Robbery at the Sound.
A few days since Mr. J. W. Crandell, a fisherman, living on Wrightsville Sound, went outside to fish, leaving his house locked up as his wife was absent at the time. When he returned from his fishing cruise he found that some scamp had broken into his house and robbed him of all his provisions, besides a lot of clothing and a quantity of bedding. In fact, there was complete raid upon almost everything edible and wearable, which comes hard for Mr. Crandell, as he is a hard working man who could ill afford to suffer such a serious loss.

Literary.
"ADRIET IN THE WILDS; OR THE ADVENTURES OF TWO SHIPWRECKED BOYS," by Edward S. Ellis. No. 3 of the "Boys' Home Library." Paper, 12mo. Price, 25 cents. Published by A. L. BURT, 163 William St., New York.

The "Boys' Home Library" is a great success; it is the first attempt to give thoroughly good literature for boys at a price which hitherto has been confined to the worst sensational trash. Now, stories by Alger, Castleton, Ellis and such writers, can be obtained in attractive form for twenty-five cents each, and parents may secure that the "Boys' Home Library" contains nothing but the best. No. 3, just published, is by Edward S. Ellis, one of the most successful writers of boys' stories, and is an exciting tale of adventure on land and sea. It is cleverly illustrated and no boy will begin it without devouring it all at onesitting. It is for sale at the book stores.

City Court.
There was a large throng of visitors at the City Court room this morning, being drawn thither by the interest in the case of Stephen Freeman, who was arrested yesterday on a charge of rape committed on a white woman on the night of the 9th inst.

The first case for the Mayor's consideration was the continued case of Lizzie Merrick, colored, charged with allowing her hogs to run at large. The testimony showed that she did not own the hogs and she was discharged.

R. D. Lawton, a very respectable looking tramp, applied last night at the guard house for lodging. When interrogated by the Court this morning, he stated that his business was that of a clerk and salesman and that he was seeking employment. At present he had no visible means of support. He was an intelligent and evidently well educated man with a prepossessing appearance, but he was directed to leave the city at once.

Stephen Freeman, colored, rape, was then arraigned and plead not guilty to the charge. His victim, Mrs. Ada Sellers, was introduced as a witness and she positively identified the prisoner as the party who committed the atrocious crime. Her examination was conducted by Solicitor B. R. Moore, and her testimony was direct and conclusive. The conduct of the prisoner during the examination also betrayed his guilt in the opinion of many, and he was committed to jail, without benefit of bail, to await his trial at the next term of the Criminal Court.

Indications.
For North Carolina, slightly warmer, fair weather, preceded by light rains in the Southeastern portion, light to fresh winds, shifting to Southerly and then to Westerly.

The Opera House.
There was a fair attendance at the Opera House last night to witness the performance of the Musical Comedy of the "Two Old Cronies." It is a musical farce, without any pretension to plot and no aim further than to make a hearty laugh and in this particular it is a most assured success, as the audience were in a continuous roar of laughter from the beginning to the close of the performance. There were ludicrously grotesque situations, in which the actors were irresistibly funny and the songs were good and were well rendered. The company gave a matinee to a fair house this afternoon and will close their engagement here by a performance to-night.

Bazaar at the City Hall.
The Sisters of Mercy of this city will hold a Bazaar at the City Hall next Tuesday and Wednesday nights, for the benefit of the Sisterhood. These devoted women have taken much pains and have bestowed much labor in preparing for the entertainment, which will be in every way worthy of public patronage. Tables for the display of useful and ornamental articles will be attended by beautiful and accomplished young ladies and there will also be a plenty of refreshments of all kinds and these will be sold at reasonable prices. The Sisters of Mercy are a branch of the same Order that came here from Charleston, S. C., during the fearful yellow fever epidemic of 1862 and did such faithful duty and rendered such important aid in nursing the sick in that trying time.

Rock Crystal Spectacles and Eyeglasses.
Advice to old and young: In selecting spectacles you should be cautious not to take more magnifying power than has been lost to the eye as in the same proportion that you pass that point of increase, will cause you further injury to the eye. Using glasses of stronger power than is necessary is the daily cause of premature old age to the sight. You can get the best at Heinsberger's.
