Chicago policemen are now hav-

They meet in squads every other
day, and are instructed in the use of

Thomas Nast, the cartoonist, has
practically severed his relations
with Harper's Weekly. It is whis-
pered that he is likely to start a pic-
torial paper at the beginning of the
next Presidential campaign, and
that he will uphold the Republican
nominee, whomsoever that may be.

At a meeting of the biological and
microscopic section of the Phila-
delphia Academy of Natural Science
recently there was only one bald
headed man in the gathering of sa-
vants. This was accounted for upon
the theory that "the persistent use
of the optic nerve and retina by
means of the microscope has a bene-
ficial and stimulating effect upon the
capillary tubes."

The New Orleans Picayune de-
clares that the law forbidding the
carrying of pistols in Texas has led
to an increase of murders, highway
robberies and other crimes in that
State. The law only disarms or-
derly and law abiding people, while
the robbers, the roughs and the
rascals generally take advantage of
the defenceless condition of the rest
of the community.

Hashish is superseding morphine
and vaporized ether, it is said, in the
affections of the Parisian dilettanti
drunkards. They have founded a
Hashish Club on the Rue St. Michel,
where they meet every Friday. The
amount of the drug which each shall
take is prescribed by a doctor, and
the dose is prepared by a chemist,
both members of the club. It is
taken in pills, and not chewed,
drunk or smoked, as are the Oriental
fashions. Each of the members
is bound to describe to others, either
in writing or verbally, his sensations
as the drug gains its influence over
him.

The people of Lunenburg and
Nottaway counties, Va., are much
excited over the explosion of a
meteor, which occurred a night or
two ago. The path of the meteor
was from east to west, and the noise
made by the explosion was so great
that houses were shaken, and many
people were under the impression
that an earthquake had occurred.
The meteor was seen about 10 o'clock
at night, while the sky was perfectly
clear. The colored people are much
alarmed and predict that the day
of judgment will come in December.
They are holding religious services
nightly, and men and women are
preaching the Gospel.

THE DAILY REVIEW.

VOL. XI. WILMINGTON, N. C., TUESDAY, OCTOBER 18, 1887 NO. 248

Twenty designs have been sub-
mitted for the Lick monument com-
petition at San Francisco, a large
majority being by California artists.
The trustees expect to have a thor-
ough American product in the
bronze memorial which they are
commissioned to put up opposite the
new city hall. One of the designs
greatly praised is by Frank Hap-
persberger, of San Francisco, who
has combined fearlessly a potpourri
in which figure an armor-clad Anax-
ander representing California, a grizzly
bear, some cupids, an Indian, Ceres,
an emigrant train, a missionary
with a shaven head and monk's
garb, a wine-press, a plough and a
sprinkling of wild horses. There is
material enough here for a bronze
monument, certainly.

Cotton has advanced slightly in
New York to-day.

The receipts of cotton at this port
to-day foot up 2,318 bales.

Steamship *Regulator*, from New
York, arrived at her wharf in this
city this forenoon.

There were no steamers from up
the river to-day at the time of
closing our commercial report.

The rain to-day has seriously in-
terfered with building operations
and especially on outside work.

The Alpine Choir arrived here at
10 o'clock this morning from Golds-
boro where they performed last
night.

This is the kind of weather that
makes the school children inquire
for their gossamer coats and rubber
overshoes.

The total rain fall to-day, as
given at the Signal Office, was 1.55
inches, which is in excess of the
total precipitation of the two
months preceding this date.

Th rains of last night and to-day
were quite general throughout this
section and will have a tendency to
cause a rise of water in the Cape
Fear and its tributaries.

We are requested to state that the
curtain at the Opera House will
rise at 8 o'clock sharp to-night.—
Therefore, it is hoped that all of the
audience will be in their places by
that hour.

For North Carolina, cooler weather
and light to fresh variable winds,
becoming Northwesterly.

The rain last night was a much
needed blessing, for which all hearts
are grateful. It began to rain early
in the night, and continued with
hardly any intermission until morn-
ing. A part of the time it fell in
torrents, although it was accompa-
nied by but very little wind.

Mr. Walker Taylor has gone to
Raleigh to the State Fair.

Mr. Joseph S. Bean left for the
State Fair at Raleigh on this morn-
ing's train.

Mr. O. J. Hollingsworth, of Point
Caswell township, Pender county,
was in the city to-day.

Mr. DeL. Evans has gone to
Washington, N. C., where he will
reside during the rice season.

We regret to learn that Mr. F. P.
Risley is very sick at his residence
on Castle street, between Second
and Third.

Mr. W. T. Bannerman, of Pender
county, passed through this city
Sunday night on his way to the Ex-
position at Atlanta.

Capt. W. A. LaMotte formerly of
this city—but now running on the
South Carolina R. R., between
Columbia and Charleston, was here
yesterday on a short visit.

Damaged Cotton.
Messrs. Cronly & Morriss sold at
auction to-day at the warehouse on
the West side of the river 142 bales
of cotton, which were somewhat
damaged by fire and water. The
following were the prices obtained:
Eight bales sold for 8 1/2 cents per
pound; 25 bales sold for 8 13-16 cents
per pound; 54 bales sold for 6 3/4
cents per pound, and 55 bales sold for
6 9-16 cents per pound.

The Alpine Choir.
The corps of musicians who are to
appear at the Opera House here to-
night, although but a short time in
this country, have won much ap-
plause by their unique performances
and sweet music. The Newbury-
port (Mass.) *Herald*, in speaking of
their appearance in that city, says:
A large and enthusiastic audience
was present at City Hall last even-
ing to greet Herr Andre's Swiss and
Tyrolean Concert Company. The
organization has been in the coun-
try but a few weeks, but we predict
for it a season of success. The music
is unique, is given in an exquisite
manner, and the "yodels" especially
carried the audience by storm. The
company is not confined to this
characteristic music of the Tyrolean
Alps alone, but give selections as
well on all their peculiar national
instruments. It is to be hoped that
they will appear in this city again
before the season closes.

Audit and Finance.
The Board of Audit and Finance
met yesterday at the City Hall in
regular session. There were pres-
ent, R. J. Jones, Esq., chairman, and
Messrs. J. F. Maunder and J. W.
Hewett.

The Board concurred in the action
of the Board of Aldermen authoriz-
ing the Cape Fear S. F. E. Co. to
employ an extra man as helper with
the horses at 75 cents per day three
days of each week; the engine com-
pany to pay the same proportion of
the man's wages. Also, concurred
in the action of the committee on
Fire Department in authorizing the
purchase of 1,000 feet of hose for the
use of the Department.

Notification was received that Col.
E. D. Hall had been elected Chief of
Police, and that he had duly qual-
ified. Also, that Mr. A. G. Ricard
had been elected to fill the position
of Alderman from the Second Ward,
made vacant by the resignation of
Alderman Hall.

Two coupons of eight dollars each
redeemed and cancelled, were de-
stroyed in the presence of the
Board.

Alderman Pearsall, chairman of
the Sanitary Committee of the
Board of Aldermen, appeared and
addressed the Board in reference to
the purchase by the city of a tract
of land to be used as a place of de-
posit and for the cremation of offal,
garbage, etc., collected in the city.
He proposed the purchase of a lot
on the eastern extension of Dock
street, near the brickyard, which
he said could be bought for four
hundred dollars and this year's
taxes.

The matter was discussed at some
length in an informal manner. Mr.
Maunder thought that it would be
best to lighter the garbage, etc., to
some point a short distance down
the river where land, suitable for the
purpose could be purchased for
nearly nothing.

The chairman said that the plan
suggested by Mr. Pearsall was a
good one, but it would be very ex-
pensive. He was opposed to mak-
ing an appropriation for any pur-
pose now, however, and with Mr.
Hewitt thought it would be best to
have more light on the subject be-
fore taking action. He would not
be willing to vote for any additional
appropriation except for the pur-
chase of a suitable place for the city
pound, but the budget had been made up,
and it would be unwise to make
other appropriations.

Mr. Pearsall argued strongly in
behalf of the measure proposed by
the Sanitary Committee, but appreci-
ating the objections urged by the
chairman, he said that he would not
ask more at this time than an ap-
propriation sufficient to purchase
the land.

The chairman did not think the
location proposed was a good one,
and on motion, Mr. Pearsall was
authorized to invite proposals for a site
farther East of the city.

The Board then adjourned.

Change of Time and Place.

The joint memorial services of
Cape Fear Lodge No. 2 and Orion
Lodge No. 67, I. O. O. F., which were
announced to be held on Thursday
night at Odd Fellows Hall, will be
held at Luther Memorial Building
next Friday night. Members of the
Order will please note the change.

Accidentally Killed.
A dispatch was received at Lum-
berton yesterday stating that Mr.
Luther Sinclair, son of Mr. J. C.
Sinclair, of Robeson county, was ac-
cidentally killed by a fall yesterday
morning at some point in Georgia,
where he was engaged in the tur-
pentine business. No particulars
were given further than that the re-
mains of the unfortunate young
man would be forwarded to Lum-
berton for interment.

Death of a North Carolinian.
We regret very much to learn of
the death at 4 o'clock this morning,
at his residence at Melrose, Florida,
of Mr. P. Prioleau. The sad news
was conveyed in a telegram to Mrs.
Thomas Morrison, who was nearly
related to the deceased.

Mr. Prioleau was for many years,
previous to and during the war, a
resident of Southport (then Smith-
ville) and was one of its most prom-
inent citizens, having held several
positions of honor and trust. Some
years ago he removed to Florida
and has resided there ever since.
He was, as nearly as we can as-
ertain, about 60 years of age.

Crystal Wedding.
Mr. and Mrs. B. H. J. Ahrens
celebrated their crystal wedding
last night, it having been the
fifteenth anniversary of their mar-
riage. The festivities were held at
their residence, No. 622 Market
street. Quite a throng of German
citizens called to offer their con-
gratulations and the evening passed
in the most pleasant manner imag-
inable. There was good vocal and
instrumental music to enliven the oc-
casion. The gathering dispersed at
a reasonable hour, after a fervent
vrayner had been offered by the
venerable and Rev. Mr. Rothrock.
Mr. and Mrs. Ahrens are among the
best of our German fellow citizens.
They are respected by all our peo-
ple, who will unite in wishing the
happy couple a long and prosperous
life.

City Court.
The following were the cases for
the Mayor's consideration this
morning:

Millie Morris, colored, was charg-
ed with receiving stolen goods, but
the testimony was entirely insuffi-
cient to convict and she was dis-
charged.

Peter McConley, a tramp, was or-
dered to be escorted out of the city
by a policeman.

Dan Mack, colored, was clearly
guilty of disorderly conduct, and
was fined \$20 for the offense with the
alternative of 30 days in the chain
gang.

One case of disorderly conduct,
for want of sufficient testimony, was
discharged. We suppress the name
by request.

One case of failure to pay licence
tax was submitted and a fine of \$25
was imposed. We suppress this
name also by request.

Cora Van Tassel.
Of course all our theatre going
people will want to see the charm-
ing and versatile Cora Van Tassel,
who with her excellent company af-
forded such real pleasure to our
people last year. She is to appear
here next Thursday night in the
play of the "Hidden Hand." Since
leaving here last year, the company
has been entirely reorganized and
great improvements made to the
play by which it becomes intensely
realistic. The scenic effects have
been made as interesting as possible
and the artists have been selected
with a special view to the parts
which they will assume. Of course
Mr. W. E. Young will be the
comedian of the company. In ad-
dition to many other improvements
the company will travel this season
with a carefully selected band of 15
trained musicians for street parades
and they will have an excellent or-
chestra of eight solo artists.

The Zeb Vance Stove, like its
namesake, is welcome in all North
Carolina homes. It is to be found
at Jacobi's Hdw. Depot.

Store Entered.

Mrs. Thomas Murray, who keeps
a small grocery store on Fourth
street, between Bladen and Harnett,
had her premises raided some time
between 10 o'clock last night and 6
o'clock this morning, and goods to
the amount of about \$15 were stolen.
The thief gained an entrance by
forcing one of the shutters of the
store. There is no clue as yet as to
who perpetrated the mean deed.

Rock Crystal Spectacles and Eyeglasses.
Advice to old and young: In se-
lecting spectacles you should be cau-
tious not to take more magnifying
power than has been lost to the eye
as in the same proportion that you
pass that point of increase, will cause
you further injury to the eye. Using
glasses of stronger power than is ne-
cessary is the daily cause of prema-
ture old age to the sight. You can get
the best at Heinsberger's.

sold proportionately. I. Shrier, the
