SIMMONS' LIVER REGULATOR
PURELY VEGETABLE.
It acts with extraordinary efficacy on the LIVER, KIDNEYS, AND BOWELS.
An EFFECTUAL SPECIFIC FOR
Bowel Complaints, Sick Headache, Biliousness, Jaundice, Colic, Constipation, Kidney Affections, Mental Depression, etc.

BEST FAMILY MEDICINE
No Household Should be Without It.
It is a household necessity, and is used by millions of people in all parts of the world. It is a safe and reliable remedy for all ailments of the liver, kidneys, and bowels. It is a purely vegetable preparation, and is entirely free from any harmful or poisonous ingredients. It is a most valuable and effective medicine, and is a household necessity for all families.

Hand-painted coffins are the latest society freak in Boston.

A big church organ made of paper is said to be the latest discovery in the musical line.

Many people will be surprised to learn that E. Barry Wall, "the King of the Dudes," is a very good all-round athlete. He can walk a mile in seven minutes, and his biceps are as well developed as his legs. It would be well if all dukes should attempt to rival their king in muscular development as they try to copy him in dress.

The Hawaiian "army" consists of one generalissimo, five colonels, five majors, one adjutant general, one quartermaster general, one intelligence officer, one engineer, one aide-de-camp, one adjutant, one captain, two lieutenants, eight sergeants, sixteen corporals, one bandmaster, twenty-four bandmen and sixty privates. It is supposed to have been modelled after the United States army on a peace footing.

Mrs. Cleveland has been shopping in Washington since her return to that city. She is well known in the leading stores of the capital, and there is always lively competition among the clerks for the privilege of waiting upon her. Sometimes she enters a store where the crowd is unusually large, but invariably awaits her turn and never attempts to take precedence over other customers.

The present financial condition of Halifax county, says the *Raleigh News and Observer*, is an instance of the benefits which accrue to the people from the economy and efficiency of Democratic control. The whole debt of the county has been paid, and there will remain after settlement with the sheriff between \$5,000 and \$10,000 in the treasurer's hands. The total tax levied on property is only sixty cents, and \$1.80 represents the tax on the poll. The liquor license tax collected for the year ending Sept. 1 amounts to some \$7,800.

An alarming degree of ignorance prevails among the child laborers in New York factories, if the annual report of the State factory inspectors can be trusted. Thousands of children born in this country or who came here in early childhood are unable to read, almost as many are unable to write, and thousands of others can do little more than write their own names. A third of the affidavits of parents examined in the factory towns were signed with a crossmark. The report suggests establishing night schools in every village and town in the State, and recommends a law to prevent the mingling of the sexes in factories.

Rock Crystal Spectacles and Eyeglasses.
Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye, as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.

A Sound Legal Opinion.

E. Bainbridge Munday, Esq., County Atty., C. ay county, Tex., says: "Have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."

Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: "He positively believes he would have died, had it not been for Electric Bitters."

The great remedy will ward off, as well as cure all Malarial Diseases and for all Kidney, Liver and Stomach Disorders stands unequalled. Price 50c. and \$1, at W. H. Green & Co.'s

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems, at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at W. H. Green & Co.'s. Large bottles \$1.
