It is announced that Prince William of Prussia is to be at Gastein with his grandfather during the visit of the Emperor of Austria. This has caused some surprise. But the real fact is that very strained relations have existed be tween Prince William and the Crown Prince of Austria since the visit of the former to Vienna, when they bad a vio lent quarrel Prince Bismarck is most anxious that a reconciliation should take place. It is for this reason that he has prevailed upon the Emperor William to command his grand son's presence at Gastein in order that he may bave an opportunity of recevering his pisce in the good opinion of the Emperor of Austria

It is said that orders have been issued NEW ADVERTISEMENTS from headquarters to begin at once the work of extending the Carolina Central R. R. from Rutherfordton to Asheville. This is really a glorious piece of news lor our people. The extension of this road will place Wilmington within 15 or 16 hours' ride of Asheville, and on a direct line, the dis tance being, we think, something more than 300 miles. It is bound to be great deal of benefit to the business interests of the people of Wilmington.
