He called her, but there as no reply. He groped about the m in search of her, found her on the la, and put his hand upon her face, ly to find that she was dead.
