The receipts of cotton at this port to-day foot up 1,222 bales.

Some of the streets in the suburbs are much in need of repairs.

This is glorious October weather, but a little rain would be beneficial just now.

The cheapest place to buy your school books and school stationery is at Heinsberger's.

Col. E. D. Hall is the right man in the right place. He will make an excellent Chief of Police.

There is a plenty of wood now in the market, and it is being offered at a very reasonable price.

Steamboatmen report only about two feet of water on the shoals in the Cape Fear, which is hardly good boating water.

Chief of Police, E. D. Hall, was sworn into office this morning by John Cowan, Esq., and at once entered upon the duties of his office.

The merchants have laid in unusually large stocks of Fall and Winter goods, and the prices asked for the same are so reasonable that all may be clothed.

The school at St. James' Home will be opened on Monday next, the 10th inst., and the instructions in sewing, cooking and wood-carving will be continued.

"Improvements are about to be made at the railroad bridge, which we learn is to be roofed. The matter was suggested in the REVIEW some years ago."

The subject of Hon. Simon Wolff's lecture next Tuesday night, mention of which we made yesterday, will be "Charity," instead of the Tariff, as we were led to understand.

Work on the alterations of the Purcell House is being pushed as rapidly as possible and it is now thought the stores on the first floor will be ready for occupancy by the middle of November.

The work of tearing down the house on the corner of Chestnut and Fronts street (the Col. Bridgers property) to make room for the new public building seems to have been suspended for several days.

The extension of the Cape Fear & Yadkin Valley Railroad to this city has been an absorbing topic of conversation to-day, although the meeting of the Board of Aldermen last night has furnished some food for consideration.

See the Othello Range at Jacobi's Hdw. Depot. It is unequalled as a baker; it is finely finished; has a reversible grate for either coal or wood. Can be changed in a second by the most inexperienced. Just the stove for Winter use.

The *Regulator* cleared to-day for New York, having discharged and taken in cargoes with remarkable dispatch. The additional steamer recently placed on the line makes lively work for the clerks at the Clyde Line wharf.

Mr. Heinsberger having made the necessary arrangements is now ready to enroll the names of those who want to take advantage of the cheap excursion rates to Atlanta. His party will be there when the President is there.

Mr. F. G. Magruder, of the Wilmington Candy Factory, who deservedly ranks as one of the best candy makers South of Baltimore, sent in to us to-day a box of his own make, a varied assortment of fine candies, for which we tender our acknowledgments.

We invite attention to the handsome and attractive advertisement of Mr. A. Shrier, who has opened in the old location, under the REVIEW office, with a large, new and extensive stock of clothing and furnishing goods for men, youths and boys. These goods were bought for cash and will be sold on a close margin.

Largest assortment of pocket knives in the city at Jacobi's Hdw. Depot.

**Musical.**  
 We have received the October member of *Trifol's Monthly Galaxy of Music*, published at Boston, Mass., at 10 cents per number or \$1 per annum. It is a magazine of vocal and instrumental music for the masses and its contents are nearly all well known and popular pieces. The price is within the reach of all and the general style of the music would suit the popular taste.

**Musical.**  
 Where is our choral society, and what is it doing? Now is a good time to begin work for the Winter, and if the society will go to work energetically and persistently, we may have several amateur concerts during the Winter which would prove remunerative to the society and would be a credit both to the musicians and to the city. Come, gentlemen! start the ball in motion and give our people a taste of your skill and at the same time furnish delightful entertainment during the long evenings which are approaching.

**Fast Driving.**  
 The city ordinance regarding fast driving has been openly disregarded for months past by many unthinking people, and our public streets have been rendered dangerous to pedestrians. Recently the police have taken action in the matter and have suppressed the nuisance on our principal streets, and those who wilfully violate the law now confine their illegal acts to the suburbs, where at almost any time horses may be seen racing at break-neck speed, while they are being beaten, in some instances cruelly, by their merciless drivers. A few of these guilty parties have been arrested and made to pay for their lawlessness, and others will probably find themselves in the hands of the law unless they desist from their unlawful and dangerous practices.

**City Court.**  
 There was a light docket again for the Mayor's consideration this morning. The first to be heard was Susan J. Tucker, colored, who was charged with allowing her hogs to run at large, and the evidence against her was that she came to police headquarters and paid the pound fees on three hogs which had been captured and which she claimed as her property. This was deemed conclusive and she was required to pay a fine of \$10 or be imprisoned 30 days.

Princess DeLeon, colored, (not Ponce DeLeon) was charged with disorderly conduct, but as the prosecutor desired to withdraw the charge and as the offense was trivial, the defendant was discharged.

Henry Shepherd and George Green, two colored boys, were arrested yesterday while engaged in a fight in the passage way of the City Hall. For this gross violation of law right at the entrance to the temple of municipal justice, the defendants were ordered to work 10 days in the street gang.

**The Bridge.**  
 It has been suggested that the authorities had better put up a new bridge at Fourth street crossing or replace the old one. The delay in building the new bridge is, we believe, owing to a strike among Northern workmen, and there is no knowing when they will return to work. In the meantime the need of a new bridge or some means of crossing to the Northern portion of the city remains as great as ever. It is a great inconvenience, and we hope that some method will be soon adopted by which the evil may be remedied. At present there is great cause for complaint.

**Fine Linen Bosom Shirts for 39c Worth 85c**  
 I. Shrier, next door to McIntire's dry goods store, will sell on Monday, Oct. 10th, a fine linen bosom shirt and well made, for 39c, worth 85c. Sizes from 14 to 17. Remember, for one day only, Monday, Oct. 10th. Please bring the right change along. Other goods will be sold proportionately low. I. SHRIER, the Old Reliable Clothier, Front street, sign of the Golden Arm.

N. B.—I will have another lot of Polo Caps next week for 12c, really worth 50c. Notice will be given through the city papers.

The Review Job Office is the place to get good work at moderate prices.

**Board of Aldermen.**  
 An adjourned meeting of the Board of Aldermen was held last night at the City Hall to take action in reference to the report of the committee appointed at the meeting of citizens Wednesday night in regard to the Cape Fear & Yadkin Valley Railroad question.

Mr. D. G. Worth read the resolutions from the committee, which we have already been published. Mr. Worth said that it was important that the Board of Aldermen should act immediately on this question, and thought, moreover, that it would be a good plan for them to appoint the same commission. Alderman Fishblate moved that the old commission, consisting of Col. W. L. DeRosset, Col. R. Moore, Messrs. B. F. Hall, B. G. Worth and Jas. H. Chadborn, be appointed. This motion was carried unanimously, and the Clerk of the Board was instructed to give official notification of this fact to the Board of Audit and Finance, in order that immediate action may be taken.

On motion of Alderman Pearsall, an election for Chief of Police was ordered.

Applications were read by the clerk from Jno. Haar, Jr., G. D. Pugh, Samuel Hall, S. A. Craig, T. H. McKoy, W. S. Hewlett, J. N. Bowden, J. A. Everett and A. L. DeRosset.

Alderman Pearsall nominated Col. E. D. Hall for the position. Alderman Hall said that as his name had been presented, he would depart from the usual custom and asked permission to retire. Before this was granted, Alderman Fishblate moved to adjourn, but this motion was lost. Then the point was raised by Alderman Fishblate, whether an Alderman could accept the position of Chief of Police before tendering his resignation to the Board. The opinion of the City Attorney was asked; who stated that an Alderman could accept the position if he resigned his office as Alderman immediately upon his election.

Alderman Hall then again asked permission to retire, which was granted.

Alderman Sampson nominated Jas. A. Lowrey (colored), as a candidate for Chief of Police.

The first ballot resulted: E. D. Hall 1, G. D. Pugh 1, Jas. A. Lowrey, 4, J. N. Bowden 3, T. H. McKoy 1.

Second ballot—Bowden 3, McKoy, 1, Lowrey 3, Hewlett 1, Hall 1.

Third ballot—Hall 4, Pugh 1, McGirt 1, McKoy 1, Bowden 1, J. M. McGowan 1.

Fourth ballot—E. D. Hall 4, McKoy 1, Pugh 1, S. Hall 1, McKoy 1, Bowden 1, McGirt 1.

Fifth ballot—E. D. Hall 5, Bowden 2, McKoy 1, McGirt 1.

The chair announced that Alderman Hall was elected Chief of Police, having received a majority of the votes cast.

Col. Hall then appeared and thanked the members of the Board for the honor conferred upon him and assured them that he would do his duty. He said that it was apparent to all that there was opposition to his election, which seemed to have originated from the idea that he was hostile to the Mayor and his administration. This was a mistake, for there could be no conflict of authority. He assured the Mayor that he would strive to perform his duty, and knew that he would be met half way by his Honor. He then tendered his resignation as alderman, saying that he only wished what was pleasant to be remembered.

The resignation was unanimously accepted.

City Attorney Cutlar called attention to the fact that the suit of the city against John R. Melton had been decided in favor of the city and that Mr. Melton wished some indulgence and would pay the amount of the judgment in quarterly installments and give security.

On motion, the matter was referred to the Market Committee and City Attorney, with power to act.

Alderman Pearsall, from the Sanitary Committee, submitted a report which looks to the establishment of a furnace for consuming filth and also a series of resolutions appointing a committee, with the Mayor as Chairman, "to take such steps to acquire information on the subject as

they deem advisable; and to consult a skilled sanitary engineer as to the probable cost and practicability of a system of sewage, and to report progress to this Board from time to time."

It was moved and carried that the report and recommendation be adopted.

The Board then went into an election for Alderman from the Second Ward, to fill the vacancy caused by Col. Hall's resignation.

Alderman Fishblate, in a few complimentary remarks, nominated Mr. A. G. Ricard, who received eight of the nine votes cast, and was declared elected.

Alderman King reported that the contract for furnishing coal for the public buildings had been awarded to Messrs. Fowler & Morrison, their bid being the lowest.

The meeting then adjourned.

**Personal.**  
 Hon. A. M. Waddell has gone to Chapel Hill, where he is to lecture. Miss Louise Goodwin, milliner at Mrs. Wiggins' Emporium, who has been spending the Summer at the North, has returned to the city.

Col. E. D. Hall speaks at Sandy Run, Pender county, to-morrow, at a meeting to be held there in favor of a subscription to the W. O. & E. C. R. R.

Col. L. A. Powell, one of the most prominent citizens of Sampson county, is in the city to-day. He reports that the crops in his county are not quite so large as it was hoped that they would be, but that they will be sure to raise enough bread and meat to keep themselves from starving.

**Rock Crystal Spectacles and Eyeglasses.**

Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye, as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of *premature old age to the sight*. You can get the best at Heinsberger's.

**MARRIED.**

LONDON—MOORE—At the residence of the bride's mother, at Lancaster, S. C., on the 30th of September, by Rev. A. J. Stafford, Mr. FRANK O. LONDON, of Rock Hill, S. C., to Miss LILLY MOORE, daughter of the late W. A. Moore, Esq.
