**DR. KING'S NEW DISCOVERY FOR COUGHS AND COLDS.**

RESTLESSNESS, A SYMPTOM OF CONSUMPTION, BRONCHITIS, AND ALL AFFECTIONS OF THE THROAT AND LUNGS.

DR. J. C. KING & CO., PHILADELPHIA.

Mr. Secretary Whitney has included in the committee appointed to consider and report upon the designs for the new 6,000-ton cruisers. Mr. Edward Burgess, the successful designer of the Mayflower and Puritan. This recognition of Mr. Burgess as a competent authority upon marine architecture is particularly timely and appropriate.

A Philadelphia letter says that the dial faces of the huge clock—the second largest in the world—which are to go into the tower of the public buildings in Philadelphia, will be twenty-five feet in diameter and more than seventy-eight feet in circumference. The minute hands will be twelve feet in length, and at the expiration of every sixty seconds will move over thirteen inches. The hour hands, one foot shorter, will move more than six and one-half feet every hour. Chimes of bells will probably be connected with the elaborate mechanism, so that the quarters, halves and hours will be musically announced.

**Don't Experiment.**  
You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit if you tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at W. H. Green & Co.'s. Large bottles \$1.

**A Sound Legal Opinion.**  
E. Bainbridge Munday, Esq., County Attorney, Clay county, Tex., says: "I have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."  
Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: "He positively believes he would have died, had it not been for Electric Bitters."  
The great remedy will ward off, as well as cure all Malarial Diseases, and for all Kidney, Liver and Stomach Disorders—stands unequalled. Price 50c, and \$1, at W. H. Green & Co.'s.

**Work Resumed.**  
The work on the M. E. Church, corner of Fourth and Mulberry streets which has been so long delayed on account of the non arrival of some of the brick, has begun in good earnest, and the structure will be pushed as rapidly as circumstances will permit, to completion. Our townsman Mr. C. W. McClumny, has the supervision of the brick-laying.

**Superior Court.**  
The following have been the proceedings before this tribunal to-day:  
Geo. A. Peck vs. S. H. Manning et al. Continued J. D. Bellamy, Jr., for plaintiff; Russell & Ricard for defendant.  
S. V. Bunting vs. Sophia Bond. On trial. McRae & Strange for plaintiff; M. Bellamy for defendant.

**Wedding Bells.**  
Our young friend, Mr. W. L. Jacobs, and Miss Gussie Pugh, daughter of the late Mr. John H. Pugh, were united in the holy bonds of matrimony last night at St. James' Church, the pastor, Rev. W. H. Lewis, officiating. There was a large assemblage present to witness the impressive ceremony, at the conclusion of which a reception was held at the residence of the bride's mother, where many friends offered their congratulations and best wishes to the happy couple. The presents to the bride were numerous and elegant. The ushers at the church were Messrs. John Grant, T. H. Thompson, James Reilly and Jasper Pratt.

**Deserved Honors.**  
At the permanent organization of the convention of the Southern Department of the American Shipping and Industrial League, at Charleston on the night of the 25th inst., Hon. A. M. Waddell was made its President, and Col. F. W. Kerchner was made Vice-President, representing North Carolina. An account of the proceedings was sent us from Charleston on that date, but, unfortunately, it did not reach us until this morning, or it would have appeared in yesterday's issue. Both selections were good, and were a deserved honor to the gentlemen named as well as an honor to the city and State represented by them.

**Pender Items.**  
A friend at Burgaw writes us, stating that notwithstanding the recent cold snaps there are indications now that good crops will be raised in that vicinity this season, although, as a matter of course, they are somewhat backward. Fruit will be scarce, although there are some peaches and a good many apples.  
A municipal convention, to nominate town officers for the ensuing year, was held in the Court House on the evening of the 25th inst., at which the following officers were nominated:  
For Mayor—M. M. Moore.  
For Commissioners—R. M. Croom, E. McMoore, J. F. Croom, J. T. Collins and D. W. Rivenbark.  
For Marshal—J. D. Rivenbark.

**Last Night's Concert.**  
The concert at the Opera House by the Aege Society, colored, last night, was a complete and pronounced success. The music was under the direction of Prof. Shepherd, of New Haven, Conn. and was well rendered. The house was filled to its utmost capacity. One side of the parquette was reserved for the accommodation of white people, and every seat was taken. The choruses, solos and quartettes were well given and were alike creditable to those who participated and to Prof. Shepherd and his assistant, W. H. Norwood. The Asaph Club were also present and gave some fine selections, among which the "Cuckoo Song" was especially notable. The concert was given for the benefit of St. Mark's Episcopal Church, colored, and was a financial as well as musical success.

I. SHRER reports that he is doing the largest Spring trade in clothing and gents' furnishing goods he has had for several years. The cause is that he sells cheaper than any one else. He has received a large line of Percelle shirts worth \$1.50, which he will sell at 75 cents. be sure and call and get a shirt.

**City Court.**  
Carrie Frank, colored, was brought before the Mayor this morning charged with disorderly conduct. The offense was trivial and she was discharged with a warning to behave herself in the future.  
Richard Herring, also colored, charged with disorderly conduct, was required to pay a fine of \$25 or be closely confined in the city prison for 30 days.

**Shad-oway.**  
The New York Herald complains that the shad is a month behind time in reaching northern waters and is at some loss to understand the cause. They are quite plentiful and we presume entirely comfortable in the waters, of the Cape Fear, and they are bound to aid in booming southern industries, with out the aid of northern capital.

**Invited.**  
In accordance with the action of the public meeting at the Produce Exchange yesterday, the Committee appointed for the purpose have sent to Charleston an invitation to Secretaries Lamar and Fairchild and Postmaster General Vilas to visit this city on their return to Washington. No answer to the invitation has yet been received.

**For Clinton.**  
The Wilmington Light Infantry, Capt. J. H. Daniels, with its drum corps and the Cornet Concert Club, left on this morning's train for Clinton to attend the railroad jubilee to be held there to-day. The Infantry turned out with unusually full ranks and presented a fine appearance as they marched to the depot to take the train. Quite a number of our citizens availed themselves of the very low excursion rates to take "a day off" from the cares of business and visit the beautiful and prosperous town of Clinton. The weather has been, during the day, all that could be desired, and we doubt not that our military, musical and other fellow citizens will have a good time with the chivalric and hospitable people of Sampson county to-day.

**DIED.**  
HART—In Wednesday, the 23rd inst., MRS. SARAH M. HART.  
Funeral services will be held at her late residence 711 South Third Street, at 10.30 o'clock, Thursday morning.
