The wall-paper pool has expired by limitation. Twenty-two of the thiny five factories were in the arrange. ment It is expected now to shut up the small manufacturers and then re form the pool.

The forthcoming marriage of the Emperor of China is officially announce ed His wife has been selected . The stivities will cost £1,000,000. Numerons changes are expecteed in the Imperial Government.

Elicott Cay, Md., has a confirmed moker who is only 2 years old, and still attended b a nurse. He smoked eigar recently for an hour or more and showed no signs of sickness. The ittle tellow has contracted the habit from his older brother.

An English paper tells a wild tale about an old German who has invented a safe, that on its lock being tampered with throws open its doors, seizes and drags and locks in the burglar, and handcuffs and holds him in readiness to be conducted to the police court in the

In the opinion of Ignatius Donnelly the terrible fires in the West in 1871, when it seemed as though flames flashed in the atmosphere from burning fires and kindled new fires where they touched the earth, were the result of a part of the earth's surface being enveloped in a comet's tail. The conditions at present in parts of Illinois and Wisconsin resemble those of the period of which the author of "Ragnarok" wrote

Eastern Pennsylvania is about to start a gas boom to offset the natural as movement of the more favored scclions of the State. It is stated that the Westinghouse Company has succeeded. fier considerable experimenting, in reducing anthracite coal to a gas for fuel so as to make it a formidable come new enterprise. It will be easy to carry the new gas in pipe lines almost any distance, as the gas from anthracite does not possess the penetrative or explosive qualities which make natural gas lines so very dangerous. Thou sands of acres of coal lands are now being bought by the gas projectors.

Theaffairs of the American Cotton Oil Trust, as reported at the annual meeting, show a capitalization of \$41. 106,000, represented by mills, products and securities Last year's earnings amounted to \$2 439,720; cash on hand, \$750,000; products unsold, \$3 378,660. A quarterly dividend of 1 per cent, was declared, payable August 1. It was toled to select a trust company for the deposit and register of the Trust's description. When that shall have been American flags, muslin flags on lears and John Schtt for one year.

# THE DATES REVIEW.

VOL. XI.

WILMINGTON N. C., SATURDAY, JULY 9, 1887

NO. 162

It is authoritatively stated in Nashal viile, Tean., that quantities of the finest badges had been sold, and they are character of lithographing stone have been discovered in that State, and per day. some of it placed quietly on the market in New York City. The exact point where the discovery was made has not been made public, but a gentleman well informed says that it can be placed on sale in Nashville at a cost of 40 cents per hundred pounds. Superior qualities of stone, such as this is described to be, ought to fetch at retail from 6 to 28 cents per pound, according to the degrees of tineness.

Reaews Her Youth

Mrs. Phœbe Chesley, Peterson, Clay Co., Iowa, tells the following remarka am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from al pain and soreness, and am able to do may differ with Elder J. P. King, are all my own housework I owe my cordially invited to attend the services thanks to Electric Bitters for having at the Second Advent Church to-mor renewed my youth, and removed completely all disease and pain." Try a bottle, only 50c. For sale by W. II. Green & Co.

#### Worth Knowing.

Mr. W. H. Morgan, merchant, Lake cold, attended with a distfessing Cough and running into Consumption in its first stages He tried many so called abode." popular cough remedies and stendily grew worse. Was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half dozen bottles tound himself well and has had no return of the 10th to 13th says: disease. No other remedy can show so grand a record of cures, as Dr. King's New Discovery for Consumption Guaranteed to do just what is claimed for it Trial bottle free at W. H Green & Co's Drug Store

#### The Roanoke Patron.

North Carolina, speaking of the Grange B P Thorp. The liabilities of the firm Encampment and Farmers' Fair, to be amount to about \$64 400, while the held at Mt. Holly, Gaston county, Augs assets are between \$80 000 and \$90,000

county, N C., meets our hearty ap proval, and we hope as many patrons and farmers as can do so will attend ty of spending a few days yery pleasantly, away from the toil and cares of the farm. Mt. Holly is a few miles west of Charlotte, easily reached by railroad, and reduced rates will doubt. less be obtained on all the roads leading thereto. We hope the Grange will be well represented, and good may be

#### Interesting Services.

The services to-morrow at Fifth Street M. E. Church will be of unusual interest. The sermon in the foreucon by the pastor will be on the "Lord's Supper," The Presiding Elder, Rev. T. W. Guthrie, will preach at night, after which the sacrament of the Lord's Supper will be administered day A cordial invitation is extended to the public to attend.

#### Slight Fire.

At about half-past I o'clock this after- tative-elect from the Third Congressionmon an alarm of fire was turned in al District, was in the city to-day. from box 35, corner of Eighth aud Market streets. The fire was on ity Church, Natchez, Miss., is here on Eigath street, between Dock and Orange, and was put out by the neigh- set. bors, without further damage than burning a small hole in the root of the building. The firemen turned out promptly, but their services were rot needed as the flames had been extinguished before their arrival.

#### City Court.

Henry Whitfield, colored, was brought before the Mayor this morning to show cause why he had not procured a badge for his dog. The excuse that he had no money was considered insufficient and a fine of \$3 was imposed-\$1 of which would be remitted when the defendant procured a badge.

Cad Humphrey, colored, who hails from the country, was not posted as to the rules and regulations obtaining in the city and was charged with committing a nuisance in the street. His plea at Martinique, who has been in this of ignorance was accepted in extenuation and judgment was suspended in train for his home at Martinique, via

A Relapse. We regret to state that Mr. W. Willson, Jr., who has been sick with lever for more than a month, but was thought to be recovering, has suffered a relapse, and is now very sick. was convalescent and took a trip to Southport, where in the certainty of a speedy recovery he left off taking meds icines, and the tever returned with increased violence. He is now at the house of his father, in this city, where every care will be given him, and where, if gentle and affectionate nursing may prevail, we expect soon to see him on the road to a permanent re

"Where can I go to buy what I want?" "What do you want? Well, whatever you want, whether Matting. Towels. Trunks, Gossamers, Hammocks, Straw Hats or Summer Clothing, you can save money to buy at Sol.

Some of the principal displays at the Grange Encampment and Fair. at Moint Holly, August 10th to 13th, will be of fruit. The managers have made a wise move in inducing J. VanLindlay. Esq. the practical fruit raiser and nurseryman, to deliver a lecture on 'Fruit Growing in the South."

Indications For North Carolina, local rains, and statio ary temperature.

Store Breaking.

The store of Mr. Alfred Shepherd, at Scott's Hill, Pender county, was broken open a few nights since and was pretty thoroughly robbed of its contents. The thief or thieves made a gen ral over hauling of the goods and carried away nearly all of a portable nature There is no clue as to who did the deed.

#### · Cotton.

The receipts of cotton at this port from July 1st, to July 9th 1887 foot up 118 hales as against 13 bales for the corresponding week last year; an increase of 105 bales. The receipts for the crop year to date foot up 133,761 bales, as against 101 412 bales for the corresponding time last year; an increase of 32 349 bales.

#### Failure at Oxford.

forms us that Messrs. Davis & Gregory, wholesale grocers and dealers in ferti lizers buggies and wagons, at that The official organ of the Grangers of place, have made an assignment to Mr. The cause of the assignment is due to The Grange Encampment and Far- the fact that last week Mr. E B mers' Institute at Mt. Holly, Gaston Whitman, of Baltimore, drew on Messrs. Davis & Gregory for about \$10,000, and requested them to draw It will afford farmers a fine opportuni- back, adding exchange, which they accordingly did. When their draft reach ed Baltimore, Whitman had made an a-signment and it was protested. These firms have frequently accommodated each other in this manner, without resulting trouble, until the present time done in strengthening the Order in the Messrs. Davis & Gregory do not know whether Whitman has included them among his preferred creditors or not They are thorough going business men and it is believed that, if they have a their trouble all right.
