The breath of a chronic catarrh patient is often so offensive that he cannot go into society and he becomes an object of disgust. After a time ulceration sets in, the spongy bones are attacked, and frequently, entirely destroyed. A constant source of discomfort is the dripping of the purulent secretions into the throat, sometimes producing inveterate bronchitis, which in its turn has been the exciting cause of pulmonary disease...

The Seven Cuticura Boys

These seven beautiful boys owe their beauty of skin, luxuriance of hair, purity of blood, and freedom from hereditary taint or humors to the celebrated CUTICURA REMEDIES. Thousands of children are born into the world every day with some eczematous affection, such as milk crust, scall head, scurf or dandruff, surfs to develop into an agonizing eczema, the itching, burning and disfigurement of which make life a prolonged torture unless properly treated.

Your most valuable CUTICURA REMEDIES have done my child so much good that I feel like saying this for the benefit of those who are troubled with skin disease. My little girl was troubled with Eczema, and I tried several doctors and medicines, but did not do her any good until I used the CUTICURA REMEDIES, which speedily cured her, for which I owe you many thanks and many nights of rest.
