The Daily Review

JOSH. T. JAMES. Editor & Prop WILMINGTON. N. C.

MONDAY, JUNE 6. 1887

Entered at the Postoffice at Wilmington, N. C., as second-class matter.

Bradstreet's turnishes the following commercial summary for the

Special telegrams to Bradstreel's do not record much change from last week as to the movement of general merchandise Chicago and St. Paul admit a decitoing volume of trade in a few May in excess of last year, with a fair The surest way for sweet girl gradumes, but point to a total traffice for between season business at present. ates to get into print is to wear calico At Cincinnati, St. Louis, St. Joseph, dresses on commencement day. - Low-Kansas City and Sioux City there con ell Citiz n. tiones a noticeable activity, with some improvement in special lines. San man realizes is a while after he has Francisc and Denver likewise make planted some bird seed with the idea tayora de reports. The late rains and that he was going to raise canaries .excellent crop prospects in Louisiana Somerville Journal. have stimulated trade at New Orleans; planters are buying more liberally and lands going to the country. Rains are reported west, northwest and souths ter in America, received in return a west, and the crops have been benefit two dollar set of talse teath. - East n ed. The activity in real estate at San (Penn) Free Press Francisco, Kansas City, St Joseph, continues a marked feature and explains care a large post-hele manufactory, Franklin-January 24, 1 week; June 6,

a portion of the excessive demand for eastern lunds. Bank clearings totals for May and for five months, specially wired to Bradstreet's, prove among the most valuable cat. What we want to know is the exmeasures of the volume of trade this year yet published, owing to compari- act locality where a goodly quantity of sons being turnished for 1886. 1885 and the quality of care above referred to can 1884. But 30 cities (out of 38) report be procured at any price .- Youkers totals for four years. The decline of Statesman.

are 6 per cent less than in May, 1884

record for 1884 While, together, they

are 6 per cent. less than in May, 1884

and hardly equal for the five months to

the record of 1884. The three sets of

ctals average about 40 per cent. ahead

of May and the total for five months in

1885. Compared with May, 1886, the

gain is about 20 per cent for 30 cities.

but for five months the gain is only 9

per cent., owing to the heavy decline at

New York. For five days ended yes

erday the total clearings aggregated

\$901,000 000, a decline of \$58 000 000,

or 6 per cent. for the (short) week -

This is a gain of but \$29,000 000 over

and demands from wool and

grain grawing regions are primarily

responsible. Chicago drew lunds

from New York during the week

Discount rates have not changed

materially. The New York stock

market is dull and spiritless. Activity

is confined to manipulation by the bull

pools or bear raids by traders. Little

significance attaches to the fluctuations.

The general feeling is, however, bullish

on the outcome and there is a certain

measure of dull strength in the market.

The industrial situation has been im-

proved by the going back to work of

over 7.000 of the 8 000 striking and

locked out stove molders at 18 cities.

Bradstreet's records show that 78,618

men struck during May against 216 000

in May, 1886 making a total tor five

months of 226 803 strikers (and em

ployees locked out), against 346,630 in five months of 1886 The number of

strikés this year, however, is 480,

against (nominally) 164 in 1886. The

coke strike continues, but is likely to

be settled soon, not withstanding news-

paper predictions to the contrary

Three more blast turnaces have banked

down, two in Ohio and one in Pennsyl

vania, with 2,000 tons weekly capacity

and bituminous furnaces on May 1 had

about 190,000 tons of stock, of which

about 70,000 tons was Bessemer. They

have curtailed output during May

(wwing to the coke strike) about 145,-

000 tons Steel mills are not all run-

ning under full headway. Reports

that all coke ovens in Pennsylvia are

idle are based on ignorance. About

3,000 tons daily are being producted or

about 16 per cent, of the probable
