Rutherford county bond question is a huge elephant hard to manage. The State courts have issued an injunction- forbidding the tax levy, the issue of bonds or the payment of the coupons or interest on the bonds issued to the Mass. & Southern Construction Company. Now these same commissioners of Cleveland and Rutherford are again in them to appear at the United States try to put them in jail as he did the Virginia officials last month? State or National supremacy is now on trial! Which will win? If they do levy, the State courts will fine or imprison them, if they fail to obey the commands of Judge Bond, so ment and so kind to bond-holders, they may be fined. More trouble and more litigation and we feel sorry for our commissioners. The case will probably go the United States Supreme Court.
