ROYAL

BAKING

POWDER

Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low test, short weight alum or phosphate powders. *Sold only in cans.* ROYAL BAKING POWDER CO., 106 Wall st. N. Y.

STATE NEWS.

Greensboro *Workman*: A revival meeting, at Alamance church, which began on Saturday, 20th, and closed on Sunday, 28th, resulted in the conversion of about 20 persons.

Charlotte *Chronicle*: Mr. James McLeod died at the residence of his son Mr. R. M. McLeod, two miles east of Matthews Station, at 8.30 o'clock yesterday morning. The deceased gentleman was about 80 years of age, and was a brother to Major M. D. L. McLeod, of Charlotte.

Snow Hill *Enterprise*: The protracted meeting, conducted by Rev. E. J. Harper, in the M. E. church of this place, came to a close on Thursday evening, 25th inst. The results of the meeting are without precedent in this town, there being about 68 professions, 55 of whom joined the M. E church.

Tarboro *Southerner*: Mr H. D. Teel says the following is true to the letter: Riding in the country the other day, he saw a large black snake coiled around a large oak tree three or four times. Pistol practice began and the snake was accidentally killed. The body of the snake in several places bulged out so that the curiosity of Mr Teel was excited so he cut it open and found four grown rabbits which the reptile had recently swallowed.

Goldsboro *Argus*: The water is very high in both Neuse and Little Rivers; higher than it has been in eighteen years, so those say who remember to have observed the freshet of 1870. However, we are glad to be able to state that thus far but little damage has been done, we believe, to crops. This is attributed to the work of the government in having these streams cleaned out. The water runs off more rapidly now and is less subject to overflow.

Raleigh *News and Observer*: Colored citizens of Newbern have applied to the Governor for permission to organize a military company. Citizens of Salisbury have also applied for permission to organize an artillery company. —— There are now one hundred and eleven telephones in use in the Raleigh exchange. This number is greater by ten per cent than in the exchange of any other city of the same size of Raleigh south or east of the Ohio river.

Shelby *New Era*: Mr. J. Devinney Putnam, a farmer living on the Spangler place near Shelby, attempted to commit suicide last Thursday by hanging. Mr. Putnam had tied a rope around his neck and was putting it over a joist in a room in his dwelling, when some neighbors, alarmed by the screams of his children, who were in the same room, ran in and prevented him from taking his life. Mr. Putnam has been very despondent lately on account of some family troubles and this, it is thought, had affected his mind and caused him to attempt the rash deed.

Chatham *Record*: In illustration of the low valuation of property in this county, we would mention that, according to the last returns of the list takers, there were more horses in Albright township than in any other and yet there were only seven horses in that township that were valued as high as $100 apiece. ——On last Friday afternoon some colored people were returning to this place from a church meeting at Mitchell's chapel, and, when about two miles from here, they saw a hawk fluttering in the road. On approaching nearer they were surprised to see a black snake coiled around the hawk's neck, struggling to escape. They killed both the snake and hawk, which was a large blue tail chicken hawk.

Weldon *News:* The vineyard of C. W. Garrett & Co., at Ringwood, is the largest in the State. He purchased the farm in 1868 which has been for a long time known as Welless' Vineyard, and by care and good management made it a most valuable property. Since his death in November last it has been excellently managed by Mr. H. S. Harrison. The farm contains 65 acres in scuppernong grapes and 20 in other varieties. Most excellent wines are made there, the product last year being 38,000 gallons. A larger quantity will be made this season. The cellar contains between 50,000 and 60,000 gallons of wine and about 2,000 gallons of brandy. These have a splendid sale throughout this country and quantities are shipped to foreign countries every year.

Durham *Recorder*: The wages of laborers in the cigarette factories of Durham average, everything as a basis, $6 per week. In the smoking tobacco factories $4 per week. In the snuff factory, $4 per week. The two last named employ chiefly colored labor. The making, packing and stamping of cigarettes are done altogether by white employees. ——The corn crop in Durham county last year was almost a failure, and the hogs were killed or sold, and although the fall pigs are usually not much thought of, this year the farmers see in him a market for their corn which because of its abundance will be low priced. Hog raising will be a good paying business, for some time, and it is one of the ways out of the difficulties that surround the farmers.

MISCELLANEOUS.

To the Public.

THE UNDERSIGNED, WHO HAS BEEN engaged in the Clothing and Gentlemen's Furnishing Business in this city for nearly twenty years, will within a few weeks remove to new, large and commodious quarters on North Front street, and he takes this opportunity of thanking his many kind friends and patrons for the liberal patronage he has so long received at their hands and to assure them that in the future he will use his best endeavors to please them and retain their valued custom. Respectfully,

I. SHRIER.

In a short time I will go North, not for the purpose of replenishing my stock, but to buy an

Entirely New and Elegant Line of Goods for the Fall and Winter Trade!

I have but a small part of last Winter's stock on hand now, having managed to cleanit out last Winter and Spring, but I have a fair line of Summer goods in the way, which

Must and Will be Disposed of!

I do not want to carry a dollar's worth of old stock to my new quarters, if it can possibly be avoided. I have no room for it there and have determined to get rid of everything before I move.

My goods have been marked down to almost nominal prices, and I am offering

Extraordinary Inducements to Cash Buyers!

I will refuse no reasonable offer and I guarantee everything just as it is represented to be when sold.

Come and see the goods and the prices, but do not buy unless you find it is to your advantage to do so.
