THE DAILY REVIEW.

VOL XI WILMINGTON, N. C. THURSDAY, SEPTEMBER 29, 1887 NO 232

PLEASE NOTICE We will be glad to receive communications from our friends on any and all subjects of general interest, but...

CONSTIPATION

It is called the "Father of Diseases," because there is no medium through which disease so often attacks the system as by the absorption of poisonous gases in the retention of decayed and effete matter in the stomach and bowels.

Loss of Appetite, Sick Headache, Bad Breath, etc.

The treatment of Constipation does not consist merely in unloading the bowels. The medicine must not only act as a purgative, but be a tonic as well, and not produce either too great costiveness, or procure a regular habit of body without changing the diet or disorganizing the system.

My attention, after suffering with Constipation for two or three years, was called to Simmons' Liver Regulator, and having tried almost everything else, I concluded to try it. I first took a few pills, and afterwards reduced the dose to a teaspoonful, as per directions, after each meal.

Take only the Genuine, which has on the wrapper the red Z Trade-Mark and Signature of J. H. ZEILIN & CO.

LOCAL NEWS.

THE NEW ADVERTISEMENTS. Yates' Photo Gallery. CRAFT—Furniture Dealer. WANTED—An Intelligent Man...

This warm weather is dangerous to health and we again warn parents to watch carefully for the little ones.

The receipts of cotton at this port to-day foot up 1,878 bales against 1,628 bales for corresponding date last year.

The Zeb Vance Stove, like its namesake, is welcome in all North Carolina homes. It is to be found at JACOB'S Bldg. Depot.

Thanks to our friend, Wade HARRIS, of the Charlotte Chronicle, for his pleasant and complimentary references to the REVIEW and its Editor.

It has been intensely sultry and disagreeable to-day, and at 3 o'clock the thermometer registered 86 degrees, just ten degrees above Summer heat.

The Wilmington Hook and Ladder Company will soon be in possession of their new uniform shirts. Mr. Elsbach, the contractor, will have them ready on Saturday.

We would advise all our readers in need of shirts, to stop at the Wilmington Shirt Factory and get the best white shirts in the land at 75 cents. J. ELSBACH, Prop., 27 Market street.

Mr. M. H. Bass has removed his saddle and harness shop to No. 109 North Second street, opposite Capt. Southerland's stables, where he is prepared to do good work at short notice.

They are getting oysters now out of the Wrightsville waters that are as good for roasting as those from Myrtle Grove. We tried them yesterday at Capt. Manning's place and found them simply elegant.

Mr. Thos. C. Craft has recently returned from the Northern and Eastern markets and is now prepared to show an exceedingly handsome and attractive stock of furniture. He has also added a carpet department and invites housekeepers to call and examine his beautiful assortment.

Our Little Worries and Ills It is the little things of life, the worries of to-day and to-morrow, that make the crow's-foot around our eyes. So the little pains of an hour or a minute break down the constitution. Look after the little ills. BRAXDRETH'S PILLS cure dyspepsia, or indigestion, headache, pain in the shoulders, coughs, tightness of the chest, dizziness, sour stomach, bad taste in the mouth, bilious attacks, palpitation of the heart, inflammation of the lungs. Pain in the region of the kidneys, and hundreds other painful symptoms are the offspring of dyspepsia. One or two Pills every night is sufficient. †

The Last.

The steamer Passport made her last trip for the season to Carolina Beach to-day, and will no longer be laid up for a while. In the meantime her commander, Capt. J. W. Harper, will take charge of the steam tug Alexander Jones, recently purchased in Baltimore for service on the Cape Fear.

Red Riding Hood.

The fairy opera of "Red Riding Hood's Rescue" is to be presented at the Opera House to-morrow evening. It will be under the direction of Miss E. A. Pond, of Boston, assisted by some of the ladies in this city and there will be a chorus of seventy-five children, assisted by some of the best of our home talent.

Slight Fire.

At a few minutes after noon to-day fire was discovered in the ceiling, between the first and second floors of Mr. H. P. West's, residence on Chestnut between 3rd and 4th sts. The alarm was immediately sent out from box 14, corner Third and Princess streets, and the firemen were on hand with their usual alacrity and promptitude, the Howard Relief hose reel being first on the ground, and the flames were speedily extinguished.

For the Penitentiary.

The following prisoners, convicted at the recent term of New Hanover Criminal Court, were taken this morning to the State penitentiary by special deputy sheriff D. Howard:

- Robert McElroy, accessory to a felony, five years. Josephine McElroy, larceny, five years. Robert Stephenson, larceny, four years. Wesley Lubeck, larceny, two years. David Mallette, larceny, two years. Frank Sadgwar, alias Frank Sidbury, larceny, two years. Samuel Gregg, perjury, two years.

Public Meeting.

In accordance with previous announcement, there was a meeting of the business men and citizens generally at the Produce Exchange at noon to-day, to consider the necessity of making this city the Eastern terminus of the Cape Fear & Yadkin Valley Railroad.

Dr. DeRosset, upon taking the Chair, made some appropriate patriotic and forcible remarks, showing the imperative necessity of voting an appropriation to the enterprise. It was interesting to see the venerable Chairman, who was here at the birth of North Carolina railroad enterprises, vigorously working for this new source of wealth and influence to our city.

On motion of Capt. J. H. Currie, a committee of five was appointed to draft appropriate resolutions regarding the enterprise, to be submitted to a meeting of the citizens to be called by the committee at the City Hall at 8 o'clock next Monday night.

The wagon of the Carolina Chemical Company, bearing the general agent and a band of music, was on our streets to-day. The music was very good considering that there were but four pieces in the band.

City Court.

The docket for the Mayor's consideration this morning was small and uninteresting and was disposed of in the following order:

A man, whose name we suppress by request, charged with an aggravated assault and battery upon his family, was required to pay a fine of \$50 or be confined 30 days in the city prison.

Joe Davis, colored, for firing a pistol within the city limits, was required to pay a fine of \$10 for the offence. Judgment was suspended against the same defendant, on the charge of carrying a concealed weapon.

Sam Smith, colored, was charged with doing the business of a stevedore without a license, but the investigation of his case was continued for the city until to-morrow morning.

Literary.

A singularly attractive frontispiece graces the October Magazine of American History. It is a portrait of Daniel Webster, never before published. Ex-President Andrews discusses "The admission into the Union of Kentucky, Tennessee and Ohio." Another able article is by Rev. Philip Schaff, D. D., on the "Relationship of Church and State in America;." James Schouler writes a chapter on "Historical Grouping;." Professor Edward E. Salisbury contributes two letters of Horatio Greenough; Judge William A. Wood tells the story of the "New Mexico Insurrection of 1846;." with a sketch and portrait of General Sterling Price; Charles D. Baker has a paper on the First Dutch Church in Brooklyn; Professor Oliver P. Hubbard criticises "An Extraordinary Indian Town;" and Colonel Chas. C. Jones, Jr., LL. D., continues his original documents. The editor contributes an account of "The Origin of New York." Price \$5 per year. New York City: 743 Broadway.

Capital and Population.

Several capitalists of New York and other Northern cities, who feel an interest in the prosperity of this State, have established a "North Carolina Land and Emigration Bureau," with headquarters at 22 Dey street. Mr. F. E. McAllister is President of the Bureau while Capt. N. W. Schenck, formerly a well-known citizen of Wilmington, is its Manager. The bureau is represented here by Maj. W. L. Young. Efforts are being made by the bureau to bring capital and population to this city and locality and the bureau is in correspondence with Maj. Young with that object in view, although without definite result thus far.

On a Solid Basis.

A friend of ours once gave his little boy a dollar as a birthday present and the little fellow, being full of trading propensities, forthwith invested the amount in candy and cigars and chewing gum and set up shop on the corner in a big dry goods box. He did a flourishing business and in a few days entirely sold out. He then carried his stock of pennies to his dad, full of enthusiasm as to the success of his venture. When the books were balanced there was just 50 cents, cash on hand. The old gentleman rubbed his bald pate, held up the youth to the inquisitorial rack and finally ascertained that the business which the young one had declared to be on a solid financial basis was conducted in this wise: The youth paid out 50 cents for the box and 50 cents for having it painted and partitioned off into shelves and then he went down to a candy store and bought a dollar's worth of goods and had them charged to his father.

Death of Mr. N. A. Stedman.

The sad intelligence was received here to-day of the death of the venerable Mr. N. A. Stedman, of Fayetteville. The deceased gentleman was one of the oldest and most highly esteemed citizens of the Cape Fear country. He had lived a long, useful and honorable life and sinks to his rest ripe in years and good fruits and in the esteem and regard of all who knew him.

For Atlanta.

We learn that an effort is being made for an excursion party from this city to attend the great Exposition at Atlanta, Ga., which will commence October 10th and continue until October 22nd. Railway rates will be reduced for the occasion and the attractions of the Exposition have seldom, if ever, been equalled in the South. President Cleveland and his wife will be there. Besides these distinguished guests, Governors Lee, of Virginia; Richardson, of South Carolina; Bob Taylor, of Tennessee; Sear, of Alabama; Terry, of Florida, and Gordon of Georgia, will be present, each with a military staff of 40 mounted men. The other attractions are almost innumerable and arrangements have been made for the accommodation of all visitors. Let's go!

Persons.

Mr. H. B. Short, of Lake Waccamaw, is in the city to-day. Mr. J. B. Moore, of Burgaw, was in the city to-day, at the Sutton House. Mr. R. D. Jewett left this morning for the University of Virginia, where he will attend a course of medical lectures. Mr. E. T. Draper, Manager of Mr. Julius Samson's dry goods house, has gone North for the purchase of new goods.

Hon. O. P. Meares, who has for so many years past resided on South Third, has removed to North Third, corner of Chestnut.

Hon. R. R. Bridgers is expected to return to the city on Monday with his family. We understand that Col. Bridgers has leased the Hancock house, corner Sixth and Prince streets, and that his family will reside there this Winter.

Mr. W. W. Shepherd, of Eliza bethtown, was in the city to-day and paid us a pleasant visit this forenoon. He tells us that the frost of last Sunday morning has worked a serious injury to the late cotton, as well as some other vegetation.

Mr. F. G. Magruder, candy maker at the Wilmington Candy Factory, was taken suddenly ill to-day while at work and had to be conveyed home. At last accounts he was somewhat easier but he is still very sick. We hope to hear of an improvement to-morrow.

We regret very much to learn of the critical illness of Mr. N. A. Stedman, of Fayetteville. A dispatch was received here last night stating that it was feared he would not live through the night. His two sons in this city, Lt. Gov. Chas. M. Stedman and Mr. Frank H. Stedman, left this morning for Fayetteville.

Important Announcement.

I SHRIER will on the 1st of October remove (temporarily, until his store in Purcell building is finished) to the store one door next to McIntire's, on Front street, with an entire new stock of custom made clothing, for men, youths, boys and children, of the latest styles. I. Shrier guarantees to sell this Fall and Winter his clothing fully from 25 to 33 per cent. below others. Don't buy one dollar's worth of clothing before you convince yourself of the fact that you will get better goods for less money at the Old Reliabi's, now and always. See his school suits at prices from \$2.50, \$3, \$4 \$5 and \$6 worth from \$2 to \$3 more on a suit. Separate knee pants for boys from 4 to 14 years old at 50c, 75c and \$1.

See the Othello Range at JACOB'S Hdw. Depot. It is unequalled as a baker; it is finely finished; has a reversible grate for either coal or wood. Can be changed in a second by the most inexperienced. Just the stove for Winter use.

Rock Crystal Spectacles and Eyeglasses.

Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye, as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.
