Small text: Thompson was paid \$10 a line for his latest ode. Baron Nordenskiöld is getting ready to sail in search of the South Pole. Speaker Carlisle's latest proclamation to his party is: "We must stand every where for the protection of both labor and capital." The Russian imperial family have been induced through fear of the Nihilists to abandon their proposed trip to the Crimea. Friends of Postmaster General Vilas say that iron ore abounds on his Wisconsin lands and that he will be a millionaire in a little while. Millionaire Corcoran, who does more for Washington than all the other millionaires lumped together, pays taxes on \$2,100,000 worth of property. Bulgaria is reported to be in great financial trouble, as well as in constantly increasing danger from the disorganization and demoralization of her army. Queen Victoria has received enough jubilee gifts to fill a storehouse as big as Windsor Castle. Many of them have to be given away for want of place to put them. Senator Sherman's Mansfield friends say that their favorite is not a millionaire, but the man who has four acres in his sleeve rarely alludes to that fact prematurely. The figures of the Financial Chronicle show a gain of more than \$4,000,000, or 17 per cent., in the earnings of American railroads during March, 1887, over those of March, 1886. Out of 111 roads only 13 exhibit a decrease. This is more of the poverty and misery that were to come upon us as the result of Democratic administration of the National Government. The committee of the Presbyterian Church of England are preparing a revision of the Confession of Faith, to be submitted at the coming meeting of the Synod. It is reported that the changes recommended will amount to a reconstruction of the creed, and will be sure to lead to profound agitation among the Presbyterians throughout the world. A similar movement for the revision of standards of the Free Church of Scotland has been postponed, to be resumed after the English Synod has finished its deliberations upon the committee's report. Cardinal Gibbons' pronouncements upon the labor question have won for him the warm encomiums of the English Catholic press. The Tablet, in a remarkable article upon the relations of the Church to the rising democracy, says: "The Church, as the traditional friend of labor and of the people, is prepared for her task to shield democracy, now beset with dangers. The new Democratic power needs only to be Christianized, baptized, instructed and its intellect fully informed, when its voice will be won. As the Church Christianized the old autocratic forms of power, so now she must do the same for the Democratic form of power."

Charles R. Jones rushes to the defence of Charles A. Dana. That is just splendid. Charles A. Dana should now come to the rescue of Charles R. Jones. Nothing could be more appropriate. We do not know of any two ex-Democratic papers in the country that are more in need of sympathy and condolence than the New York Sun and the Charlotte Observer.

Congressman Scott, of Erie, is said by the Burlington, N. J. Gazette to be willing to bet \$50,000 that President Cleveland will be renominated without serious opposition and reelected at the proper time. Furthermore, he is said to be willing to wager a similar sum that the Republican party will make no Presidential nominations after 1892. The theory upon which the last wager is to be laid is that another defeat will disintegrate the Republican party, which Charles S. Wolfe insists is held together now only by the hope of a victory in 1888.

Don't Experiment.
You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at W. H. Green & Co.'s. Large bottles \$1.

A Sound Legal Opinion.
E. Bainbridge Munday, Esq., County Atty., Clay county, Tex., says: "I have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."
Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: "He positively believes he would have died, had it not been for Electric Bitters."
The great remedy will ward off, as well as cure all Malarial Diseases and for all Kidney, Liver and Stomach Disorders stands unequalled. Price 50c. and \$1, at W. H. Green & Co.'s.

Charlotte Chronicle: The Board of Aldermen of Wilmington have renewed the contract with the electric light company to light that city. The price paid for the street lights is \$10 50 each per month. In Charlotte the price paid for street lights is \$10 per month. Charlotte's electric light is the cheapest, and perhaps the best and most reliable of any Southern city.

Sunset to-morrow afternoon at 41 minutes past 6 o'clock.

Dr. Pritchard will preach to-morrow morning on "The Difference between a Baptist and all other Churches," and at night on "Paul before Festus."

Our French visitors paid their respects to Mayor Fowler at the City Hall this morning. Capt. Bouteil made a pleasant speech (in English) of gratitude at the reception that had greeted himself and officers to which the Mayor responded in appropriate times.

St. Paul's Lutheran Church.
Changes are being made in the interior of St. Paul's Evangelical Lutheran Church, to make room for the new pipe organ. It will therefore be impossible to hold services in the same. Services will be held to-morrow, in Luther Memorial Building, in English at 11 a. m., and in German at 8 p. m.

Formerly Lived Here.
We notice in our New York exchanges the death of Mr. John W. Sedgwick, of the jewelry firm of Cox & Sedgwick. Mr. Sedgwick will be well remembered by many of our older citizens as having been a resident of Wilmington for several years, before the war, in the employment of the late Mr. T. W. Brown on Market street.

Knights of Honor.
Carolina Lodge 434 K. of H., of this city, through their trustees, paid a few days since, to Mrs. J. B. Adkins, of Smithville, \$2,000 endowment upon the life of her husband. This makes \$6,000 paid to families of its deceased members in the last two or three months. This order is in a prosperous condition, having over 130,000 members and pays all endowments promptly.

PERSONAL.
Mr. Thos. H. Sutton, of Fayetteville, Senator from Cumberland county in the Legislature, was in the city today.
Mr. H. H. Donahoo, Southern Manager of the Taylor Manufacturing Company of St. Louis, is in the city today.
Col. Charles S. Hill, Secretary of the American Shipping and Industrial League, arrived in the city this morning.

Mr. T. M. Dawson is in the city on business connected with the Vacuum Oil Company, of which he is the Southern Manager.
Capt. H. Bouteil, Ensigns L. de Butieres, H. Terrier, and E. Paquer, of the French frigate *Ducoudrie*, are registered at the Orton House. These are the officers who came by on the *Colfax* yesterday. The other officers of the frigate are Lieut. Schmitz, Midshipman P. Mandine, Surgeon Vayse and Paymaster Berton, who remained on board the vessel at Smithville.

A Pleasant Occasion.
The presentation of the "Shakespeare Forfeit Party" at the Tileston School room last night was a most pronounced success. There was a large assemblage of the culture and refinement of the city in attendance and all were delighted with what they saw and heard. There was good music—both vocal and instrumental—all in the language of the immortal bard. A large number of young ladies and gentlemen were on the stage, some of whom evinced genuine histrionic talent. Among the characters represented were Portia, Jessica, Othello, Desdemona, Juliet, Queen Hermione, Henry V., Dogberry, Mr. Randa, Anna Boleyn, Hecate, Shylock, Mrs. Quickly, Ophelia, Lady Macbeth, and Queen Katharine. Selections from Shakespeare's plays were used as connecting links between the recitations in character, and were given with genuine taste and in most instances were good interpretations of the dramatist's ideas. It was indeed an elegant entertainment, for which Miss Brady and those engaged deserve the thanks of the community.

Things Worth Knowing.
That dyspepsia comes from torpid liver and costiveness.
That you cannot digest your food well unless your bowels and liver act properly.
That your bowels require thorough cleansing when they do their duty by your digestion.
That your torpid liver needs stimulating in order that it may act as nature intended it should.
That BRANKETH'S PILLS taken in doses of one or two at night for, say, ten days, will regulate the bowels, stimulate the liver, improve the digestion and drive away dyspepsia.
Buy yourself an oil stove if you want comfort during the Summer months. Their cheapness will surprise you at JACOB'S Hdw. Depot.

Our Visitors.
The officers of the French frigate *Ducoudrie*, who arrived in this city on the cutter *Colfax* yesterday, were given a reception at the Orton House last night. Col. F. W. Kerchner, President of the Chamber of Commerce, presided, and many of our best and influential citizens were in attendance. The *menu* was gotten up in superb style and the entertainment was an honor to our city and a pleasant occasion for our distinguished visitors.

Mr. George W. Kidder made the address of welcome, which was in the language of the visitors, and was a happy and felicitous effort, replete with grateful acknowledgments to Lafayette and other French patriots who so liberally aided this country in its struggle for independence.
The first regular toast was:
To Republic Francais—Our friends in our infant struggle for liberty; our friends in our advance to the manhood of nations, and our friends to-day—God bless the Republic of France.

Responded to by Capt. Bouteil.
The United States Engineer Corps—Deeper rivers for French frigates, more water for French ships and more wine for her representatives.
Responded to by Capt. W. H. Bixby.
The Old North State—First in war, first in peace and first in love for her chief metropolis, Wilmington.
In the absence of Mayor Fowler this toast was responded to by Alderman Fishblade.
Germany—We are proud of those who are now Americans.
Responded to by Mr. E. Peschaa.
Denmark—Whose flag is familiar to our eyes.
Responded to by Mr. R. E. Heide.
Other toasts, of which we have not the text, were given as follows:
"The Militia of North Carolina," Responded to by Col. W. C. Jones.
"Our Country's Future," Responded to by Mr. B. G. Empe, and "The Revenue Service," responded to by Capt. Moore.

During the entertainment the party was treated to a serenade of fine music furnished by the Cornet Concert Club. To-day the French officers went to See Side Park, at Wrightsville, Mr. Herbert Latimer's place, at which place they were entertained very handsomely by the Messrs. Latimer. They were accompanied by a number of our most prominent citizens, who had been invited to be of the party. They had not returned at our close.

Joint Meeting.
A called joint meeting of the Chamber of Commerce and Produce Exchange was held at the rooms of the latter at 11 o'clock this forenoon.
Col. F. W. Kerchner, President of the Chamber of Commerce, called the meeting to order and stated that it was called for the purpose of hearing some remarks from Col. Charles S. Hill, Secretary of the American Shipping and Industrial League, who was present.
Hon. A. M. Waddell, President of the League for North Carolina, introduced Col. Hill to the meeting in graceful and appropriate language.

Col. Hill, upon rising, said that after an absence of 25 years it was pleasant to return to the city and he was rejoiced to see the marked improvements which indicated a progressive people. The demands of the times were indicative of the importance of fostering our merchant marine, the decadence of which was the result in a great measure of unwise legislation and was ruinous to the country. He spoke of the importance of the meeting of the League which is to be held in Charleston, S. C., on the 25th, 26th and 27th inst., and urged strongly that Wilmington maritime interests be represented there. The country cannot resume its proper position among the nations of the world but by a restoration of our merchant marine. He paid a fine and deserved compliment to France, through the French officers, who were present.
At the conclusion of Col. Hill's remarks, on motion of Mr. H. C. McQueen, a Committee of three was appointed by the chair to further confer with Col. Hill, and, if deemed advisable, to send a committee to Charleston to represent the interests of Wilmington in that meeting.
Hon. A. M. Waddell, Col. F. W. Kerchner and Mr. H. G. Smallbones were appointed on that Committee.
Adjourned.

I. SHIRER reports that he is doing the largest Spring trade in clothing and gents' furnishing goods he has had for several years. The cause is that he sells cheaper than any one else. He has received a large line of Percalle shirts worth \$1.50, which he will sell at 75 cents, be sure and call and get a shirt.

At the adjournment last night, a recess was taken until Monday morning, in consequence of which there was no session of the Superior Court to day.

Attention is invited to the advertisement of Mr. M. S. Willard's insurance agency, as it appears in this issue. Mr. Willard represents none but thoroughly reliable companies and he can furnish fire, life, marine and accident insurance.

Cotton.
The receipts of cotton at this port for the week ended April 23d, 1887, foot up 91 bales as against 637 bales for the corresponding week last year, a decrease of 546 bales. The receipts for the crop year to date foot up 132,927 bales, as against 98,610 bales for the corresponding time last year, an increase of 34,317 bales.

The Railroad Jubilee.
An excursion train will be run from this city to Clinton on the 27th inst., to enable the military and our citizens generally to join in the celebration of the completion of the railroad to that place. Tickets for the round trip from Wilmington have been placed at \$1 50, and will be good on the 27th and 28th inst.
