PENDER COUNTY NOTES.

Last Week's Court-Good County Officials -Hard Times and but Little Money-Stedman for Governor and Shepherd Little River, S. C., and intermediate for the Supreme Bench.

BURGAW, Jan. 23, 1888. EDITOR REVIEW:- Your friends in Northern and way mails ... improving year by year. They expected to see you here last week it being Court week. No Editor in portion of city at 5 A. M., 11 A. M. and 4.45 P. M. and from other points of the city at 5 P. M. pected to see you here last week it the State is so popular in Pender as the Editor of the DAILY REVIEW and the WILMINGTON JOURNAL. (Imagine our blushes! ED). You ought to come up and see us and also our fine new jail and other improvements. It stands near by our arge and elegant Court House.

Last week was a busy week here in law matters. Court adjourned on Rock Crystal Spectacles and Eyeglasse Thursday night. The attendance of people was large; Judge Shepherd was on the bench. Pender wants Stedman for Governor.

But politics are dull in this county. Pender farmers are all wearing long faces on account of another failure in crops. We have now had five successive bad crop years;on this account there never were known such hard times and scarcity of money in our county. Business of all kinds is prostrated and our people much depressed.

In one respect we are fortunate, and that is in having a fine set of county officers. Our Board of Commissioners are honest men. have as good a Sheriff and as good a Clerk of the Superior Court as any county can boast of. This has been proven here this week. the lawyers who attend our Bar say so. There is no better Sheriff than E. M. Johnston, and no better Clerk of the Superior Court than John B. Moore. Each discharges his duty faithfully and both are popular with the peo-ple and very polite when election times come around. And with regard to our Register of Deeds, A E. Taylor, he performs his duties well and if he can get some one to sit and talk with him from day to day he is happy and the wide world may wag as it will, but Taylor will be gay and happy still. In fact our officials are all good men and they will be hard to beat in the next elec-

Three criminals were convicted and sent to the penitentiary. Other ighter offenders were found guilty and sentenced accordingly. There is not much litigation going on in Pender. The people are mostly absorbed in trying to get meat and bread to eat and it is a hard struggle to do this and still harder to pay their taxes.

SENATE.

WASHINGTON. Jan. 23.-Mr. Edmunds, from the Judiciary Committee, to which had been referred the investigation into the Jackson, Miss., election troubles, reported a resolu-tion authorizing the committee to send for persons and papers in inquiring into the alleged participa-tion of Federal officials in the suppression of votes of colored citizens. Adopted.

Among the bills reported from committees and placed on the cal-endar were the following: For the admission of the State of Dakota and organzization of the territory of Lincoln. (A minority report is to be presented by Mr. Butler.) The Committee on Foreign Rela-

tions reported back without amend-ment the House joint resolution reating to the invitation from the British Government to participate in the International Exhibition at Melbourne to celebrate the founding of New South Wales. Passed.

Mr. Free called up the motion to refer to the Committee on Finance and proceeded to discuss the Mes- () NE TRACT OF LAND, LYING ONE sage, in which he said the President mile from Lincolnton, N. C., consisting of 88 had clearly thrown down the gaunt-let of free trade. There was an at-but gives good crops for all grains.
