Racket Store!
TOYS!
WE HAVE JUST BOUGHT AN
IMMENSE LOT OF TOYS.
We bought them cheap, and in so
doing we made the same mistake
a great many others make,
we bought too many,
BECAUSE THEY WERE CHEAP.
In fact we bought enough to
stock a town twice the
size of this.
Only a few handle these goods
and there is no demand for them
except during the holidays.
Consequently the
PROFIT ON THEM IS ENORMOUS
Well we are going to put our
REGULAR PROFIT ON THEM
and see if we can't sell Toys about
100 Per Cent Cheaper
than they were ever sold be-
fore in Wilmington.
We can offer liberal inducements to
parties buying wholesale bills.

Another lot of
**CARPETS, RUGS AND
OIL CLOTHS**
Received to-day. We are selling
these goods as fast as they come in.

Full Stock! New Goods!
Lowest Prices!

THIS COLD WEATHER HAS GIVEN THE
Clothing Trade a boom and we have had our
hands full this week in waiting on customers.
We give full value every time and guarantee
that every article sold by us will be found ex-
actly as represented. We have no old stock to
work off and our goods sell themselves. Our
prices are low, our goods new and fashionable,
our material of the best and the styles and fit
are unsurpassed. A call and inspection is all
we ask.

Poor snubbed Foraker! He is
again Governor of Ohio.

Virginia wheeled nobly into the
Democratic line yesterday, and gave
the death blow to Mahoneism.

The election in New York yester-
day points cheerfully to a Demo-
cratic victory in the next Presiden-
tial election.

It will take something more than
Pulitzer's affidavit clerk to change
the figures of the result in New York
yesterday.

New York was true to her Demo-
cracy yesterday, and administered
a stinging rebuke to those who have
tried so earnestly to divide the
party.

The New York *World* has long
been a traitor to the party it has
pretended to represent, and yester-
day the people of New York gave
a fitting rebuke.

The seven condemned anarchists
of Chicago, are sentenced to be hung
on Friday the 11th inst., if no mis-
guided executive clemency interferes
to cheat the gallows of its just dues.

It is estimated that the Southern
people will receive about \$275,000,000
in payment for their cotton crop, of
which amount \$150,000,000 will be
surplus available for reinvestment.

The fact that Mrs. Cleveland is a
graduate of Wells College has given
that place a "boom." It is over-
flowing with student and applicants
are constantly turned away from its
doors.

Massachusetts and Rhode Island
have gone Republican, as a matter
of course, but that fact don't hurt,
nor will it prevent the re-election of
Grover Cleveland in the next Presi-
dential election.

Queen Margaret of Italy has had
capable Jewish instructors, can read
the Old Testament in Hebrew with
ease, and has collected a large He-
brew library, with the latest works
on Jewish literature.

We imagine that a genuine Vir-
ginia Democrat feels happy to-day
at the result of the election in that
State yesterday. We congratulate
the State upon the triumph of good
sound Democratic principles within
her borders.

A prominent colored man of Fort
Valley, Ga., boasts of the fact that
when he was a boy he was severely
thrashed by Jefferson Davis. He is
one of the few Democratic negroes
of his town, and an example of the
virtues of whipping.

In the elections held yesterday
New York, Virginia, Maryland and
Mississippi went Democratic. Penn-
sylvania, Massachusetts, Rhode Is-
land, Illinois, Ohio and probably
New Jersey went Republican. The
returns from Iowa are too meagre to
determine the result.

It is said that two spotters, sent
out in the interest of the Inter-State
Commerce Commission, have been
spying around Concord, N. H., for sev-
eral days, trying to find if either
the railroads concerned in the con-
test before the Legislature has been
violating the law relating to issuing
free passes.

It is a notorious fact which has
been frequently proven that when-
ever a young and aspiring politician
lends himself to the opposite party
with the hope of having his wishes
thus gratified, he meets with a most
ignominious defeat. He may possi-
bly succeed for awhile, but his suc-
cess is invariably short-lived and re-
sults in his finally being ignored by
both parties. That has been the re-
sult in nine cases out of ten. The
fact is the independent voters of
this country have no confidence nor
but little use for a political trader.

Rock Crystal Spectacles and Eyeglasses
Advice to old and young: In se-
lecting spectacles you should be cau-
tious not to take more magnifying
power than has been lost to the eye
as in the same proportion that you
pass that point of increase, will cause
you further injury to the eye. Using
glasses of stronger power than is ne-
cessary is the daily cause of prema-
ture old age to the sight. You can get
the best at Heinsberger's.

Indications.
For North Carolina, fair weather,
light to fresh variable winds, and
stationary temperature.

price in New York.

Best \$3 shoe for gents in the city

The receipts of cotton at this port
to-day foot up 1,483 bales.

The weather to-day has been as
soft and bland as a day in the early
Spring.

Largest assortment of pocket
knives in the city at Jacobi's Hdw.
Depot.

The market for spirits turpentine
to-day was very quiet at 35 cents
with nothing doing.

Our citizens generally are jubilant
over the result of the New York and
Virginia elections yesterday.

A good many tourists are now
travelling South on the railroads,
quite a number of whom stop here
for a day or two while en route.

We regret to state that there is no
apparent improvement in the condi-
tion of Mr. Samuel Howland, who
has been sick for several weeks.

In consequence of the recent ad-
vance in the price of spirits turpen-
tine, crude and yellow dip have ad-
vanced and are now quoted at \$2
per barrel.

A dense fog, much resembling
smoke, hung over the river this
afternoon. At one time it was so
dense that it was impossible to see
as far as the "Dram tree."

Steamboatmen report that the
river has fallen about 40 feet since
the freshet in the Cape Fear was at
its highest, and that is now about
14 feet of water on the shoals.

Br. steamship *Corn Marth*, which
was ashore yesterday and floated off
last night, came up to the city to-
day and will load cotton for some
European port. She sustained no
damage by being ashore.

See the Othello Range at Jacobi's
Hdw. Depot. It is unequalled as a
baker; it is finely finished; has a re-
versible grate for either coal or wood.
Can be changed in a second by the
most inexperienced. Just the stove
for Winter use.

Mr. E. W. Linder, of Copenhagen,
Denmark, is in the city on a brief
visit to his son, Mr. G. W. Linder, of
this city. This is the first visit of
the senior Mr. Linder to this coun-
try, and he is delighted with what
he has seen and heard.

The Prof. Lowanda Specialty
Troupe arrived here on this morn-
ing's train from Rockingham, where
they appeared to a crowded house
last night. In fact there was no
house in the town large enough to
accommodate all who wished to at-
tend and many were turned away
being unable to procure seats.

Piano Tuning.
Mr. Charles Gould, an experienced
piano tuner has arrived in the city
and proposes to locate here perma-
nently. Orders left with Prof. E.
Van Laer will receive prompt at-
tention and all work entrusted to
Mr. Gould will be faithfully per-
formed.

Fish and Game.
The first annual exhibition of the
Carteret County Oyster, Fish and
Game Association will be held at
Davis' Hall, Beaufort, N. C., Dec.
14th, 15th and 16th next. The man-
agement are making extensive pre-
parations for the success of the ex-
hibition, and we doubt not that it
will be an interesting occasion. Our
thanks are due the Association for
an invitation to be present.

School Books and School Station-
ery you can buy cheapest at Heins-
berger's.

Excursion rates to Fayetteville
during Fair week have been fixed by
the Carolina Central Railroad at
\$3.10 for the round trip. Cheap
enough.

North Second street, between
Chestnut and Mulberry, has been
greatly improved by the street force.
Good gutters have been made and
the roadway has been put into first
rate condition.

Messrs. C. B. Southerland & Co.,
have bought the carriage and buggy
factory of Mr. R. P. McDougall, on
the corner of North Second and
Princess streets, and the business
will hereafter be conducted by the
new firm at the same stand.

Personal.
Mr. H. E. Newbury, one of the
prosperous merchants of Magnolia,
is in the city to-day.

Mrs. W. E. Mayo, who has so suc-
cessfully conducted the hotel at the
Rocks for several seasons, will move
up to the city to-morrow.

Mr. A. Hamblin, of Magnolia,
agent for Hamblin, Sons & Co., of
Greenville, Pa., and also a member
of that firm, arrived in the city last
night.

We are truly glad to learn that
Mr. J. S. McEachern, who had an
attack of facial paralysis on Sunday
last has much improved and we
hope to chronicle his complete re-
covery in a few days.

The Tramps.

While it is true that but a very
few of these wanderers are arrested
or apply at the guard house for
lodgings, it is nevertheless a fact
that there are plenty of them in the
vicinity. They generally visit the
houses in the suburbs during the
morning hours and beg rations
enough to last them for the next 24
hours. It frequently happens that
one of the fraternity visits several
house and begs enough for himself
and others of his class who are lying
in wait, just outside of the city, for
his return.

Comic Opera.

The MacCollin Opera Troupe gave
their second and last entertainment
to a large and delighted audience at
the Opera House last night. "The
Merry War," in which all the mem-
bers of the company fully sustained
the reputation gained on the previ-
ous evening, of being first class
artists. In fact this is the verdict in
every place where they have ap-
peared. They are certainly worthy
of public patronage and we heartily
commend them to the music-loving
people of the country. They went
from here to Goldsboro, where they
will appear to-night, and where we
hope they may be greeted by a
crowded house.

City Court.

William Howe, colored, charged
with disorderly conduct, whose case
was continued yesterday, was the
first on the docket for the Mayor's
consideration this morning. The
offense was proven and a fine of \$20
was imposed. The defendant ap-
pealed and was required to give a
justified bond in the sum of \$100 to
prosecute the appeal.

Moile Durham, charged with dis-
orderly conduct, prayed a contin-
uance until to-morrow morning,
which was granted.

Delia Bryson, for keeping bar
open on Sunday, was fined \$25.
Sam Patch, who hailed from
Rocky Mount, was arrested as a
tramp, said that he came here seek-
ing work, and paid his own way,
was discharged.

Music and Magic.

Of course everybody will want to
go the Opera House to-night to wit-
ness the astonishing feats of Magic
and Ventriloquism of Prof. Lowan-
da's Star Specialty Company, and
also to try and secure one of the
valuable presents which will be dis-
tributed to those holding the lucky
numbers. These presents are many
of them of real intrinsic value and
all of them are more or less useful.
The Carbondale (Pa.) *Leader*, in
speaking of the appearance of the
company in that town, said:

Prof. Lowanda's Specialty Co.
gave a very pleasing performance
at the new Opera House last night.
A set of furniture, \$40.00 in money,
a lady's gold watch and 78 other
useful articles were given away.
Prof. Lowanda is a fine magician
and plays to crowded houses every-
where.

Exports Foreign.

Br. steamship *Bedlington*, Owen,
cleared to-day for Bremen with 3-
823 bales cotton, valued at \$171,970,
shipped by Messrs. Alex. Sprunt &
Son, Ger. barque *Marie Kuyper*,
Mass., cleared for Stettin with 3,085
barrels rosin, valued at \$3,100, ship-
ped by Messrs. E. Peschau & West-
ermann; making a total amounting to
\$175,070.

About the Foreman.

Mr. W. P. Monroe has been elect-
ed truck-master of the Hook and
Ladder Company, to fill the vacancy
occasioned by the resignation of Mr.
Harry Webb, Jr., who has held that
position for several months, in which
he has done faithful and efficient
service. Mr. Monroe is also an effi-
cient member of the company and
we doubt not will perform the duties
of his new position with credit to
himself and to the company.

The Last Chance.

I Shirer, on Front street, next door
to McIntire's dry goods store, will
have another and only sale of the
fine linen bosom shirt for 39c., worth
85c., and a fine silk scarf for 21c.,
worth 85c., on Saturday, November
12th. Fine clothing, of which he
makes a specialty, will be sold from
25 to 33 per cent. cheaper than any
other house in Wilmington, and
under no circumstances will shoddy
or Cheap John goods be sold in his
house. Remember the name and
place, I. Shirer on Front street, sign
of the Golden Arm.
