The majority of the ills of the human body arise from a diseased liver. Simmons' Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy liver than any other agency on earth. SEE THAT YOU GET THE GENUINE, nov 26 to 1st p dawly ch sat

President Cleveland has made \$20,000 by the increase in value of "Red Top," the country place he bought near Washington. Secretary Whitney has done better, having realized a profit, it is reported, of \$90,000 by the sale of land he bought in the vicinity.

Notwithstanding the boasted salubrity of the climate of California, the death rate in San Francisco last year was nearly 18 per 1,000. The zymotic diseases were especially prevalent and fatal, diphtheria and typhoid fever being the leading forms. Bad drainage is charged with the trouble.

Spring is demonstrated by the German Government in a statistical publication to be the most favorable season for public morality, and autumn the most unfavorable. It was found that of 390,760 crimes of all kinds committed 80,073 crimes fall to winter, 78,799 to spring, 81,952 to summer and 82,270 to autumn.

Commissioner Atkins, it is said, will recommend that the Indian Territory be divided by a north and south line through the middle and the Indians be removed to the eastern half, while the western half be thrown open to settlement. This would be in direct violation of the agreement by which the United States years ago sold Indian Territory to the Indians and restricted its occupation to them.

The fact that Foraker ran away behind the Republican ticket in the recent election in Ohio must be a bitter pill for the bloody shirt Republicans who claim that their ancient war talk meets with approval from the mass of the people at the North. Foraker's plurality is the lowest on the Republican ticket, being 7,470 less than the leader of the ticket and 5,410 less than the next lowest on the ticket.

A retired Republican Judge, well known in Washington, says that the Justices of the United States Supreme Court feel very kindly toward Mr. Lamar, and he will be warmly welcomed by them if appointed to a seat beside them. His course in 1877, during the count of the electoral votes for President and Vice President, is one special reason of this appreciation of him by the Justices. At the party at the British legation on Saturday evening, Justice Bradley was observed to have a long conversation with Secretary Lamar.

An intimate friend of Mr. Randall, who is a treasury department official, is quoted as saying that Mr. Randall is prepared to meet the tariff reformers on a compromise measure which he would not have considered for a moment a few months ago. The impression seems to be gaining ground that Mr. Randall is prepared to make a very substantial compromise in order to preserve harmony and to prevent a fight in which he believes he could only come out second best.

Another case of human hydrophobia has come up to excite controversy among the doctors. William Marshwald, a poor workman, lies dying in a Brooklyn hospital from the effects of a dog's bite. Marshwald barks like a dog when in convulsions.

The new members of the Senate are Messrs. Hearst of California, Pasco of Florida, Blodgett of New Jersey, Turpie of Indiana, Bate of Tennessee, Reagan of Texas, Daniel of Virginia, and Faulkner of West Virginia. Democrats, Quay of Pennsylvania, Chandler of New Hampshire, Hisecock of New York, Stockbridge of Michigan, Davis of Minnesota, Paddock of Nebraska, and Stewart of Nevada, Republicans. On the Democratic side Mr. Hearst has once been a member, and on the Republican side Messrs. Stewart and Paddock are Ex-Senators.

Best shoes for boys at French & Sons.

There was a slight advance in the price of rosin to-day.

The receipts of cotton at this port to-day foot up 1,016 bales.

Christmas trade with the merchants from the country has begun in earnest.

There is an abundant supply of wood in the market, but the price asked is rather steep for the time of year.

We hear that the clouds in the East were remarkably red, just before sunrise this morning.

There was neither a clearance nor an arrival of a sailing vessel reported in this port to-day, which is a very unusual occurrence.

500 pair heavy Canton flannel drawers, just the thing for cold weather, from 35 cents and upwards, at the Wilmington Shirt Factory, No 27 Market street, J. Elsbauch, Prop. Drawers made to order.

Mr. A. Lessman has responded to the suggestion made in these columns a week or so ago and has opened with a beautiful and carefully selected stock of crockery-ware at No. 17 South Second street. He has also added a handsome line of toys for Christmas and a full line of tin ware. Attention is invited to his advertisement as it appears in this issue.

Knights of Honor.
Carolina Lodge No. 434. Regular meeting this (Monday) evening at 7 o'clock. Full attendance is desired.

Indications.
For North Carolina, rain followed by colder clearing weather and fresh to brisk winds, becoming Northerly, with a cold wave.

A Runaway.
The horse of the Phoenix hose reel, while attached to one of the city carts, undertook to run away this morning at the railroad on Nutt street. He did not run far, however, as he was thrown down and badly skinned in several places on his legs and body. No other damage was done.

Opera House.
"Only a Woman's Heart," which will be presented at the Opera House to-night by the Helen Blythe combination, is a play of unusual merit, and has been favorably received wherever it has been presented. The Chicago Society Journal, in speaking of the play, said:

"Only a Woman's Heart" has been well received by crowded audiences. The play has much merit, is picturesque in its scenery, strong in its situations, pure in tone, and both novel and absorbing in its plot. There is a crisp freshness about its dialogue which shows the talents of its author as far above those of the hackneyed play manufacturer. The story is simple, the pathos is natural, the accumulating interest well managed, and the denouement satisfactory.

The annual "Pound Party," for the benefit of St. James' Home, is appointed for Wednesday next, 7th inst. The ladies will be in attendance from 9 a. m. to 9 p. m., and will be glad to receive calls from all who feel an interest in their work. Contributions of supplies or money in aid of this charity are greatly needed and will be most gratefully received.

Railroad Notes.

We learn from the *News and Observer* that the Commissioner of Labor Statistics has received a report from the Carolina Central Railroad which shows that there are 266 miles of that line in operation in this State. There are 736 employees.—Master mechanics are paid at the rate of \$4.40 per day. Engineers are paid \$3.30 per day. The average daily wages to skilled labor is about \$2.25; common labor 63 cents. This is one of the longest and most important lines in the State and is in good condition.

Finest shoes for ladies wear in the city at French & Sons.

Old Clothing.

It is a well known fact, that an old stock of shelf worn clothing is dear at any price. Any clothing merchant would be glad to be able to realize fifty cents on the dollar on such a stock. Don't touch such goods. At S. H. FISHBLATE'S you will find new and fresh goods at all seasons of the year. He is constantly receiving new goods by every steamer. His business is of such an extent that it is impossible for him to accumulate an old stock, and all persons desirous of obtaining stylish, well fitting and tailor-made suits, ready-made or to order, should visit his immense establishment. No moth eaten or Cheap John goods there. Any article purchased at Fishblate's perfect satisfaction guaranteed or money cheerfully refunded.

NEW ADVERTISEMENTS.

Hedrick,

Says that he has been busy this season, because he has sold Dry Goods and Notions cheaper than ever before. He does not believe in letting goods get old by remaining on the shelves, when he can send them humming out of the door with just enough profit to keep him from starving. He says by selling goods on this plan, he can continually be putting New Styles and Fresh goods before the people all the time. Just so. They show us that they appreciate it by keeping us on our feet. We have no time to loiter. Make us warm in cold weather by keeping us busy. We don't expect everybody to buy. Make us show you our goods, for we have got them to show. We only propose to name a few prices to-day. You said we gave you some positive bargains last week, but look at this. Black goods are always seasonable. Not the kind of goods you look for down prices on. But here they are:

A 40-inch Black Wool Cashmere reduced from 75c. to 50c.
A 40-inch Black all Wool Cashmere, (Lupin's) cheap at \$1 reduced to 50c., only a small quantity left.

A 40-inch Black Tricot, all wool, for 50c. The cheapest article in the city.
Camel's Hair Goods, Grenadines and French Woven stripes, in Black, all have been reduced from 15 per cent. to 25 per cent.

Plaids and Stripes are "Quite English You Know," and they are all the go this season, nothing prettier for a lady to wear, very neat and stylish. We have a few pieces of these Plaids and Stripes left, all wool, 38 inches wide, at 60c., imported goods, and very cheap. Come down and see any and everything in the Dress Goods line, and all have been marked down. They must go. Braid and trimmings to match.

HOSIERY—
We have left about 25 dozen Black Ribbed Hose for Children, worth 25c. for 12c. No large sizes accounts for the price. From 5 to 7 inches in size. Ladies' Fine Black Cashmere Hose at 75c., worth \$1. Fleeced Hose, colored and black, at all prices. Come down and see the largest line in the city.

Eiderdown and Jersey Flannel.
A few pieces in light colors left, pink, blue, cream and grey, best quality reduced from 75c. to 65c. Jersey Flannel 50c., worth 65c.

It does not pay to keep these odds. They must go.

Have you seen those Mattings, Table Scarfs and Mats at Hedrick's? No; well put on your bonnet and go right down. They are going like hot cakes. Table Scarfs at \$1, that cannot be bought for less than \$1.25 in New York. Mantling at 60c. and 75c. per yard.

Handkerchiefs and Gloves. A Handkerchief for every man, woman and child in Wilmington. From the finest embroidered at \$3.50 to the cheapest plain handkerchief at 2 1/2c.

40 dozen Gloves, a good quality, at cost, warranted perfect. Our banner still floats and proclaims us headquarters for Linen and White Goods of all kinds.

Gentlemen's depot for Collars, Cuffs, Shirts, Half Hose, Gloves, Handkerchiefs and Neckwear, 50 per cent. cheaper than you can buy them elsewhere in the city.

"Everything goes." Even Gossamers twenty-five dozen Ladies' and Children's Gossamers from \$1.25 to \$5. No bad goods among these. Warranted not to leak.

We have only quoted a few prices, but come down and let us prove what we say is true.

Everything in our line cheaper than the cheapest. We must have room for a few Christmas goods. Respectfully,

J. J. Hedrick,
Corner Front and Market Sts.
115 Market Street.
